Controls and Procedures

Disclosure controls and procedures are defined by the Securities and Exchange Commission as those controls and procedures that are designed to ensure that information required to be disclosed in our filings under the U.S. Securities Exchange Act of 1934, as amended (the Exchange Act) is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission rules and forms. The disclosure committee of the Trust (the Disclosure Committee) and the management of the Trust are responsible for establishing and maintaining adequate disclosure controls and procedures for the Trust. This involves ensuring that appropriate disclosure controls and procedures are in place and operating effectively. As of December 31, 2005, an evaluation was carried out under the supervision of and with the participation of the Trust's management, including the principal executive officer and principal financial officer, of the effectiveness of the Trust's disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) of the *Exchange Act*). Based on that evaluation, our principal executive officer and principal financial officer have determined that such disclosure controls and procedures are effective. The Disclosure Committee adopted a new policy in 2005 relating to the establishment and maintenance of effective controls and procedures. There was no change in the Trust's internal control over financial reporting that occurred during the period covered by this annual report on Form 40-F that has materially affected, or is reasonably likely to materially affect, the Trust's internal controls over financial reporting.

Code of Ethics for Principal Executive Officer and Senior Financial Officers

The Trust and Fording (GP) ULC have adopted a Joint Code of Business Conduct that applies to all employees, including the Trust's principal executive officer, principal financial officer, principal accounting officer or controller, and persons performing similar functions. This code is available on the Trust's web site at www.fording.ca and in print to any unitholder who requests it. All amendments to the code, and all waivers of the code with respect to any of the principal executive or financial officers covered by it, will be posted on the Trust's web site and provided in print to any unitholder who requests them. There were no amendments to or waivers of the Joint Code of Business Conduct in 2005.

Audit Committee*Identification of Audit Committee*

The Trust has a separately-designated standing audit committee established in accordance with Exchange Act regulations. The following trustees constitute such Audit Committee: Harry G. Schaefer, F.C.A., committee chairman; Michael S. Parrett, C.A.; and Peter Valentine, F.C.A. Each of these trustees has been determined by the trustees of the Trust to be independent and financially literate as those terms are defined by the New York Stock Exchange for audit committee members.

Audit Committee Financial Expert

The trustees of the Trust have determined that more than one member of the Audit Committee meets the legal requirements of an audit committee financial expert. Of those members, Harry G. Schaefer, F.C.A. is designated as an audit committee financial expert.

The Audit Committee has delegated authority to the Audit Committee Chair to review and evaluate proposals from management to have non-audit services performed by the Trust's principal auditors.
