Relationships with Selling Shareholder

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form S-3

On November 10, 2017, we entered into a Stock Purchase Agreement (the "Stock Purchase Agreement") with PW Partners, LLC ("PW Partners"). Pursuant to the Stock Purchase Agreement, we sold to PW Partners on behalf of its designated client, the Selling Shareholder, 418,169 shares of our Common Stock (the "Shares") at a

Table of Contents

purchase price of \$3.50 per share (the "Private Placement"). The Stock Purchase Agreement provides further that PW Partners assigned its rights under the Purchase Agreement to the Selling Shareholder; provided, however, that PW Partners retained its obligations under the Stock Purchase Agreement. PW Partners also assigned to the Selling Shareholder its rights under a Registration Rights Agreement between us and PW Partners dated November 10, 2017 (the "Registration Rights Agreement"). The registration statement that includes this prospectus is filed pursuant to the Registration Rights Agreement.

In connection with the Private Placement, the Shares were deposited in a managed account (the "Managed Account") managed by PW Partners for the benefit of the Selling Shareholder. While the Shares are held for the benefit of the Selling Shareholder in the Managed Account, PW Partners retains the right to vote the Shares under the managed account agreement. This voting right may be revoked at any time by the Selling Shareholder. Because of their shared beneficial ownership of the Shares, the following groups may together be considered a "group" for purposes of Rule 13d-1: (1) the group that includes the Selling Shareholder and certain other related entities and individuals (the "Selling Shareholder Group") and (2) the group consisting of PW Partners and certain other affiliates of PW Partners (the "PW Group"). Based on information provided to us by PW Partners, the PW Group is a beneficial owner of approximately 10.2% of the outstanding shares of our Common Stock, including the 418,169 Shares. The Selling Shareholder has disclaimed beneficial ownership of any shares of our Common Stock held by PW Group other than the Shares and has disclaimed the existence of any such Section 13(d) "group" with the PW Group.

Also pursuant to the Stock Purchase Agreement, we agreed to take the necessary steps to cause our Board of Directors (the "Board") to (i) appoint a mutually acceptable nominee selected by PW Partners (the "PW Director"), who must be an independent director, to serve on the Board until the 2018 Annual Meeting of Shareholders, (ii) nominate the PW Director for election to the Board at the 2018 Annual Meeting of Shareholders for a term of office expiring at the 2019 Annual Meeting of Shareholders, (iii) recommend, and reflect such recommendation in our definitive proxy statement in connection with the 2018 Annual Meeting of Shareholders, that the shareholders of the Company vote to elect the PW Director to the Board at the 2018 Annual Meeting of Shareholders, and (iv) solicit, obtain proxies in favor of and otherwise support the election of the PW Director to the Board at the 2018 Annual Meeting of Shareholders, in a manner no less favorable than the manner in which we support other nominees for election at the 2018 Annual Meeting of Shareholders. Pursuant to this provision of the Stock Purchase Agreement, the Board nominated Peter O. Haeg, the co-managing partner of the Selling Shareholder and related entities, for election to the Board at the 2018 Annual Meeting of Shareholders.

Further, in connection with the transactions contemplated by the Stock Purchase Agreement, effective as of November 14, 2017, we appointed Jeffery Crivello, an affiliate of PW Partners, to serve as our Chief Executive Officer. In connection with such appointment, we entered into an employment agreement with Mr. Crivello. Mr. Crivello has also served as a member of the Board since August 24, 2017 and is the Chief Financial Officer of PW Capital.

PLAN OF DISTRIBUTION

The Selling Shareholder may, from time to time, sell, transfer or otherwise dispose of any or all of its shares of Common Stock or interests in shares of Common Stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These dispositions may be at fixed prices, at prevailing market prices at the time of sale, at prices related to the prevailing market price, at varying prices determined at the time of sale, or at negotiated prices.

The Selling Shareholder may use any one or more of the following methods when disposing of shares or interests therein:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- short sales;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- broker-dealers may agree with the Selling Shareholder to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

The Selling Shareholder may, from time to time, pledge or grant a security interest in some or all of the shares of Common Stock owned by it and, if it defaults in the performance of its secured obligations, the pledgees or secured parties may offer and sell the shares of Common Stock, from time to time, under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act of 1933, as amended (the "Securities Act"), amending the list of selling shareholders to include the pledgee, transferee or other successors in interest as selling shareholders under this prospectus. The Selling Shareholder also may transfer the shares of Common Stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form S-3

In connection with the sale of our Common Stock or interests therein, the Selling Shareholder may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the Common Stock in the course of hedging the positions they assume. The Selling Shareholder may also sell shares of our Common Stock short and deliver these securities to close out their short positions, or loan or pledge the Common Stock to broker-dealers that in turn may sell these securities. The Selling Shareholder may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The aggregate proceeds to the Selling Shareholder from the sale of the Common Stock offered by it will be the purchase price of the Common Stock less discounts or commissions, if any. The Selling Shareholder reserves the right to accept and, together with its agents from time to time, to reject, in whole or in part, any proposed purchase of Common Stock to be made directly or through agents.

