Only Shareholders of record at the close of business on February 10, 2015, shall be entitled to notice of and to vote at the Meeting. All Shareholders are cordially invited to attend the Meeting in person. Regardless of your plan to attend/not attend the Meeting, please vote either by phone or over the Internet or complete the enclosed proxy card and sign, date and return it promptly in the enclosed postage paid envelope. Sending in your proxy will not prevent you from voting in person at the Meeting.

We have elected to furnish proxy materials to our Shareholders on the Internet. All Shareholders will have the ability to access the proxy materials on a website referred to in the Internet Notice. ## QUESTIONS AND ANSWERS RELATING TO THE ANNUAL MEETING

Why did I receive these materials?

Our Shareholders as of the close of business on February 10, 2015, which we refer to as the "Record Date," are entitled to vote at our Annual Meeting of Shareholders, which will be held on March 20, 2015. As a Shareholder, you are invited to attend the annual meeting and are requested to vote on the items of business described in this proxy statement. This proxy statement provides notice of the Meeting, describes the proposals presented for Shareholder action and includes other information about the Corporation. The accompanying proxy card enables Shareholders to vote on the matters without having to attend the Annual Meeting in person.

The cost of soliciting these proxies, consisting of the printing, handling and mailing of the proxy and related material, and the actual expense incurred by brokerage houses, custodians, nominees and fiduciaries in forwarding proxy materials to the beneficial owners of the shares of common stock, will be paid by the Corporation.

In order to assure that there is a quorum, it may be necessary for certain officers, directors, regular employees and other representatives of the Corporation to solicit Proxies by telephone, facsimile or in person. These persons will receive no extra compensation for their services.

Who is entitled to vote at the Meeting?

Only Shareholders of record at the close of business on the Record Date are entitled to receive notice of and to participate in the Annual Meeting. If you were a Shareholder of record on the Record Date, you will be entitled to vote all of the shares that you held on that date at the Meeting, or any postponements or adjournments of the Meeting.

How many votes do I have?

You will be entitled to one vote for each outstanding share of our common stock you own as of the Record Date. As of the Record Date, there were 5,246,903 shares of our common stock outstanding and eligible to vote.

How many shares must be present or represented to conduct business at the Meeting?

The presence, in person or by proxy, of the holders of one-third of the outstanding shares of common stock is necessary to constitute a quorum at the Meeting. Based on the number of shares of our common stock outstanding on the Record Date, the holders of our common stock representing at least 1,748,968, votes will be required to establish a quorum. Proxies received but marked as abstentions, votes withheld and broker non-votes will be included in the calculation of the number of votes considered present at the Meeting. Abstentions and broker "non-votes" are counted as present or represented for purposes of determining the presence or absence of a quorum. A broker "non-vote" occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect of such other proposal, the broker does not have discretionary voting power and has not received instructions from the beneficial owner.

### How can I vote my shares in person at the Meeting?

Shares held in your name as the Shareholder of record may be voted by you in person at the Meeting. Shares held by you beneficially in “street name” through a broker, bank or other nominee may be voted by you in person at the Meeting only if you obtain a legal proxy from the broker, bank or other nominee that holds your shares giving you the right to vote the shares.

### How can I vote my shares without attending the Meeting?

Whether you hold shares directly as the Shareholder of record or beneficially in “street name,” you may direct how your shares are voted without attending the Meeting. If you are a Shareholder of record (that is, if your shares are registered directly in your name with our transfer agent), you must complete and properly sign and date the accompanying proxy card and return it to us and it will be voted as you direct. If you are a Shareholder of record and attend the Meeting, you may deliver your completed proxy card in person. If you hold shares beneficially in “street name,” you may vote by submitting voting instructions to your broker, bank or other nominee.

### Can I vote by telephone or electronically?

If you are a Shareholder of record, you may vote by telephone, or electronically through the Internet, by following the instructions included with your proxy card. If your shares are held in “street name,” please check your proxy card or contact your broker, bank or other nominee to determine whether you will be able to vote by telephone or electronically and the deadline for such voting.

