Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

This amendment to Form 4 is being filed to revise the number of securities beneficially owned by the Reporting Person following the (1) Spin-Off (as defined below) reported in the original Form 4 filed on 02/11/2015 due to a recalculation of the relevant conversion rates in respect of performance stock units and employee stock options following completion of the Spin-Off (as defined below).

The securities reported are the result of the conversion of restricted stock and performance share units originally granted by Alliant Techsystems Inc. ("ATK") to the Reporting Person into restricted stock and restricted stock units, respectively, of the Issuer in connection (2) with the spin-off of the Issuer from ATK (the "Spin-Off"). Other than this conversion, these restricted stock units generally have the same terms and conditions, including vesting, as the original ATK performance share units had immediately prior to the Spin-Off. In addition, the securities reported include shares of the Issuer's common stock received by the Reporting Person in connection with the Spin-Off.

Edgar Filing: Vista Outdoor Inc. - Form 4/A

- (3) The securities reported are the result of the conversion of employee stock options originally granted by ATK to the Reporting Person into employee stock options of the Issuer in connection with the Spin-Off.
- (4) Options became exercisable in three equal annual installments beginning July 31, 2014.
- (5) Options become exercisable in three equal annual installments beginning March 11, 2015.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
