Time and Place of the Annual Meeting

The Annual Meeting will be held as follows:

Date:	Tuesday, April 13, 2010
Time:	5:30 p.m. Eastern Standard Time
Place:	Bank of South Carolina Corporation, 256 Meeting Street, Charleston South Carolina

Matters to be Considered at the Annual Meeting

At the meeting you will be asked to consider and vote upon the following proposals:

Proposal 1: Election of seventeen Directors of Bank of South Carolina Corporation to serve until the Company's 2011 Annual Meeting of Shareholders.

Proposal 2: Approval of the 2010 Omnibus Stock Incentive Plan including 300,000 shares to be reserved under this plan.

Proposal 3: Ratification of the appointment of Elliott Davis, LLC as independent certified public accountants for 2010.

Proposal 4: Transaction of such other business as may come before the meeting.

Who is Entitled to Vote?

The Board of Directors of the Company has fixed the close of business on February 26, 2010 as the record date for shareholders entitled to notice of and to vote at the Annual Meeting of shareholders. Only holders of record of Bank of South Carolina Corporation's Common Stock on that date are entitled to notice of and to vote at the Annual Meeting. Each shareholder is entitled to one vote for each share of Bank of South Carolina Corporation Common Stock that the shareholder owns; provided, however, that shareholders have cumulative voting rights for the election of Directors. The right to cumulate votes means that the shareholders are entitled to multiply the number of votes they are entitled to cast by the number of Directors for whom they are entitled to vote and cast the product for a single candidate or distribute the product among two or more candidates. On February 26, 2010, there were 4,002,910 shares of Bank of South Carolina Corporation's Common Stock outstanding and entitled to vote at the Annual Meeting.

How Do I Vote at the Annual Meeting?

Edgar Filing: BANK OF SOUTH CAROLINA CORP - Form DEF 14A

Proxies are solicited to provide all shareholders of record on the voting record date an opportunity to vote on matters scheduled for the Annual Meeting and described in these materials. You are a shareholder of record if your shares of Bank of South Carolina Corporation Common Stock are held in your name. If you are a beneficial owner of Bank of South Carolina Corporation Common Stock held by a broker, bank or other nominee (i.e., in “street name”), please see the instructions in the following question.

Shares of Bank of South Carolina Corporation Common Stock can only be voted if the shareholder is present in person or by Proxy at the Annual Meeting. To ensure your representation at the Annual Meeting, the Board recommends that you vote by Proxy even if you plan to attend the Annual Meeting. You can always change your vote at the meeting if you are a shareholder of record.

Voting instructions are included in this material. Shares of Bank of South Carolina Corporation Common Stock represented by properly executed Proxies will be voted by the individuals named on the Proxy (selected by The Board of Directors) in accordance with the shareholder's instructions. Where properly executed Proxies are returned with no specific instructions as how to vote at the Annual Meeting, the persons named in the Proxy will vote the shares "For" the election of each of the Director nominees, "For" the ratification of the appointment of Elliott Davis, LLC and "For" the approval of the Incentive Stock Option Plan. If any other matters are properly presented at the Annual Meeting for action, the persons named in the enclosed Proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment.

As a shareholder of Bank of South Carolina Corporation Common Stock, you may receive more than one Proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate Proxy cards to vote.

What if My Shares Are Held in Street Name?

If you are a beneficial owner of shares held in street name by a broker, your broker, as the record holder of the shares, is required to vote the share in accordance with your instructions. If your Common Stock is held in street name, you will receive instructions from your broker that you must follow in order to have your shares voted. Your broker may allow or require you to deliver your voting instructions via the telephone or the Internet. Please see the instructions that are provided by your broker. If you do not give your instructions to your broker, your broker may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items. In the case of non-discretionary items, shares not voted are treated as "broker non-votes" and not entitled to vote. The proposal to elect Directors described in this Proxy Statement is considered a non-discretionary item under the rules governing brokers that are members of the New York Stock Exchange; therefore, you must provide instructions to your broker in order to have your shares voted in the election of Directors.

