Shares reflect the vesting of the fourth tranche of market-leveraged stock units granted in February 2015 at 200% of target based on our absolute total stockholder return in excess of 10% during the 2015-2018 performance period, plus dividend equivalents accrued during the period.

Shares reflect the vesting of the third tranche of market-leveraged stock units granted in February 2016 at 188% of target based on our absolute total stockholder return in excess of 10% during the 2016-2018 performance period, plus dividend equivalents accrued during the period.

Shares reflect the vesting of the second tranche of market-leveraged stock units granted in February 2017 at 137% of target based on our absolute total stockholder return in excess of 10% during the 2017-2018 performance period, plus dividend equivalents accrued during the period.

The first tranche of market-leveraged stock units granted in February 2018 were cancelled since the threshold level of performance was not achieved based on our absolute total stockholder return during the 2018 performance period.

Shares reflect the vesting of performance units granted in February 2016 at 200% of target, 75% based on LGM's cumulative economic value added and 25% on our relative total stockholder return.

Market-leveraged stock units vest 25% over one-, two-, three- and four-year performance periods, with the number of shares paid on each vesting date based on the percentage change in the Company's stock price, plus dividend equivalents accrued during the vesting period. Each market-leveraged stock unit represents a contingent right to receive one share of Avery Dennison Corporation common stock, plus dividend equivalents.

Performance units vest, if at all, at the end of fiscal year 2021, provided certain performance objectives are met as determined by the Compensation Committee in February 2022. Each performance unit represents a contingent right to receive one share of Avery Dennison Corporation common stock.
