Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Compensatory Arrangements of Certain Officers

On February 19 and 20, 2013, the Compensation Committee and the Board of Directors of Northrop Grumman Corporation (the "Company") approved the following compensation-related actions for the Company's named executive officers (other than Gary Ervin and James Pitts who ceased serving as executive officers effective December 31, 2012).

Approved no change in base salaries or annual incentive percentage targets under the 2002 Incentive Compensation Plan for 2013 for the named executive officers.

Awarded Restricted Performance Stock Rights ("RPSR") for the performance period 2013-2015 and approved the metrics for such RPSR awards, which continue to be measured in terms of relative total shareholder return, and awarded Restricted Stock Rights ("RSR") that will vest on February 20, 2016. Of the awards granted, 70% were comprised of RPSRs and 30% were comprised of RSRs. Similar to 2012, the Compensation Committee did not award any stock options.

The Compensation Committee also approved the terms of the 2013 RPSR and RSR awards for the named executive officers. Material terms of the awards are as follows:

The RPSRs vest based on performance goals established by the Compensation Committee for the performance period. The RPSRs are payable in shares of Northrop Grumman common stock or, in the Compensation Committee's discretion, in cash or a combination of cash and common stock. Shares of common stock that are paid out under the RPSR award can vary from 0% to 150% of the original RPSR award granted. The vesting percentage is capped at 100% if absolute TSR is negative, even if the relative TSR would have resulted in a higher pay out percentage. Dividends accrue on RPSR awards earned and will be paid out upon payment of RPSRs. RPSR awards vest upon death, disability, retirement or a termination of employment following a change in control subject to the provisions set forth in the award agreement. The Company has the right to cancel all unvested awards and recover any vested awards if the participant violates the non-competition and non-solicitation requirements set forth in the agreement. Participants are required to hold 50% of the net shares of common stock received upon payment of the RPSRs until the earlier of (1) the participant's death, disability or termination following a change in control or (2) the third anniversary of the date that the shares are paid; provided that the holding period will not apply for RPSRs paid out more than one year after termination.

The RSRs vest three years from the date of grant. The RSRs are payable in Northrop Grumman common stock or, in the Compensation Committee's discretion, in cash or a combination of cash and common stock. Dividends accrue on RSR awards earned and will be paid upon the payment of the RSRs. The RSR awards partially or fully vest upon death, disability, retirement or termination of employment following a change in control. The Company has the right to cancel all unvested awards and recover any vested awards if the participant violates the non-competition and non-solicitation requirements set forth in the agreement. Participants are required to hold 50% of the net shares of common stock received upon payment of the RSRs until the earlier of (1) the participant's death, disability or termination following a change in control or (2) the third anniversary of the date that the shares are paid.
