Item 1.01 Entry into a Material Definitive Agreement

Amendment to ABL Loan Agreement

On October 19, 2018, United Natural Foods, Inc., a Delaware corporation (UNFI), and United Natural Foods West, Inc., a California corporation (collectively, the U.S. Borrowers), UNFI Canada, Inc., a corporation organized under the Canada Business Corporations Act (the Canadian Borrower and, together with the U.S. Borrowers, the ABL Borrowers), the certain financial institutions that are parties thereto as lenders, and Bank of America, N.A. as administrative agent for the Lenders (the ABL Administrative Agent), entered into the First Amendment to Loan Agreement (the Amendment), amending the Loan Agreement, dated as of August 30, 2018 (the ABL Loan Agreement), by and among the ABL Borrowers, the ABL Administrative Agent, the financial institutions party thereto as lenders and the other parties party thereto.

The Amendment provides for, among other things, an increase in the aggregate amount of commitments under the ABL Loan Agreement from \$2,000 million to \$2,100 million and an increase in the aggregate amount of loans made available to the ABL Borrowers at the closing of the acquisition of SUPERVALU INC., a Delaware corporation (SUPERVALU) by UNFI (the Acquisition).

The description of the Amendment in this Form 8-K does not purport to be complete and is qualified in its entirety by reference to the Amendment, which is filed as Exhibit 2.1 to this Form 8-K and is incorporated herein by reference.

Term Loan Agreement

On October 22, 2018 (the Signing Date), UNFI entered into a Term Loan Agreement (the Term Loan Agreement), by and among UNFI and SUPERVALU, as borrowers (collectively, the Term Borrowers), the financial institutions that are parties thereto as lenders (collectively, the Lenders), Goldman Sachs Bank USA, as administrative agent for the Lenders (the TLB Administrative Agent) and as collateral agent for the Lenders, and the other parties party thereto.

The material terms of the Term Loan Agreement are as follows:

Availability

The Term Loan Agreement provides for senior secured first lien term loans in an aggregate principal amount of \$1,950,000,000, consisting of a \$1,800,000,000 term loan B tranche (the Term B Tranche) and a \$150,000,000 364-day tranche (the 364-day Tranche and, together with the Term B Tranche,

collectively, the Term Facility). The entire amount of the proceeds from the Term Facility were used to finance the Acquisition and related transaction costs.

Under the Term Loan Agreement, the Term Borrowers may, at their option, increase the amount of the Term B Tranche, add one or more additional tranches of term loans or add one or more additional tranches of revolving credit commitments, without the consent of any Lenders not participating in such additional borrowings, up to an aggregate amount of \$656,250,000 plus additional amounts based on the satisfaction of certain leverage ratio tests, subject to certain customary conditions and applicable lenders committing to provide the additional funding. There can be no assurance that additional funding would be available.

Maturity

The loans under the Term B Tranche will be payable in full on October 22, 2025; *provided* that if on or prior to December 31, 2024 that certain Agreement for Distribution of Products, dated as of October 30, 2015, by and between Whole Foods Market Distribution, Inc., a Delaware corporation, and UNFI has not been extended until at least October 23, 2025 on terms not materially less favorable, taken as a whole, to UNFI and its subsidiaries than those in effect on the date of the Acquisition, then the loans under the Term B Tranche will be payable in full on December 31, 2024. The loans under the 364-day Tranche will be payable in full on October 21, 2019.

Guarantees and Collateral

The Term Borrowers' obligations under the Term Facility are guaranteed by most of the UNFI's wholly-owned domestic subsidiaries (including those entities that became subsidiaries of UNFI on the Signing Date following consummation of the Acquisition) who are not also Term Borrowers (collectively, the Guarantors), subject to customary exceptions and limitations. The Term Borrowers' obligations under the Term Facility and the Guarantors' obligations under the related guarantees are secured by (i) a first-priority lien on substantially all of the Term Borrowers' and the Guarantors' assets other than the ABL Priority Collateral (as defined below) (in each case, subject to customary exceptions and limitations) and (ii) a second-priority lien on substantially all of the Term Borrowers' and the Guarantors' accounts receivable, inventory and certain other assets arising therefrom or related thereto (collectively, the ABL Priority Collateral) (including, without limitation, substantially all of their deposit accounts) (in each case, subject to customary exceptions and limitations).

Interest and Fees

The borrowings of the Term Borrowers under the Term Facility bear interest at rates that, at the Term Borrowers' option, can be either:

- A base rate generally defined as the sum of (i) the highest of (w) the TLB Administrative Agent's prime rate, (x) the average overnight federal funds effective rate plus one-half percent (0.50%) per annum, (y) one-month LIBOR plus one percent (1%) per annum and (z) one percent (1%) per annum and (ii) (A) with respect to the Term B Tranche, 3.25% and (B), with respect to the 364-day Tranche, 1.00%; or
- A LIBOR rate generally defined as the sum of (i) the London Interbank Offered Rate (as published on the applicable Bloomberg screen page, or other commercially available source) and (ii) (A) with respect to the Term B Tranche, 4.25% and (B), with respect to the 364-day Tranche, 2.00%; provided that the LIBOR rate shall never be less than zero percent (0.0%).

Certain Covenants and Representations and Warranties

The Term Loan Agreement contains customary representations and warranties and affirmative covenants. The Term Loan Agreement also includes negative covenants that limit, among other things, additional indebtedness, transactions with affiliates, additional liens, sales of assets, dividends, investments and advances, prepayments of debt and mergers and acquisitions.

Events of Default

The Term Loan Agreement contains customary events of default, including, but not limited to, payment defaults, breaches of representations and warranties, covenant defaults, events of bankruptcy and insolvency, failure of any guaranty or security document supporting the Term Facility to be in full force and effect, and a change of control. If an event of default occurs and is continuing, the Term Borrowers may be required immediately to repay all amounts outstanding under the Term Loan Agreement.

The description of the Term Loan Agreement in this Form 8-K does not purport to be complete and is qualified in its entirety by reference to the Term Loan Agreement, which is filed as Exhibit 2.2 to this Form 8-K and is incorporated herein by reference.
