Tax Event Redemption of the 2064 Notes

If a tax event occurs, we will have the right to redeem the 2064 Notes, at our option, in whole, but not in part, at any time upon a redemption notice delivered within 90 days following the occurrence of such tax event, at a redemption price equal to 100% of the principal amount of the 2064 Notes being redeemed, plus accrued and unpaid interest on the principal amount being redeemed to the redemption date.

Tax event means that we shall have received an opinion of nationally recognized independent tax counsel to the effect that, as a result of:

- any amendment to or change (including any announced prospective amendment or change) in any law or treaty, or any regulation thereunder, of the United States or any of its political subdivisions or taxing authorities;
- any judicial decision, administrative action, official administrative pronouncement, ruling, regulatory procedure, regulation, notice or announcement, including any notice or announcement of intent to adopt or promulgate any ruling, regulatory procedure or regulation (any of the foregoing, an administrative or judicial action);
- any amendment to or change in any official position with respect to, or any interpretation of, an administrative or judicial action or a law or regulation of the United States that differs from the previously generally accepted position or interpretation; or
- a threatened challenge asserted in writing in connection with our audit or an audit of any of our subsidiaries, or a publicly-known threatened challenge asserted in writing against any other taxpayer that has raised capital through the issuance of securities that are substantially similar to the 2064 Notes,

in each case, occurring or becoming publicly-known on or after May 8, 2014, there is more than an insubstantial increase in the risk that interest paid by us on the 2064 Notes is not, or will not be, deductible, in whole or in part, by us for United States federal income tax purposes.
