Item 1.01.

Entry into a Material Definitive Agreement.

On July 25, 2012, the Board of Directors (the “Board”) of MGIC Investment Corporation (the “Company”) approved amendments to the Company’s existing Amended and Restated Rights Agreement (the “2009 Rights Agreement”), dated as July 7, 2009 (as amended through June 19, 2012), by adopting an Amended and Restated Rights Agreement (the “Rights Agreement”) between the Company and Wells Fargo Bank, National Association, as Rights Agent (the “Rights Agent”), dated as of July 25, 2012.

On July 22, 1999, pursuant to a previous rights agreement, the Board declared a dividend of one common share purchase right (a “Right”) for each outstanding share of common stock, \$1.00 par value (the “Common Shares”), of the Company. The dividend was payable on August 9, 1999 to the shareholders of record on that date (the “Record Date”). On July 7, 2009, our Board amended the previous rights agreement and adopted the 2009 Rights Agreement in an effort to protect shareholder value by attempting to diminish the risk that the Company’s ability to use its net operating losses (“NOLs”) to reduce potential future federal income tax obligations may become substantially limited and by deterring certain abusive takeover practices. The material amendments made to the 2009 Rights Agreement by the Rights Agreement extend the expiration date until August 1, 2015 from August 17, 2012 and decrease the exercise price from \$25 to \$14.

We provide the following summary description of the Rights Agreement. Please note, however, that the description of the amendments above and the following description of the Rights Agreement are only summaries, and are not complete, and should be read together with the entire Rights Agreement, which is Exhibit 4.1 to this Current Report on Form 8-K and incorporated herein by reference. A copy of the Rights Agreement is available free of charge from our Company.

The Rights. The Rights will initially trade with, and will be inseparable from, the Common Shares. The Rights are evidenced only by certificates that represent Common Shares. New Rights will accompany any new Common Shares we issue until the Distribution Date described below or until the Rights are redeemed or the Rights Agreement expires.

Exercise Price. Each Right will allow its holder to purchase from our Company one-half of one Common Share for \$14.00 per full Common Share (equivalent to \$7.00 for each one-half of a Common Share), once the Rights become exercisable. Prior to exercise, the Right does not give its holder any dividend, voting, or liquidation rights.

Exercisability. The Rights will not be exercisable until the earlier of (1) 10 days after the public announcement, or the Board concluding, that a person or group has become an “Acquiring Person” by obtaining beneficial ownership of 5.0% or more of our outstanding Common Shares, subject to certain exceptions, or (2) 10 business days (or such later date as the Board shall determine) following the commencement of a tender offer or exchange offer that would result in a person or group becoming an “Acquiring Person.”

We refer to the date when the Rights become exercisable as the “Distribution Date.” Until that date, the certificates for the Common Shares will also evidence the Rights, and any transfer of Common Shares will constitute a transfer of Rights. After that date, the Rights will separate from the Common Shares and be evidenced by book entry credits or by Rights certificates that we will mail to all eligible holders of Common Shares. Any Rights held by an Acquiring Person are void and may not be exercised.

Flip In. If a person or group becomes an Acquiring Person, all holders of Rights except the Acquiring Person may, for \$14.00, purchase Common Shares with a market value of \$28.00, based on the market price of the Common Shares prior to such acquisition.

Expiration. The Rights will expire on August 1, 2015, subject to extension or earlier expiration of the Rights as provided under the Rights Agreement.

Redemption. Our Board may redeem the Rights for \$0.001 per Right at any time before any person or group becomes an Acquiring Person. If our Board redeems any Rights, it must redeem all of the Rights. Once the Rights are redeemed, the only right of the holders of Rights will be to receive the redemption price of \$0.001 per Right. The redemption price will be adjusted if we have a stock split or stock dividends of our Common Shares.

Exchange. After a person or group becomes an Acquiring Person, but before an Acquiring Person owns 50% or more of our outstanding Common Shares, our Board may extinguish the Rights by exchanging one Common Share or an equivalent security for each Right, other than Rights held by the Acquiring Person.

Anti-Dilution Provisions. Our Board may adjust the purchase price of the Common Shares, the number of Common Shares issuable and the number of outstanding Rights to prevent dilution that may occur from a stock dividend, a stock split or a reclassification of the Common Shares. No adjustments to the Exercise Price of less than 1% will be made.

Amendments. The terms of the Rights Agreement may be amended by our Board without the consent of the holders of the Rights. After a person or group becomes an Acquiring Person, our Board may not amend the Rights Agreement in a way that adversely affects holders of the Rights.