If your shares are held in street name, you will need proof of ownership to be admitted to the Annual Meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of ownership. If you want to vote your shares of Common Stock held in street name in person at the Annual Meeting, you will have to get a written Proxy in your name from the broker, bank or other nominee who holds your shares.

The solicitation of Proxies on behalf of the Board of Directors is conducted by Directors, officers and regular employees of the Company and its wholly owned subsidiary, The Bank of South Carolina (the "Bank"), at no additional compensation over regular salaries. The cost of printing and mailing of all Proxy materials has been paid by the Company. Brokers and others involved in handling and forwarding the Proxy materials to their customers having beneficial interests in the stock of the Company registered in the names of Nominees will be reimbursed for their reasonable expenses in doing so.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by Proxy, of at least a majority of the shares of Bank of South Carolina Common Stock entitled to vote at the Annual Meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the shareholders present or represented by Proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the meeting is adjourned for 30 days or more. An adjournment will have no effect on the business that may be conducted at the meeting.

Will Cumulative Voting Apply for the Election of Directors?

The solicitation of Proxies on behalf of the Board of Directors includes a solicitation for discretionary authority to cumulate votes.

May I Revoke My Proxy?

Any Shareholder executing a Proxy for the meeting on the Proxy Form provided may revoke the Proxy in writing delivered to the President of the Company prior to the meeting or by attending the meeting and voting in person.

Proposal 1-Election of Directors

The Board of Directors consists of 17 members elected annually. During 2009, C. Ronald Coward resigned from the Board of Directors due to personal reasons. Therefore, the Board of Directors proposes that the 16 nominees described below, each of whom is currently serving as Director, be re-elected for a new term expiring at the 2011 Annual Meeting of Shareholders and until their successors are duly elected and qualified. In addition the Nominating Committee of the Company Board of Directors recommended at its December 17, 2009 meeting to approve Sheryl G. Sharry Executive Vice President of the Bank and Corporation, for nomination to the Board of Directors. This recommendation was approved by the Board of Directors and will be voted on at the 2010 Annual Meeting.

Each of the nominees has consented to be named as a nominee. If any of them should become unavailable to serve as a Director (which is not now expected), the Board may designate a substitute nominee.

The Board of Directors believes that it is necessary for each of the Company's Directors to possess many qualities and skills. When searching for new candidates, the Nominating Committee (Corporate Governance Committee) considers the evolving needs of the Board of Directors and searches for candidates that fill any current or anticipated future gap. The Board of Directors also believes that all Directors must possess a considerable amount of business management (such as experience as Chief Executive or Chief Financial Officer) and educational experience. The Nominating Committee first considers management experience and then considers issues of judgment, background, stature, conflicts of interest, integrity, ethics and commitment to the goal of maximizing shareholder value when considering Director candidates. The Nominating Committee focuses on issues of diversity, such as diversity in gender, race and national origin, education, professional experience and differences in viewpoints and skills. The Nominating Committee does not have a formal policy with respect to diversity; however the Board of Directors and the Nominating Committee believe that it is essential that the Board members represent diverse viewpoints. In considering candidates for the Board of Directors, the Nominating Committee considers the entirety of each candidate's credentials in the context of these standards. With respect to the nomination of continuing Directors for re-election, the individual's contributions to the Board of Directors are also considered.

All Board members bring to the Board of Directors a wealth of leadership experience derived from their extensive business and Board experiences. The process undertaken by the Nominating Committee in recommending qualified Director candidates is described below under "Corporate Governance-Director Nomination Process" (see pages 14 -16 of this Proxy Statement). Certain individual qualifications and skills of our Directors that contribute to the Board of Directors effectiveness as a whole are described in the following paragraphs.

