Item 1.01 Entry into a Material Definitive Agreement.

On May 21, 2009, Pure Bioscience, a California corporation (the *Company*), entered into securities purchase agreements with certain institutional investors (the *Investors*) relating to the sale and issuance by the Company to the Investors of up to 1,418,440 shares of the Company's common stock and warrants to purchase up to 496,454 shares of the common stock, for an approximate total purchase price of up to \$3 million. Each share of common stock will be sold at a price of \$2.115 per share. Investors will receive warrants to purchase 0.35 shares of common stock at an exercise price of \$2.37 per share for each share of common stock they purchase in this offering. The shares of common stock and warrants will be issued separately.

In addition, the Company has agreed to issue to Axiom Capital Management, Inc., as the Company's placement agent and pursuant to a placement agency agreement, a warrant to purchase the number of shares of common stock equal to 5% of the aggregate shares of common stock sold in this offering at an exercise price of \$2.64 per share. Pursuant to the placement agency agreement, Axiom Capital Management, Inc. will also receive a cash fee which represents 6% of the aggregate purchase price in the offering.

The warrants issued to Investors will be exercisable during the period commencing immediately upon the date of original issuance and ending five years from the date the warrants become exercisable. The exercise price of such warrants is \$2.37 per share of common stock. The exercise price and the number of shares subject to the warrants are subject to adjustment in the event of stock dividends and distributions, stock splits, stock combinations, reclassifications or similar events affecting the Company's common stock and also upon any distributions of assets, including cash, stock or other property to the Company's shareholders. The warrant issued to the placement agent has identical terms to the warrants issued to Investors, except that (i) the exercise price of the warrant issued to the placement agent is \$2.64 per share of common stock, (ii) the warrant issued to the placement agent is restricted from transfer as provided by FINRA Rule 5110(g) and (iii) the warrant issued to the placement agent is not exercisable prior to the six month anniversary of the issuance date of such warrant.

The Company is offering the shares of common stock and the warrants pursuant to a prospectus dated May 5, 2009, a prospectus supplement dated May 21, 2009, and the Company's previously filed registration statement on Form S-3, as amended (File No. 333-158555), which was declared effective by the Securities and Exchange Commission on May 8, 2009. A copy of the opinion of Morrison and Foerster LLP relating to the legality of the issuance and sale of the common stock and warrants in the offering is attached as Exhibit 5.1 hereto.

The closing of the offering is expected to take place on or before May 28, 2009.

On May 22, 2009, the Company issued a press release announcing the offering. A copy of the press release is attached as Exhibit 99.1 hereto.

The foregoing description of the securities purchase agreements, the warrant agreements, and the placement agency agreement does not purport to be complete and is qualified in its entirety by reference to the exhibits hereto which are incorporated by reference.
