Item 1.01. Entry Into a Material Definitive Agreement.

On June 1, 2014, Ventas, Inc. (the Company) entered into an Agreement and Plan of Merger (the Merger Agreement) with American Realty Capital Healthcare Trust, Inc., a Maryland corporation (ARC Healthcare), Stripe Sub, LLC, a Delaware limited liability company and a direct wholly-owned subsidiary of the Company (Merger Sub), Stripe OP, LP, a Delaware limited partnership of which Merger Sub is the sole general partner (OP Merger Sub), and American Realty Capital Healthcare Trust Operating Partnership L.P., a Delaware limited partnership (the OP), of which ARC Healthcare is the sole general partner. The Merger Agreement provides for the merger of ARC Healthcare with and into Merger Sub, with Merger Sub surviving as a wholly-owned subsidiary of the Company (the Merger), and for the merger of OP Merger Sub with and into OP, with OP continuing as the surviving partnership (the Partnership Merger and together with the Merger, the Mergers). The board of directors of the Company (the Board) has unanimously approved the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, including the Partnership Merger. Capitalized terms used in this Current Report on Form 8-K but not defined herein shall have the meanings ascribed to them in the Merger Agreement.

Pursuant to the terms and subject to the conditions set forth in the Merger Agreement, at the effective time of the Merger (the Effective Time), each share of common stock, par value \$0.01, of ARC Healthcare (ARC Healthcare Common Stock) issued and outstanding immediately prior to the Effective Time (other than shares held by ARC Healthcare, any wholly owned subsidiary of ARC Healthcare, the Company or any wholly owned subsidiary of the Company, which will be cancelled) will be converted into the right to receive, pursuant to an election made by each holder of ARC Healthcare's common stock, (i) \$11.33 in cash or (ii) 0.1688 (the Exchange Ratio) shares of common stock, par value \$0.25, of the Company (Company Common Stock). In no event will the aggregate consideration paid in cash be paid on more than 10% of the shares of ARC Healthcare Common Stock issued and outstanding as of immediately prior to the Effective Time and, if the aggregate elections for payment in cash exceed such 10% threshold, then the amount of cash consideration paid on cash elections will be reduced on a pro rata basis with the remaining consideration paid in Company Common Stock. Non-electing stockholders will receive Company Common Stock based on the Exchange Ratio. Under the Merger Agreement, at the Effective Time, each of ARC Healthcare's outstanding restricted shares will vest in full and will be converted into the right to receive the merger consideration as if they were shares of ARC Healthcare Common Stock.

In addition, at the Effective Time: (i) ARC Healthcare's interest as the general partner of the OP will remain outstanding and constitute the only outstanding general partnership interest in the Surviving Partnership; and (ii) each unit of limited partnership interests in the OP (the OP Units) issued and outstanding immediately prior to the effective time of the Partnership Merger, including the 5,613,374 OP Units to be issued in respect of the termination of the Listing Note Agreement dated April 7, 2014 (the Listing Note Agreement) by and between the OP and American Realty Capital Healthcare Special Limited Partnership, LLC (the SLP), the special limited partner of the OP, will be converted into such number of Class C Units (as defined in the limited partnership agreement of the Surviving Partnership as contemplated by the Merger Agreement to be amended and restated) of the Surviving Partnership as is equal to the Exchange Ratio. For purposes of clause (ii) above, the SLP will be treated as having contributed its right to

distributions from the OP pursuant to its special limited partnership interest in the OP to the OP in exchange for 5,613,374 OP Units. In addition, unless otherwise notified by the Company, prior to the Effective Time, ARC Healthcare has agreed to take or cause to be taken any and all actions necessary or appropriate to terminate ARC Healthcare's Employee and Director Incentive Restricted Share Plan and ARC Healthcare's 2011 Stock Option Plan, contingent on the occurrence of the Effective Time.

ARC Healthcare and the Company have made representations and warranties to each other in the Merger Agreement. Subject to certain exceptions, ARC Healthcare has agreed, among other things, not to solicit, initiate, knowingly encourage or knowingly facilitate any inquiry, discussion, offer or request from third parties regarding other proposals to acquire ARC Healthcare, and not to engage in any discussions or negotiations regarding any such proposal, or furnish to any third party non-public information regarding ARC Healthcare. ARC Healthcare has also agreed to certain other restrictions on its ability to respond to any such proposals. The Merger Agreement also includes certain termination rights for both ARC Healthcare and the Company and provides that, in connection with the termination of the Merger Agreement, under specified circumstances, ARC Healthcare may be required to pay to the Company expense reimbursement in an amount equal to \$10,000,000. The Merger Agreement also provides for the payment of a termination fee by ARC Healthcare in the amount of \$55,000,000 (net of the expense reimbursement, if previously paid) if the Merger Agreement is terminated under specified circumstances.

The completion of the Merger is subject to various customary conditions, including, among others, the approval by ARC Healthcare's stockholders of the Merger, the absence of any law, order or injunction prohibiting the consummation of the Merger, declaration of effectiveness of the registration statement on Form S-4 relating to the shares of Company Common Stock to be issued in the Merger, and authorization of such shares for listing on the New York Stock Exchange, subject to official notice of issuance, the accuracy of the other party's representations and warranties (subject to customary qualifications), the other party's material compliance with its covenants and agreements contained in the Merger Agreement, the absence of any event that has had or would reasonably be expected to have a material adverse effect on the other party since the date of the Merger Agreement, the receipt by each party of opinions to the effect that the Merger will qualify for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, (the Code) and opinions that both ARC Healthcare and the Company will qualify as REITs under the Code, and, in the case of the Company's obligation to complete the Merger, the receipt of required regulatory approvals, and the continued effectiveness of amendments entered into as of the date of the Merger Agreement terminating, immediately prior to and contingent upon the closing of the Merger, certain agreements to which ARC Healthcare is a party, including amendments terminating the Listing Note Agreement, the Third Amended and Restated Advisory Agreement dated as of April 7, 2014 by and among ARC Healthcare, the OP and American Realty Capital Healthcare Advisors, LLC (the Advisor), the Property Management and Leasing Agreement dated February 18, 2011 by and among ARC Healthcare, the OP and American Realty Capital Healthcare Properties, LLC, and ARC Healthcare's 2014 Multi-Year Outperformance Agreement dated as of April 7, 2014 by and among ARC Healthcare, the OP and the Advisor.

The foregoing summary description of the material terms of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the

Merger Agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference in its entirety. The representations and warranties in the Merger Agreement were made as of a specified date, may be subject to a contractual standard of materiality different from what might be viewed as material to stockholders, are subject to scheduled exceptions and may have been used for the purpose of allocating risk between the parties. Accordingly, the representations and warranties in the Merger Agreement are not necessarily and should not be relied on as characterizing the actual state of facts about ARC Healthcare or the Company at the time they were made or otherwise and should only be read in conjunction with the other information that ARC Healthcare and the Company make publicly available in reports, statements and other documents filed with the Securities and Exchange Commission (the SEC).