The name of each Nominee designated by the Board of Directors of the Company for election as a Director of the Company and certain information provided by such Nominee to the Company are set forth in the table below. All of the above six Directors of the Bank were elected to serve one-year terms at subsequent Annual Meetings. MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE MATTERS

Board of Directors

Bank of South Carolina Corporation's Board of Directors conducts its business through Board meetings and through its committees. Hugh C. Lane, Jr. presently serves as Chairman of the Board of Directors. The Board of Directors of the Company held 6 meetings (including all regularly scheduled and special meetings) during the year ended December 31, 2009. No Directors attended fewer than 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board of Directors on which they served.

Board Leadership Structure

The Board believes that the Company's President and Chief Executive Officer is best situated to serve as Chairman because he is the Director most familiar with the Company's business and industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. Independent Directors and management have different perspectives and roles in strategy development. The Company's independent Directors bring experience, oversight and expertise from outside the Company and industry, while the Chief Executive Officer brings Company-specific experience and expertise. The Board believes that the combined role of Chairman and Chief Executive Officer promotes strategy development and executions, and facilitates information flow between management and the Board, which are essential to effective governance.

One of the key responsibilities of the Board is to develop strategic direction and hold management accountable for the execution of strategy once it is developed. The Board believes the combined role of Chairman and Chief Executive Officer together with an independent Lead Director having the duties described below is the best interest of stockholders as it provides the appropriate balance between strategy development and independent oversight of management.

Lead Director

Thomas C. Stevenson, III, an independent Director who serves as Chairman of the Loan Committee, was selected by the Board of Directors to serve as the Lead Director for all meetings of the non-management Directors held in Executive Session. Non-management Directors of the Board are required to meet on a regular scheduled basis without the presence of management (IM-5605-2 NASDAQ Corporate Governance Rules). The Lead Director chairs these sessions.

Risk Management

The Board has an active role, as a whole and also at the committee level, in overseeing the management of the Company's risks. The Board regularly reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each. The Audit Committee oversees the management of financial risks. The Nominating Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks.

Committees and Committee Charters

The Board has four committees: the Executive/Long-Range Planning Committee, the Compensation Committee, the Nominating Committee, and the Audit and Compliance Committee. Each Committee serves in a dual capacity as a

Committee of the Company and the Bank.

The Nominating Committee has a policy with regard to consideration of any Director candidates recommended by security holders and that policy is to consider any and all such recommendations. The Nominating Committee has adopted specific minimum qualifications which the Nominating Committee believes must be met by a Nominating Committee recommended Nominee for a position on the Company's Board of Directors, and those are that such Nominee must be generally recognized as successful in such Nominee's business or community efforts, have a generally recognized reputation for honesty and integrity, have demonstrated such Nominee's commitment to the community in which the Company and its subsidiary Bank operates and have demonstrated in meetings with the Nominating Committee such Nominee's commitment to the best interests of the Company, its subsidiary Bank, and their officers, Directors, employees and shareholders. The Nominating Committee's process for identifying and evaluating Nominees for Director of the Company and its subsidiary Bank, including Nominees recommended by security holders, is to investigate whether or not such Nominee meets the specific minimum qualifications adopted as a policy by the Nominating Committee through contacts the members of the Nominating Committee have in their community. There are no differences in the manner in which the Nominating Committee evaluates Nominees for Director based on whether the Nominee is recommended by a security holder.

The Company does not utilize or pay a fee to any third party (compensation consultant) to evaluate Nominees for Director.

PROPOSAL 2 - APPROVE THE 2010 OMNIBUS STOCK OPTION PLAN INCLUDING 300,000 SHARES TO BE RESERVED UNDER THIS PLAN

The Board of Directors recommends that shareholders vote in favor of the 2010 Omnibus Stock Incentive Plan. If approved, the proposed Stock Incentive Plan would set aside 300,000 shares of the currently authorized but unissued and unreserved 4,202,411 shares of no par value Common Stock for options to be granted to eligible employees of the Company or of a subsidiary, including employees who are members of the Board of Directors. At February 26, 2010, eligible employees included 69 full time employees. The full time employees include 4 Executive Officers all of whom are nominees for the Board of Directors. Non-employee Directors of the Company would not be granted options under the Stock Incentive Plan.