### Can I change my vote after I return my proxy card?

Yes. If you are a Shareholder of record, you may revoke or change your vote at any time before the proxy is exercised by delivering to our Secretary at the address shown at the beginning of this proxy statement a notice of revocation, or by signing a proxy card bearing a later date or by attending the Meeting and voting in person.

For shares you hold beneficially in “street name,” you may change your vote by submitting new voting instructions to your broker, bank or other nominee or, if you have obtained a legal proxy from your broker, bank or other nominee giving you the right to vote your shares, by attending the Meeting and voting in person. In either case, the powers of the proxy holders will be suspended if you attend the Meeting in person and so request, although attendance at the Meeting will not by itself revoke a previously granted proxy.

### Who counts the votes?

Votes will be counted and certified by Computershare Trust Company, N.A. (“Computershare”), our transfer agent; however, no representatives of Computershare will attend the Meeting and Henry F. Schlueter will serve as the Judge of Election. As the Judge of Election, Mr. Schlueter will certify the final vote count at the Meeting. If you are a Shareholder of record, your signed proxy card is returned directly to Computershare for tabulation. If you hold your shares in “street name” through a broker, bank or other nominee, your broker, bank or other nominee will return one proxy card to Computershare on behalf of its clients.

What are the Board of Directors' recommendations?

Unless you give other instructions on your proxy card, the person named as proxy holder on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board of Directors' recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board of Directors recommends FOR the election of directors named; FOR the ratification of the selection of Moore Stephens CPA Limited, (formerly known as Moore Stephens) as independent public accountants of the Corporation for the year ending March 31, 2015; and FOR the amendment to the 2004 Stock Option Plan to increase the number of shares reserved for issuance from 600,000 to 850,000.

The Corporation's executive officers and directors have advised the Corporation that they intend to vote their 2,788,977 shares (including those shares over which they hold voting power), representing approximately 53.2% as of February 10, 2015, of the outstanding shares of common stock, in favor of each of the proposals above.

Will Shareholders be asked to vote on any other matters?

To the knowledge of the Corporation and its management, Shareholders will vote only on the matters described in this proxy statement. However, if any other matters properly come before the Meeting, the persons named as proxies for Shareholders will vote on those matters in the manner they consider appropriate.

What vote is required to approve each item?

Election of Directors.

The affirmative vote of a plurality of the votes cast at the Meeting is required for the election of directors. A properly executed proxy marked "withhold authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Ratification of Moore Stephens CPA Limited (formerly known as Moore Stephens), Approval of the Amendment to the 2004 Stock Option Plan and other items.

For the proposal to ratify the appointment of our independent registered public accounting firm for our year ending March 31, 2015 (Proposal 2) and for the proposal to amend the 2004 Stock Option Plan to increase the number of shares reserved for issuance (Proposal 3), the affirmative vote of the holders of a majority of the votes cast in person or represented by proxy and entitled to vote on the item will be required for approval.

A properly executed proxy marked "abstain" with respect to any matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

How are votes counted?

In the election of directors, you may vote "FOR" all or some of the nominees or your vote may "WITHHOLD AUTHORITY FOR" with respect to one or more of the nominees. You may not cumulate your votes for the election of directors.

For the ratification of Moore Stephens CPA Limited, (formerly known as Moore Stephens), the amendment to the 2004 Stock Option Plan and other items of business, you may vote "FOR," "AGAINST" or "ABSTAIN." If you elect to "ABSTAIN," the abstention has the same effect as a vote "AGAINST." If you provide specific instructions with regard to certain items, your shares will be voted as you instruct on such items.

If you hold your shares in "street name" through a broker, bank or other nominee rather than directly in your own name, then your broker, bank or other nominee is considered the Shareholder of record, and you are considered the beneficial owner of your shares. We have supplied copies of our proxy statement to the broker, bank or other nominee holding your shares of record, and they have the responsibility to send it to you. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares at the Meeting. The broker, bank or other nominee that is the Shareholder of record for your shares is obligated to provide you with a voting instruction card for you to use for this purpose. If you hold your shares in a brokerage account but you fail to return your voting instruction card to your broker, your shares may constitute "broker non-votes."

