Item 8.01. Other Events.

As previously announced, effective July 1, 2008, the Company made certain changes to its operating structure to align geographic responsibility. The European Union operating segment was reconfigured to include the Adriatic and Balkans business unit and was renamed the Europe operating segment; and the remaining Eurasia operating segment was combined with the Africa operating segment into the new Eurasia and Africa operating segment. The changes in operating structure did not impact the other existing geographic operating segments, Bottling Investments or Corporate. As a result, beginning with the third quarter of 2008, our organizational structure will consist of the following operating segments: Eurasia and Africa; Europe; Latin America; North America; Pacific; Bottling Investments; and Corporate.

Exhibit 99.1 attached hereto sets forth a schedule of unaudited operating segment data reclassified primarily to reflect the new operating structure.