Approval of the 2010 Omnibus Stock Incentive Plan Will Facilitate the Attraction, Retention and Motivation of Talented Employees Critical to the Company's Success

The 2010 Omnibus Stock Incentive Plan is the sole plan for providing equity incentive compensation to eligible employees and employee Directors. The Board of Directors believe that the 2010 Omnibus Stock Incentive Plan is in the best interest of shareholders and the Company, as equity awards granted under the plan help to attract, motivate, and retain talented employees and employee Directors, align employee and shareholder interests, link employee compensation with Company performance, and maintain a culture based on employee stock ownership. The following summary of major features of the 2010 Omnibus Stock Incentive Plan is qualified in its entirety by reference to the actual text of the Plan, set forth in Exhibit A.

Approval of the 2010 Omnibus Stock Incentive Plan Will Allow the Company to Follow Equity Compensation "Best Practices"

The 2010 Omnibus Stock Incentive Plan contains a number of provisions that the Board believes are consistent with the interest of shareholders and sound corporate governance practices:

- **Limitation on Shares Issued** Assuming the passage of the 2010 Omnibus Stock Incentive Plan, no more than 300,000 total shares of Bank of South Carolina Corporation Common Stock will be authorized for issuance.
- **No Discounted Stock Options** All stock options must have an exercise price equal to or greater than 100% of the fair market value on Bank of South Carolina Corporation Common Stock on the date of grant.

- Shareholder Approval The Board of Directors may amend or terminate this Plan from time to time; provided, however, that no amendment may become effective until shareholder approval is obtained. In no event will there be any amendment changing the option price, decreasing the option price after the grant of an option, increasing the period of the option or increasing the aggregate shares available for option except upon compliance with the above requirements.

- **Vesting** Options will vest with respect to twenty percent (20%) of the shares subject to the option on the fifth anniversary of the date of the grant and with respect to an additional twenty percent (20%) of the shares subject to the option on each subsequent anniversary of the date of grant so that the option shall be fully vested and fully exercisable on the tenth anniversary of the date of grant. The right to exercise each such twenty percent (20%) increment of any option will be cumulative and will not expire until the tenth anniversary of the date of grant. Options to an employee, who at the time of the grant, directly or indirectly owns more than 10% of the total combined voting power of the Common Stock of the Company or of a subsidiary, shall be fully vested and fully exercisable on the fifth anniversary of the date of grant.
- **Forfeitures** If an option is terminated, in whole or in part, for any reason other than its exercise, the number of shares of Bank of South Carolina Corporation Common Stock allocated to the option or portion thereof may be reallocated to other options to be granted under the Plan.
- **Nontransferability** Any option granted under this Plan shall be nontransferable except by will or by the laws of descent and distribution. In the event of any such transfer, the option must be transferred to the same person or persons, entity or entities. During the lifetime of a participant to whom an option is granted, the option may be exercised only by the participant. No right or interest of a participant in any option shall be liable for, or subject to, any lien, obligation or liability of such participant.
- **Committee** The 2010 Omnibus Stock Incentive Plan shall be administered by the Executive Committee of the Board of Directors for non- executive employees. The Board of Directors shall administer the 2010 Omnibus Stock Incentive Plan to Executive Officers.

Background on Equity Compensation at The Bank of South Carolina

The Company has been granting stock options to officers and other key employees since 1998. One Hundred Eighty Thousand shares were reserved under the 1998 Omnibus Stock Incentive Plan. As adjusted for a 10% stock dividend, a 10% stock distribution and a 25% stock dividend, 272,250 total shares were reserved under the 1998 Omnibus Stock Incentive Plan. A total of 317,692 options were granted with 83,983 options forfeited leaving 38,541 shares that were not granted under this Plan.