Brokerage firms generally have the authority to vote customers' un-voted shares on certain "routine" matters. With the sole exception of the ratification of Moore Stephens CPA Limited, (formerly known as Moore Stephens) as independent auditors for the year ending March 31, 2015, no matters submitted for Shareholder approval herein are "routine" matters. When a brokerage firm votes its customers' un-voted shares, these shares are counted for purposes of establishing a quorum. At our Annual Meeting these shares will be counted as voted by the brokerage firm with respect to ratifying the Board of Directors' reappointment of Moore Stephens CPA Limited (formerly known as Moore Stephens) as the Corporation's auditors for the year ending March 31, 2015.

## NASDAQ EXEMPTIONS AND HOME COUNTRY PRACTICES

NASDAQ Marketplace Rule 4350 provides that foreign private issuers may elect to follow certain home country corporate governance practices so long as they provide NASDAQ with a letter from outside counsel in their home country certifying that the issuer's corporate governance practices are not prohibited by home country law.

On July 19, 2005, we submitted a letter to NASDAQ certifying that certain of Bonso's corporate governance practices are not prohibited by the relevant laws of the British Virgin Islands. We will follow British Virgin Island law in respect to the following requirements:

- § A majority of Bonso's board of directors will not be independent;
- § Bonso will not have a nominating committee;
- § Bonso will not have a compensation committee;
- § Bonso's independent directors will not meet in executive session; and
- § Bonso's audit committee may have only one member.

## BOARD COMMITTEES

The Board of Directors maintains an Audit Committee. Mr. Woo Ping Fok and Mr. Henry F. Schlueter are the members of the Audit Committee. Mr. Fok is "independent" as defined in the NASDAQ listing standards and Mr. Schlueter may not be considered "independent" since his law firm serves as Bonso's United States counsel.

The Audit Committee was established to: (i) review and approve the scope of audit procedures employed by our independent auditors; (ii) review and approve the audit reports rendered by our independent auditors; (iii) approve the audit fee charged by the independent auditors; (iv) report to the Board of Directors with respect to such matters; (v) recommend the selection of independent auditors; and (vi) discharge such other responsibilities as may be delegated to it from time to time by the Board of Directors and to discharge such other responsibilities as may be delegated to it from time to time by the Board of Directors. Effective as of August 17, 2000, the Board of Directors adopted a formal charter for its Audit Committee, which was amended effective June 30, 2005.

Schlueter was an aggregate of \$84,000. The \$84,000 listed as having been paid for the benefit of Mr. Schlueter was paid to his law firm, Schlueter & Associates, P.C. for legal services rendered. The amount for the year ended March 31, 2014, includes a vacation payment of \$57,000 for Anthony So and an unpaid vacation payment of \$10,000 for Kim Wah Chung.

We did not set aside or accrue any amounts to provide pension, retirement or similar contributions to our Provident Fund Plan, which aggregated \$17,000 for officers and directors.

## Employment Agreements

We have employment agreements with Anthony So and Kim Wah Chung. Mr. So's employment agreement provides for a maximum yearly salary of approximately \$800,000 per year plus bonus, and Mr. Chung's employment agreement provides for a maximum yearly salary of approximately \$200,000 per year plus bonus. The initial term of the employment agreements expired on March 31, 2013 ("Initial Term"); however, the employment agreements have been renewed under a provision in the agreements that provides for automatic renewal for successive one year periods, unless at least 90 days prior to the expiration of the Initial Term or any renewal term, either party gives written notice to the other party specifically electing to terminate the agreement. One of the properties of the Group in Hong Kong is also provided to Mr. So as part of his compensation. Mr. So's employment agreement contains a provision under which we will be obligated to pay Mr. So all compensation for the remainder of his employment agreement and five times his annual salary and bonus compensation if a change of control, as defined in his employment agreement, occurs. Both employment agreements with Anthony So and Kim Wah Chung were renewed automatically, and the respective employment agreements will expire on March 31, 2015, unless automatically renewed.

