ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

In August 2009, a special purpose subsidiary of Senior Housing closed a \$512.9 million mortgage financing with the Federal National Mortgage Association (FNMA) and in connection with the FNMA transaction, Senior Housing realigned its leases with the Issuer. Pursuant to the terms of the lease realignment agreement, entered into on August 4, 2009, (1) four leases, or the Leases, between Senior Housing and the Issuer were reconfigured, (2) Senior Housing acquired certain personal property located at 28 properties in 16 states, or the Properties, from subsidiaries of the Issuer and pledged that property to FNMA, (3) Senior Housing purchased 3,200,000 Shares, (4) the Issuer agreed to undertake certain reporting and other operating obligations required by FNMA and (5) subsidiaries of the Issuer pledged certain tangible and intangible personal property, such as accounts receivable and contract rights, located at, or arising from the operations of, the Properties to secure their obligations under the Leases for the Properties and certain of their obligations relating to the \$512.9 million secured term loan. To compensate the Issuer for the sale of its personal property, the sale of the 3,200,000 Shares, the pledge of intangible assets and for the services and obligations that the Issuer assumed, Senior Housing, among other things, (1) reduced the annual rent payable to it under one of the Leases, but not the lease under which the Properties are leased, by \$2.0 million per year for the term of that Lease, which will expire in 2026, (2) paid the Issuer a total of \$18.6 million, and (3) agreed to reimburse the Issuer for its out of pocket expenses incurred in connection with the negotiation and closing of this transaction. The Issuer granted certain registration rights to Senior Housing with regard to the 3,200,000 Shares issued. For further information about the FNMA transaction and the purchase of these shares, see Part II, Item 5 of Senior Housing's Quarterly Report on Form 10-Q for the quarter ended June 30, 2009, filed with the Securities and Exchange Commission (the SEC) on August 10, 2009.

SCHEDULE 13D

CUSIP No. 33832D106

Page 9 of 14 Pages

Senior Housing owns an additional 35,000 Shares of the Issuer, which were retained by Senior Housing following its December 31, 2001 spinoff of the Issuer.

Mr. Adam Portnoy acquired the Shares he owns pursuant to several grants by the Issuer pursuant to the Issuer's stock option and stock incentive plan for services rendered by him to RMR, which provides management and other services to the Issuer pursuant to a business management agreement.

Mr. Barry Portnoy acquired the Shares he owns pursuant to several grants by the Issuer for services rendered by him as a Managing Director of the Issuer pursuant to the Issuer's stock option and stock incentive plan, and in connection with the formation of the Issuer and the spinoff of the Issuer from Senior Housing on December 31, 2001. He also received a portion of his Shares of the Issuer in 2008 as a result of a liquidation distribution of such Shares held through the Portnoy Family Corporation, of which Mr. Barry Portnoy was the sole stockholder. The Portnoy Family Corporation had acquired its Shares in connection with the formation of the Issuer and the spinoff of the Issuer from Senior Housing on December 31, 2001.

To the Reporting Persons' knowledge, the other individuals named in Item 2 above beneficially own an aggregate of approximately 537,735 Shares. These 537,735 Shares were acquired either pursuant to the Issuer's stock option and stock incentive plan for services to RMR or the Issuer or in connection with the formation of the Issuer and the spinoff of the Issuer from Senior Housing on December 31, 2001.

ITEM 4. PURPOSE OF TRANSACTION.

Senior Housing and other Reporting Persons acquired the Shares reported in this Schedule 13D for investment purposes. The Reporting Persons previously reported their beneficial ownership of the Shares on Schedule 13G, initially filed on August 12, 2009 and amended on January 20, 2010.

The Issuer was Senior Housing's wholly owned subsidiary until December 31, 2001, when the Issuer's Shares were spun off to Senior Housing's shareholders. Senior Housing's primary reason for the spinoff related to certain requirements under Federal income tax laws for Senior Housing's maintenance of its status as a REIT. Among other things, to remain a REIT, Senior Housing, in most cases, was required to derive a substantial majority of its revenues from real estate rents and mortgage interest. For tax years beginning in 2009, there was a change in the REIT qualification requirements in the Internal Revenue Code which permits REITs to receive

CUSIP No. 33832D106

Page 10 of 14 Pages

the financial results of health care facilities operations, as well as rents from those operations, provided these results are received by a taxable REIT subsidiary (a TRS).