On April 14, 2008, the 1998 Omnibus Stock Incentive Plan expired. According to the Plan, no options may be granted under this Plan after the expiration date. The options granted before this date remain valid in accordance with their terms. There are outstanding granted options of 79,087 under the 1998 Omnibus Stock Incentive Plan that are exercisable in 20% increments beginning on the fifth anniversary of the date of grant. The right to exercise each such 20% of each option is cumulative and will not expire until the 10th anniversary of the date of the grant. There were 154,622 options exercised under this Plan.

Summary of the 2010 Omnibus Stock Incentive Plan

If approved, the proposed Stock Incentive Plan would set aside 300,000 shares of the currently authorized but unissued and unreserved 4,202,411 shares of the no par value Common Stock for options to be granted to eligible employees of the Company or of a subsidiary, including employees who are members of the Board of Directors. Non-employee Directors of the Company would not be granted options under the Stock Incentive Plan. The Stock Incentive Plan would be administered by the Executive Committee (exclusive of members who are also Executive Officers of the Company) of the Board of Directors. No member of the Executive Committee would be a beneficiary of the Stock Incentive Plan.

Options under the Stock Incentive Plan will be granted by the Board of Directors to eligible employees upon recommendation of the Executive Committee and will be vested with respect to twenty percent (20%) of the shares subject to the option on the fifth anniversary of the date of the grant and with respect to an additional twenty percent (20%) of the shares subject to the option on each subsequent anniversary of the date of the grant so that the option shall be fully vested and fully exercisable on the tenth anniversary of the date of grant. The right to exercise each such twenty percent (20%) increment of any option will be cumulative and will not expire until the tenth anniversary of the date of the grant.

The option price would be the Fair Market Value on the date of the grant (determined as of the day preceding the date of exercise which is not less than the option price). In the case of an employee, who at the time of the grant, directly or indirectly owns more than ten percent (10%) of the total combined voting power of the Common Stock of the Company or of a subsidiary, the option price would be one hundred ten percent (110%) of the market price on the date of grant.

The exercise of an option is to be by payment in full of the exercise price by cashiers check or by the surrender of shares of Company Common Stock with an aggregate fair market value (determined as of the day preceding the date of exercise) which is not less than the option price, or a combination of cash and Company Common Stock. All options would expire in ten (10) years, except in the case of termination of employment, retirement or legal disability, all as described below, and except for an option to an employee who, at the time of the grant, directly or indirectly owns more than ten percent (10%) of the total combined voting power of the Common Stock of the Company or of a subsidiary, which option would expire in five (5) years.

In the case of termination of an option holder other than involuntary termination without just cause, retirement, death or legal disability, the option holder may exercise the option only with respect to those shares of Company Common Stock as to which he or she has become vested. The option holder may exercise the option with respect to such shares no more than thirty (30) days after the date of termination of employment (but in any event prior to the expiration date).

In the event that the option holder's employment is terminated without just cause, the option shall become fully vested and fully exercisable as of the date of his or her termination without regard to the five (5) year initial vesting and exercisability or to the twenty percent (20%) annual increments thereafter. The option holder may exercise the option following an involuntary termination without just cause until the expiration date of the option.

In the event that the option holder remains in the continuous employ of the Company or a subsidiary from the date of the grant until the option holder's retirement, the option shall become fully vested and fully exercisable as of the date of his or her retirement without regard to the five (5) year initial vesting and exercisability or to the twenty percent (20%) annual increments thereafter. The option holder may exercise the option following his or her retirement until the expiration date.

In the event the option holder remains in the continuous employ of the Company or a subsidiary from the date of the grant until his or her death, the option shall become fully vested and fully exercisable as of the date of death without regard to the five (5) year initial vesting and exercisability or to the twenty percent (20%) annual increments thereafter. The person or persons entitled to exercise the option following the option holder's death may exercise the option until the expiration date.

In the event that the option holder remains in the continuous employ of the Company or a subsidiary from the date of the grant until the date of his or her legal disability, the option shall become fully vested and fully exercisable as of the date of his or her legal disability without regard to the five (5) year initial vesting and exercisability or to the twenty percent (20%) annual increments thereafter. The option holder may exercise the option following such termination until the expiration date.