Except as mentioned above, our directors do not receive any additional monetary compensation for serving in their capacities. All directors are reimbursed for all reasonable expenses incurred in connection with their services as a director.

## Employee retirement benefits

With effect from January 1, 1988, Bonso Electronics Limited ("BEL"), a wholly-owned foreign subsidiary of the Corporation in Hong Kong, implemented a defined contribution plan (the "Plan") with a major international assurance company to provide life insurance and retirement benefits for its employees. All permanent full time employees who joined BEL before December 2000, excluding factory workers, are eligible to join the provident fund plan. Eligible employees of the Plan are required to contribute 5% of their monthly salary, while BEL is required to contribute from 5% to 10% based on the eligible employee's salary, depending on the number of years of the eligible employee's service.

The Mandatory Provident Fund (the "MPF") was introduced by the Hong Kong Government and commenced in December 2000. BEL joined the MPF by implementing a plan with a major international assurance company. All permanent Hong Kong full time employees who joined BEL on or after December 2000, excluding factory workers,

are eligible to join the MPF. Eligible employees' and the employer's contributions to the MPF are both at 5% of the eligible employee's monthly salary and are subject to a maximum mandatory contribution of HK\$1,000 (US\$128) monthly. The maximum mandatory contribution was increased to HK\$1,500 (US\$192) per month starting from June 1, 2014.

Pursuant to the relevant PRC regulations, the Group is required to make contributions for each employee, at rates based upon the employee's standard salary base as determined by the local Social Security Bureau, to a defined contribution retirement scheme organized by the local Social Security Bureau in respect of the retirement benefits for the Group's employees in the PRC.

The contributions to each of the above schemes are recognized as employee benefit expense when they are due and are charged to the consolidated statement of income (loss). The Group's total contributions to the above schemes for the years ended March 31, 2012, 2013 and 2014 amounted to approximately \$239,000, \$225,000 and \$758,000, respectively. The Group has no other obligation to make payments in respect of retirement benefits of the employees.

#### Compensation Pursuant to Options to Purchase Common Stock

##### Stock Option and Bonus Plans

##### The 1996 Stock Option Plan

In October 1996, our Shareholders adopted the 1996 Stock Option Plan (the "Employees' Plan"), which provides for the grant of options to purchase an aggregate of not more than 400,000 shares of our common stock. In January 2000, our Shareholders approved the proposal of the Board of Directors to increase from 400,000 to 900,000 in the aggregate the number of options to purchase common stock under the Employees' Plan. The purpose of the Employees' Plan is to make options available to management and employees in order to encourage them to secure or increase on reasonable terms their stock ownership and to encourage them to remain with the Corporation.

The Employees' Plan is administered by a committee appointed by the Board of Directors which determines the persons to be granted options under the Employees' Plan, the number of shares subject to each option, the exercise price of each option and the option period, subject to the requirement that no option may be exercisable more than ten years after the date of grant. The exercise price of an option may be less than the fair market value of the underlying shares of common stock. No options granted under the Employees' Plan are transferable by the optionee other than by will or the laws of descent and distribution and each option will be exercisable during the lifetime of the optionee, only by such optionee.

The exercise price of an option granted pursuant to the Employees' Plan may be paid in cash, by the surrender of options, in common stock, in other property, including the optionee's promissory note, or by a combination of the above, at our discretion.

During the fiscal year ended March 31, 2014, no options were granted under the Employees' Plan.

### The 2004 Stock Option Plan

On March 23, 2004, our Shareholders adopted the 2004 Stock Option Plan (the “2004 Plan”) which provides for the grant of up to six hundred thousand (600,000) shares of the Corporation’s common stock in the form of stock options, subject to certain adjustments as described in the 2004 Plan.

The purpose of the 2004 Plan is to secure key employees to remain in the employ of the Corporation and to encourage such employees to secure or increase on reasonable terms their common stock ownership in the Corporation. The Corporation believes that the 2004 Plan promotes continuity of management and increased incentive and personal interest in the welfare of the Corporation.

