Item 1.01

Entry Into a Material Definitive Agreement.

Renewal of Credit Facility: On September 30, 2004, the registrant executed an Amended and Restated Agreement (the Agreement) with U. S. Bank National Association to renew and increase its existing bank loan commitment from \$50 million to \$60 million and extend the term of that loan commitment to October 1, 2007. The Agreement amends an existing credit agreement between the registrant and U.S. Bank National Association dated December 10, 1999. The Agreement commits U.S. Bank National Association to lend to the registrant certain amounts for certain time periods, as requested from time to time, at an interest rate based on LIBOR. A standard fee was paid upon execution of the Agreement and a commitment fee, computed daily at an established rate based on the registrant's current credit ratings of BBB+ by Standard & Poor's and Baa1 by Moody's, will be paid in arrears on a quarterly basis on any unused balances.

Incentive Compensation Plans: On September 30, the registrant's Board of Directors adopted the following three incentive compensation plans, each of which is effective as of October 1, 2004:

2005 Team Incentive Plan: Only salaried employees of the registrant are eligible to participate in the 2005 Team Incentive Plan. Payouts under this plan are funded based on the registrant's earnings per share (EPS). Payouts under this plan are determined based on EPS and operational measures. A management team of the registrant annually reviews these performance measures and payouts under this plan pursuant to those measures, and establishes new performance measures, as appropriate, based on the registrant's objectives and performance targets related to each performance measure for that year. The performance measures under this plan will be announced to eligible employees during the first week of December of 2004. The midpoint payout under this plan is 4% of eligible pay and the range of payouts varies from 0 to 8%.

2005 401(k) Profit Sharing Plan: Only salaried employees of the registrant are eligible to participate in the 2005 401(k) Profit Sharing Plan. Payouts under this plan are funded based on the registrant's EPS. The midpoint payout under this plan is 4% of eligible pay, and the range of payouts varies from 0 to 8%.

2005 Key Performance Plan: Only salaried employees in pay grade 9 (supervisor and professional level) and higher are eligible to participate in the 2005 Key Performance Plan. This plan is funded based on the registrant's EPS. Payouts are determined by EPS (70%) and the achievement of certain key performance goals established for each participant (30%). The CEO could earn an additional 50% of base salary if his midpoint targets were reached and up to 100% of base salary if the maximum achievement was reached. For other officers, midpoint target achievement levels would result in awards of 20% to 45% of base pay with a maximum range for officers from 40% to 90% of base pay. For non-officer participants, the range of payouts varies from 0 to 20%.