Table of Contents

The Selling Shareholder also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act of 1933, provided that they meet the criteria and conform to the requirements of that rule.

To the extent required, the shares of our Common Stock to be sold, the names of the selling shareholders, the respective purchase prices and public offering prices, the names of any agents, dealer or underwriter, any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In order to comply with the securities laws of some states, if applicable, the Common Stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the Common Stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

We have advised the Selling Shareholder that the anti-manipulation rules of Regulation M under the Securities Exchange Act of 1934, as amended (the Exchange Act), may apply to sales of shares in the market and to the activities of the Selling Shareholder and its affiliates. In addition, to the extent applicable we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the Selling Shareholder for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The Selling Shareholder may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

We have agreed to indemnify the Selling Shareholder against liabilities, including liabilities under the Securities Act, Exchange Act and state securities laws, relating to the registration of the shares offered by this prospectus.

We have agreed with the Selling Shareholder to use commercially reasonable efforts to keep the registration statement of which this prospectus constitutes a part effective until the earlier of (i) November 10, 2019; (ii) the date on which all shares of Common Stock covered by the registration statement have been distributed to the public either pursuant to the registration statement, Rule 144 or sold in a private transaction in which the transferor's registration rights are not assigned; or (iii) otherwise until there are no longer any shares of Common Stock covered by the registration statement.

DESCRIPTION OF CAPITAL STOCK

The following is a description of the material terms of our Articles of Incorporation, as amended (the "Articles"), and second amended and restated bylaws ("Bylaws") as they are in effect upon the date of this prospectus. They may not contain all of the information that is important to you. To understand them fully, you should read our Articles and Bylaws, copies of which are filed with the SEC as exhibits to the registration statement of which this prospectus is a part.

Capital Stock

As of the date hereof, the Company's authorized capital stock consists of 100,000,000 shares, having a par value of \$.01 per share in the case of Common Stock, and having a par value as determined by the Board in the case of preferred stock, to be held, sold and paid for at such times and in such manner as the Board may from time to time determine in accordance with Minnesota law. The Board is expressly authorized to establish more than one class or series of shares, either preferred or Common, and to fix the relative rights, restrictions and preferences of any such different classes or series, and the authority to issue shares of a class or series to another class or series to effectuate share dividends, splits or conversion of the Company's outstanding shares. The Board also has the authority to issue rights to convert any of the Company's securities into shares of stock of any class or classes, the authority to issue options to purchase or subscribe for shares of stock of any class or classes, and the authority to issue share purchase or subscription warrants or any other evidence of such option rights which set forth the terms, provisions and conditions thereof, including the price at which such shares may be subscribed for or purchased. Such options, warrants and rights may be transferable or nontransferable and separable or inseparable from the Company's other securities.

As of May 11, 2018, 9,069,358 shares of the Company's Common Stock were outstanding, held of record by 336 shareholders and 401,068 options to purchase shares of Common Stock were outstanding. As of the date of this filing, the Board has not provided for or designated any series of preferred stock, and no preferred stock is issued or outstanding.

Voting Rights

Each share of Common Stock entitles the holder to one vote with respect to each matter presented to our shareholders on which the holders of Common Stock are entitled to vote. Our Common Stock votes as a single class on all matters relating to the election and removal of directors on our Board and as provided by law. Holders of our Common Stock will not have cumulative voting rights. Except as otherwise provided in our Articles, Bylaws, or required by law, the shareholders shall take action by the affirmative vote of the holders of a majority of the voting power of the minimum number of the shares entitled to vote that would constitute a quorum for the transaction of business at the meeting.

Dividend Rights

The holders of Common Stock are entitled to receive such dividends as are from time to time declared by the Board out of funds legally available therefore. We have never declared or paid cash dividends on our Common Stock. We currently intend to retain all available funds and any future earnings for use in the operation of our business and do not anticipate paying any dividends on our Common Stock in the foreseeable

future. Any future determination to declare dividends will be made at the discretion of the Board and will depend on such factors as

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form S-3

earnings levels, capital requirements, loan agreement or other contractual restrictions, our financial condition and other factors deemed relevant by the Board.