The 2004 Plan is administered by a committee appointed by the Board of Directors which consists of at least two but not more than three members of the Board, one of whom shall be a non-employee of the Corporation. The committee members currently are Anthony So and Woo-Ping Fok. The committee determines the specific terms of the options granted, including the employees to be granted options under the plan, the number of shares subject to each option grant, the exercise price of each option and the option period, subject to the requirement that no option may be exercisable more than 10 years after the date of grant. The exercise price of an option may be less than the fair market value of the underlying shares of common stock. No options granted under the plan will be transferable by the optionee other than by will or the laws of descent and distribution and each option will be exercisable, during the lifetime of the optionee, only by the optionee.

The exercise price of an option granted pursuant to the 2004 Plan may be paid in cash, by the surrender of options, in common stock, in other property, including a promissory note from the optionee, or by a combination of the above, at the discretion of the committee.

As of March 31, 2014, no options had been granted under the 2004 Plan.

### 2004 Stock Bonus Plan

On September 7, 2004, our Shareholders adopted the 2004 Stock Bonus Plan (the “Stock Bonus Plan”) which authorizes the issuance of up to five hundred thousand (500,000) shares of the Corporation’s common stock in the form of a stock bonus.

The purpose of this Stock Bonus Plan is to: (i) induce key employees to remain in the employ of the Corporation, or of any subsidiary of the Corporation; (ii) encourage such employees to secure or increase their stock ownership in the Corporation; and (iii) reward employees, non-employee directors, advisors and consultants for services rendered or to be rendered to or for the benefit of the Corporation, or any of its subsidiaries. The Corporation believes that the Stock Bonus Plan will promote continuity of management and increased incentive and personal interest in the welfare of the Corporation.

The Stock Bonus Plan shall be administered by a committee appointed by the Board of Directors, which consists of at least two but not more than three members of the Board, one of whom shall be a non-employee of the Corporation. The committee members currently are Anthony So and Woo-Ping Fok. The committee has the authority, in its sole discretion: (i) to determine the parties to receive bonus stock, the times when they shall receive such awards, the number of shares to be issued, and the time, terms and conditions of the issuance of any such shares; (ii) to construe and interpret the terms of the Stock Bonus Plan; (iii) to establish, amend and rescind rules and regulations for the administration of the Stock Bonus Plan; and (iv) to make all other determinations necessary or advisable for administering the Stock Bonus Plan.

As of March 31, 2014, no shares had been granted under the Stock Bonus Plan.

## CERTAIN TRANSACTIONS

During the fiscal year ended March 31, 2014, we made loans aggregating approximately \$1,052,000 to our Chairman and Chief Executive Officer Anthony So. Management believed at the time that the loans were made that these loans were permissible and did not violate Section 13(k) of the Exchange Act, because Mr. So would be able to repay the full amount by foregoing his salary and accrued annual leave payments until the loans had been paid in full.

We advanced the funds to Mr. So on two separate occasions, and Mr. So directed that his salary payments and accrued annual leave payments be used to offset the amounts that we loaned to him. In addition, Mr. Albert So and Mr. Andrew So, who are officers and directors of the Corporation, directed the Corporation to use their accrued annual leave payments to partially satisfy the amounts due to the Corporation from Mr. Anthony So. On March 31, 2014, the amount due to the Corporation from Mr. So was \$166,000. On August 7, 2014, Mr. So paid \$166,000 to the Corporation to fully repay the amounts loaned to him. The loans were non-interest bearing.

Notwithstanding Mr. Anthony So's repayment in full of the loans made to him, those loans constitute a violation of Section 13(k) of the Exchange Act and Section 402(a) of Sarbanes-Oxley.

As a result of this inadvertent violation, the Board adopted a policy regarding loans or advances to any Executive Officer or Director of the Corporation. The policy provides that "The Company shall not directly or indirectly, including through any subsidiary, extend or maintain credit to, or arrange for the extension of credit, or renew an extension of credit, in the form of a personal loan to or for any Director or Executive Officer (or equivalent thereof) of the Company or any subsidiary of the Company."