The Stock Incentive Plan would provide for adjustment in the number of shares of Common Stock authorized under the Plan or granted to an optionee to protect against dilution in the event of changes in the Bank's capitalization, including stock splits and dividends.

In the event of a prospective reorganization, consolidation or sale of substantially all of the assets or any other form of corporate reorganization in which the Bank would not be the surviving entity; or in the event of the acquisition,

directly or indirectly, of the beneficial ownership of twenty four (24%) of the Common Stock of the Company; or the making, orally or in writing, of a tender offer for or any request or invitation for tender of, or any advertisement making or inviting tenders of the Bank stock by any person, all options in effect a the time would accelerate so that all options would become immediately exercisable and could be exercised within one year immediately following the date of acceleration but not thereafter.

Although all options granted under the Stock Incentive Plan would be intended to be “incentive stock options” within the meaning of Section 422A of the Internal Revenue Code of 1986, to the extent that any options granted under the Stock Incentive Plan failed to qualify as incentive stock options they would be permitted as non-qualified options under the Stock Incentive Plan. In addition, the Compensation Committee would have the authority, in its sole discretion, to grant non-qualified options to eligible employees.

An option granted under the Stock Incentive Plan of the Company may be either an incentive stock option (ISO) or a non-qualified option. Although the intent is to issue only ISOs, if the option granted fails to meet the strict test of Internal Revenue Code Section 422A, the Plan includes a provision to issue the option as a non-qualified option. The tax treatment varies for the different type of options.

The Company generally is not entitled to a deduction when it issues ISOs; however, if the required holding periods described in Section 422A are not met, the Company is entitled to a deduction as compensation in the year of disposition of the stock acquired by the employee. This deduction is measured by the amount that the fair market value of the option at the exercise date exceeded the exercise price, or the excess of sales proceeds over the exercise price, if less. The employee is required to include an equal amount in income as compensation.

The receipt of a non-qualified option by an employee is taxable under Section 83 of the Code as property received for services rendered. If the option has a readily ascertainable value, it is taxed at the time of the grant. If no value can be determined at the grant date, taxation to the employee occurs on exercise, at which time the employee is considered to receive compensation in an amount equal to the fair market value of the stock acquired over the price paid. At the time the employee is required to include an amount in compensation, whether on the grant date or the exercise date, the employer is entitled to a compensation deduction measured by the amount the employee is required to include in income.

It is contemplated that all current employees of the Company will be granted options to purchase shares of Common Stock under the Stock Incentive Plan. The number of shares to be subject to each such individual option and the number of options to be received by eligible employees (including officers, such Directors as are also employees, and all other employees) either individually, or as a group, has not yet been determined by the Company.

Amendment of the Stock Incentive Plan will be only by written instrument approved by the Board of Directors and Shareholders of the Company. In no event, will there be any amendment changing the option price, decreasing the option after the grant of an option, increasing the period of the option or increasing the aggregate shares available for option except upon compliance with the above requirements.

ARTICLE II

PURPOSES

The Plan is intended to assist BKSC in recruiting and retaining employees with ability and initiative by enabling employees to participate in its future success and to associate their interests with those of BKSC and its shareholders. The Plan is intended to permit the grant of both Options qualifying under Code section 422 (“incentive stock options”) and Options not so qualifying. No Option that is intended to be an incentive stock option shall be invalid for failure to qualify as an incentive stock option. The proceeds received by BKSC from the sale of BKSC Common Stock pursuant to this Plan shall be used for general corporate purposes.