Since the time of the spinoff, Senior Housing and the Issuer have engaged in a number of transactions and have developed several contractual relationships. Information about current transactions between Senior Housing and the Issuer appears in Senior Housing's Annual Report on Form 10-K for its fiscal year ended December 31, 2009 (the Senior Housing Annual Report) and its other filings made with the SEC. In particular, the Reporting Persons refer to (i) the section captioned Management's Discussion and Analysis of Financial Condition and Results of Operations Related Person Transactions in the Senior Housing Annual Report, (ii) the section captioned Related Person Transactions and Company Review of Such Transactions in Senior Housing's Proxy Statement dated February 22, 2010 relating to its 2010 Annual Meeting of Shareholders, (iii) Item 1.01 in Senior Housing's Current Report on Form 8-K filed with the SEC on January 13, 2010, and (iv) the section captioned Management's Discussion and Analysis of Financial Condition and Results of Operations Related Person Transactions in Senior Housing's Quarterly Report on Form 10-Q for its fiscal quarter ended March 31, 2010. Copies of the information contained in such sections are filed as Exhibit 99.2 in Item 7 and such Exhibit 99.2 is incorporated herein by reference. The information contained in Exhibit 99.2 is presented as of the respective dates the related reports, as identified in such Exhibit, were filed with the SEC.

On May 12, 2010, Senior Housing's Board of Trustees appointed a special committee consisting of its Independent Trustees and requested that the Issuer's Board of Directors appoint a special committee consisting of its Independent Directors to consider, in light of the tax law changes described above and uncertainties created by recent changes in the market for healthcare services, including the recent adoption of the Patient Protection and Affordable Care Act and expected Medicare and Medicaid rate changes, whether Senior Housing and the Issuer should: (i) change one or more of the existing leases between Senior Housing, as lessor, and the Issuer, as lessee, to a management arrangement between a Senior Housing owned TRS and the Issuer as manager; (ii) combine the Issuer into a Senior Housing owned TRS; or (iii) otherwise change one or more of the contractual arrangements between Senior Housing and the Issuer or take other actions. On May 12, 2010, the Issuer advised Senior Housing that the Issuer's Board of Directors appointed a special committee consisting of its Independent Directors with authority to join such a dialogue.

Although the possible transactions described above are presently expected by the Reporting Persons to be considered by the special committees of Senior Housing and the Issuer, the topics to be considered may change at any time. Also, because of their close business relationships, the Reporting Persons and the Issuer are in discussions from time to time on a variety of matters, and in the future these discussions may implicate the actions described in clauses (a) through (j) of Item 4. There can be no assurance that any of the potential actions referred to above will be undertaken or that other types of actions will, or will not, be undertaken.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

(a) Amount beneficially owned and percentage of class:

As described in Item 3 above, Senior Housing beneficially owns 3,235,000 Shares.

Neither RMR nor RMR Trust holds any Shares. RMR, as manager of Senior Housing, and RMR Trust, as the sole member of RMR, may, under applicable regulatory definitions, be deemed to beneficially own (and have shared voting and dispositive power over) the 3,235,000 Shares beneficially owned by Senior Housing, but each disclaims such beneficial ownership.

Mr. Barry Portnoy beneficially owns 179,122 Shares. Mr. Adam Portnoy beneficially owns 32,000 Shares (of which 16,000 are subject to vesting requirements and will become fully vested, subject to the lapse of certain contingencies, annually through 2013). In their respective positions with RMR and RMR Trust described in Item 2 above, Mr. Barry Portnoy and Mr. Adam Portnoy may also be deemed to beneficially own (and have shared voting and dispositive power over) the 3,235,000 Shares beneficially owned by Senior Housing, but each disclaims such beneficial ownership.

To the Reporting Persons' knowledge, the other individuals named in Item 2 above beneficially own an aggregate of approximately 537,735 Shares (a portion of which are subject to vesting requirements). The Reporting Persons disclaim any beneficial ownership or voting control of these Shares.

Senior Housing beneficially owns approximately 9.1% of the Issuer's Shares.

Messrs. Adam and Barry Portnoy each beneficially owns less than 1% of the Issuer's Shares, and RMR and RMR Trust beneficially own none of the Issuer's Shares. Reference is made to Item 5(a) above as to the Issuer's Shares beneficially owned by Senior Housing that may, under applicable regulatory definitions, be deemed to be beneficially owned by RMR, RMR Trust, Mr. Barry Portnoy or Mr. Adam Portnoy. If all such Shares were beneficially owned by such persons, their respective percentage beneficial ownership of the Issuer's Shares would be approximately 9.1%, 9.1%, 9.6% and 9.2%.

To the Reporting Persons' knowledge, the other individuals named in Item 2 above beneficially own an aggregate of approximately 1.5% of the Issuer's Shares, which are not included in the percentages owned by the Reporting Persons.
