Item 1.01. Entry into a Material Definitive Agreement.

The information set forth in Item 5.02 relating to the Executive Retention Agreements is incorporated by reference into this Item 1.01.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 1, 2007, Laureate Education, Inc. (the "Company") entered into executive retention agreements (each an "Executive Retention Agreement," and collectively, the "Executive Retention Agreements") with each of Raph Appadoo, Rosemarie Mecca, Paula R. Singer, William C. Dennis, Jr. and Daniel M. Nickel (each an "Executive"). The Executive Retention Agreements provide certain severance payments and benefits, including payments and benefits in connection with a Change of Control (as defined in the Executive Retention Agreements), and supersede any prior agreements the Executive entered into with the Company. Each Executive Retention Agreement has a three-year term which automatically renews for additional one-year terms under certain circumstances.

The terms of each Executive Retention Agreement provide that if the Executive's employment is terminated by the Company during the term of the Executive Retention Agreement other than due to Disability or for Cause (each as defined in the Executive Retention Agreements), then the Executive is entitled to receive, in addition to certain accrued amounts and subject to the execution of a release and restrictive covenants agreement, (i) a lump sum severance payment in an amount equal to one and one-half times the sum of the Executive's annual salary and annual target bonus under the Company's annual incentive compensation plan, (ii) continued health care coverage for 18 months, (iii) outplacement assistance and (iv) a lump sum payment under each of the Company's annual incentive plan and long-term incentive plan assuming target had been attained, which payments shall be pro-rated for the number of months of the performance period that have elapsed.

In addition, the terms of each Executive Retention Agreement provide that if, during the period commencing six months prior to the execution of an agreement, the consummation of which would result in a Change of Control and ending upon the earlier of (i) the expiration of the 18-month period which commenced on the date of the Change of Control or (ii) the abandonment of the Change of Control by the parties, the Executive voluntarily terminates his or her employment with the Company due to a material alteration of his or her employment (as described in the Executive Retention Agreements), then the Executive is also entitled to receive the aforementioned severance payments and benefits.

In addition to the aforementioned payments and benefits, each Executive Retention Agreement provides that the Executive will be provided with an additional payment in the event that the aggregate present value of payments made to the Executive in connection with a Change of Control exceed, by more than 10%, the Executive's safe harbor amount under Section 280G of the Internal Revenue Code, otherwise payments made to the Executive would be capped to prevent any excise tax from being due.

The terms of each Executive Retention Agreement also provide that each Executive's outstanding stock option and restricted share awards vest immediately and fully upon the consummation of the Change of Control.

Effective with the execution of the Executive Retention Agreements, the Company's Board of Directors adopted resolutions amending the Laureate Education, Inc. 2006 Executive Annual Incentive Plan by deleting Section 8 of that plan and all references thereto from the plan. The effect of the amendment to the plan was to remove certain provisions pertaining to payments under the plan that would be triggered upon a Change in Control (as defined in the plan).