Liquidation and Other Rights

In the event of our liquidation, dissolution or winding-up, the holders of our Common Stock are entitled to share ratably in all assets remaining after payment of liabilities, subject to prior distribution rights of preferred stock, if any, then outstanding. The holders of our Common Stock have no conversion, redemption, preemptive, subscription or similar rights. There are no sinking fund provisions for or applicable to the Common Stock. The outstanding shares of Common Stock are not liable to further call or to assessment by the Company.

The foregoing description of the Common Stock is qualified in its entirety by the provisions of the Company's Articles and Bylaws, which are filed as Exhibits 3.1 and 3.2 to this Form S-3 and incorporated by reference.

Listing

The Company's Common Stock is listed on the NASDAQ Global Market under the symbol DAVE.

Transfer Agent and Registrar

Wells Fargo Shareowner Services is the transfer agent and registrar for the Company's Common Stock.

Anti-takeover Effects of Minnesota Law and Our Articles and Bylaws

Certain provisions of our Articles and Bylaws may make it less likely that our management would be changed or someone would acquire voting control of our Company without the Board's consent. These provisions may delay, deter or prevent tender offers or takeover attempts that shareholders may believe are in their best interests, including tender offers or attempts that might allow shareholders to receive premiums over the market price of their Common Stock.

Ability to Issue Capital Stock with Preferential Rights without Shareholder Approval

Edgar Filing: FAMOUS DAVES OF AMERICA INC - Form S-3

The Board can at any time, under our Articles, and without shareholder approval, issue more than one class or series of shares, either preferred stock or Common Stock, and to fix the relative rights, restrictions and preferences of any such different classes or series. In some cases, the issuance of classes or series of stock having preferential rights to the shares of common stock that are currently outstanding, without shareholder approval, could discourage or make more difficult attempts to take control of our Company through a merger, tender offer, proxy contest or otherwise. Such classes or series of shares having preferential or special voting rights or other features issued to persons favoring our management could stop a takeover by preventing the person trying to take control of our Company from acquiring enough voting shares necessary to take control.

Advance Notice Provisions for Raising Business or Nominating Directors.

Sections 3.13 and 4.3 of our Bylaws contain advance-notice provisions relating to the ability of shareholders to raise business at a shareholder meeting and make nominations for directors to serve on the Board. These advance-notice provisions generally require shareholders to raise business within a specified period of time

prior to a meeting in order for the business to be properly brought before the meeting. Similarly, our Bylaws prescribe the timing of submissions for nominations to the Board and certain factual and background information respecting the nominee and the shareholder making the nomination.

Item 15. Indemnification of Directors and Officers.***Indemnification Under the Minnesota Business Corporation Act***

The Company is subject to Minnesota Statutes, Chapter 302A, the Minnesota Business Corporation Act. Section 302A.521 of the Minnesota Business Corporation Act provides in substance that, unless prohibited by its articles of incorporation or bylaws, a Minnesota corporation must indemnify an officer or director who is made or threatened to be made a party to a proceeding by reason of the former or present official capacity of the person against judgments, penalties, fines, including, without limitation, excise taxes assessed against the person with respect to an employee benefit plan, settlements, and reasonable expenses, including attorneys' fees and disbursements, incurred by such person in connection with the proceeding, if certain criteria are met. These criteria, all of which must be met by the person seeking indemnification, are as follows: (a) such person has not been indemnified by another organization or employee benefit plan for the same judgments, penalties, fines, including, without limitation, excise taxes assessed against the person with respect to an employee benefit plan, settlements, and reasonable expenses, including attorneys' fees and disbursements, incurred by the person in connection with the proceeding with respect to the same acts or omissions; (b) such person must have acted in good faith; (c) no improper personal benefit was obtained by such person and such person satisfied certain statutory conflicts of interest provisions, if applicable; (d) in the case of a criminal proceeding, such person had no reasonable cause to believe that the conduct was unlawful; and (e) in the case of acts or omissions occurring in such person's performance in an official capacity, such person must have acted in a manner such person reasonably believed was in the best interests of the corporation or, in certain limited circumstances, not opposed to the best interests of the corporation. In addition, Section 302A.521, subd. 3, requires payment by the registrant, upon written request, of reasonable expenses in advance of final disposition in certain instances. A decision as to required indemnification is made by a majority of the disinterested board of directors present at a meeting at which a disinterested quorum is present, or by a designated committee of disinterested directors, by special legal counsel, by the disinterested shareholders, or by a court.

The Company also maintains a director and officer insurance policy to cover the Company, its directors and its officers against certain liabilities.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that that paragraphs (a)(1)(i), (ii) and (iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to

section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