During the fiscal year ended March 31, 2014, we paid Schlueter & Associates, P.C. an aggregate of \$84,000 for legal fees. Mr. Henry F. Schlueter, a director of the Corporation, is the Managing Director of Schlueter & Associates, P.C.

## PROPOSAL 3

### TO AMEND THE 2004 STOCK OPTION PLAN TO INCREASE THE NUMBER OF SHARES RESERVED FOR ISSUANCE UNDER THE PLAN

We are seeking Shareholder approval to amend the 2004 Stock Option Plan (the "2004 Plan") to increase the number of shares reserved for issuance under the 2004 Plan from 600,000 to 850,000. At March 31, 2014, there were no shares subject to stock options issued under the 2004 Plan since its adoption in 2004.

The purpose of the 2004 Plan is to secure key employees to remain in the employ of the Corporation and to encourage such employees to secure or increase on reasonable terms their common stock ownership in the Corporation. The Corporation believes that the 2004 Plan promotes continuity of management and increased incentive and personal interest in the welfare of the Corporation.

The aggregate number of shares of common stock which may be issued under the 2004 Plan was originally set at 600,000 shares. In order to continue and to enhance the effectiveness of the 2004 Plan, the Board of Directors approved, subject to Shareholder approval, an amendment to increase the number of shares of common stock reserved for issuance under the 2004 Plan from 600,000 to 850,000.

The Board believes that approval of the amendment is necessary because it intends to commence granting options under the 2004 Plan to directors and officers or other key employees of the Corporation and its subsidiaries, and it believes that the number of shares currently reserved for issuance pursuant to the exercise of options granted under the 2004 Plan may be insufficient for the number of options which it may desire to grant prior to the 2016 Annual Meeting of Shareholders.

In view of the continued need to attract and maintain individuals of the highest caliber to positions on the Board, management and employment, the Board of Directors has concluded that the maximum number of shares of common stock that may be issued under the 2004 Plan should be increased from the current maximum of 600,000 to a maximum of 850,000 shares.

The Board of Directors approved the increase in shares reserved under and required amendment to the 2004 Plan on January 27, 2015, subject to Shareholder approval at the Annual Meeting. If our Shareholders approve the amendment to the 2004 Plan, 250,000 additional shares will be available for future grants.

The Board of Directors believes that it is in the best interests of the Corporation and our Shareholders for the Corporation to approve the increase in shares reserved under the 2004 Plan. The Board believes that equity awards assist in retaining, motivating and rewarding employees, and executives by giving them an opportunity to obtain long-term equity participation in the Corporation. In addition, equity awards are an important contributor to aligning the incentives of the Corporation's employees with the interests of our Shareholders.

The Board also believes equity awards are essential to attracting new employees and retaining current employees. Further, the granting of options to new and existing employees frequently permits the Corporation to pay lower salaries than otherwise might be the case. The Board of Directors believes that to remain competitive, the Corporation must continue to provide employees with the opportunity to obtain equity in the Corporation and that an inability to offer equity incentives to new and current employees would put the Corporation at a competitive disadvantage in attracting and retaining qualified personnel. Our named executive officers and directors have an interest in this proposal because they are expected to receive awards under the 2004 Plan.

The Corporation has not made any determination with respect to future grants of options under the Plan and any grant of options will be made only in accordance with the provisions of the Plan.

The full text of the proposed amendment to increase the number of shares under the 2004 Plan is attached to this proxy statement as Appendix A.

If any options shall expire or terminate for any reason without having been exercised in full, the unpurchased shares subject thereto shall again be available for further grants under the Plan.

This Amendment amends only the provision of the Plan as noted above, and those provisions not expressly amended herein shall be considered in full force and effect. Notwithstanding the foregoing, this Amendment shall supersede the provisions of the Plan to the extent those provisions are inconsistent with the provisions and intent of this Amendment.
