-----

Hilltop had solid financial results for the quarter. The Bank's performance was strong, driven by a higher yielding loan portfolio, offset by elevated expenses from the FNB Transaction. Our mortgage business continues to gain market share due to its strong purchase franchise and produced positive results. National Lloyds had year over year improved results from less severe weather, exposure management and ratings initiatives. said Jeremy Ford, CEO of Hilltop.

Additionally, we continue to be excited about combining the customers, employees and cultures of SWS and First Southwest. This pending transaction is part of our focused strategy to build a premier Texas-based bank and prominent diversified financial services company.