ARTICLE III

ADMINISTRATION

Except as provided in this Article III, the Plan shall be administered by the Executive Committee. The Committee shall have authority to grant Options upon such terms (not inconsistent with the provisions of this Plan) as the Committee may consider appropriate. Such terms may include conditions (in addition to those contained in this Plan) on the exercisability of all of any part of an Option. Notwithstanding any such condition, the Committee may, in its discretion, accelerate the time at which any Option may be exercised. In addition, the Committee shall have complete authority to interpret all provisions of this Plan; to prescribe the form of Agreements; to adopt, amend and rescind rules and regulations pertaining to the administration of the Plan; and to make all other determinations necessary or advisable for the administration of this Plan. The express grant in the Plan of any specific power to the Committee shall not be construed as limiting any power or authority of the Committee. Any decision made, or action taken, by the Committee or in connection with the administration of this Plan shall be final and conclusive. No member of the Committee shall be liable for any act done in good faith with respect to this Plan or any Agreement or Option. All expenses of administering this Plan shall be borne by BKSC.

The Committee, in its discretion, may delegate to one or more officers of BKSC all or part of the Committee’s authority and duties with respect to Participants who are not subject to the reporting and other provisions of Section 16 of the Securities and Exchange Act of 1934, as in effect from time to time. In the event of such delegation, and as to matters encompassed by the delegation, references in the Plan to the Committee shall be interpreted as a reference to the Committee’s delegate or delegates. The Committee may revoke or amend the terms of a delegation at any time but such action shall not invalidate any prior actions of the Committee’s delegate or delegates that were consistent with the terms of the Plan.

ARTICLE IV

ELIGIBILITY

4.01 General. Any employee of BKSC or of any Subsidiary (including any corporation that becomes a Subsidiary after the adoption of this Plan) is eligible to participate in this Plan if the Committee, in its sole discretion, determines that such person has contributed or can be expected to contribute to the profits or growth of BKSC or a Subsidiary. Any such employee may be granted Options. A Director of BKSC who is an employee of BKSC or a Subsidiary may be granted Options under this Plan. A member of the Committee may not participate in this Plan during the time that his participation would prevent the Committee from being “disinterested” for purposes of Securities and Exchange Commission Rule 16b-3 as in effect from time to time.

4.02

Grants. The Committee will designate individuals to whom Options are to be granted and will specify the number of shares of BKSC Common Stock subject to each award or grant. All Options granted under this Plan shall be evidenced by Agreements which shall be subject to the applicable provisions of this Plan and to such other provisions as the Committee may adopt. No Participant may be granted incentive stock options (under all incentive stock option plans of BKSC and its Subsidiaries) which are first exercisable in any calendar year for stock having an aggregate Fair Market Value (determined as of the date an option is granted) exceeding \$100,000.

ARTICLE V

STOCK SUBJECT TO PLAN

- 5.01 Source of Shares. Upon the exercise of an Option, BKSC may deliver to the Participant authorized but unissued BKSC Common Stock.
- 5.02 Maximum Number of Shares. The maximum aggregate number of shares of BKSC Common Stock that may be issued pursuant to the exercise of Options is One Hundred Thousand subject to increases and adjustments as provided in this Article V and Article XI.
- 5.03 Incentive Stock Options. Section 5.02 to the contrary notwithstanding, the maximum aggregate number of shares of BKSC Common Stock that may be issued pursuant to the exercise of Options that are incentive stock options granted under this Plan is Three Hundred Thousand.
- 5.04 Forfeitures, etc. If an Option is terminated, in whole or in part, for any reason other than its exercise, the number of shares of BKSC Common Stock allocated to the Option or portion thereof may be reallocated to other Options to be granted under this Plan.

ARTICLE VI

OPTION PRICE

The price per share for BKSC Common Stock purchased on the exercise of an Option shall be determined by the Committee on the date of grant. The price per share for BKSC Common Stock purchased on the exercise of any incentive stock option shall not be less than one hundred percent (100%) of the Fair Market Value on the date the Option is granted.

ARTICLE VII

EXERCISE OF OPTIONS

- 7.01 Maximum Option Period. The maximum period in which an Option may be exercised shall be determined by the Committee on the date of grant except that no Option that is an incentive stock option shall be exercisable after the expiration of ten years from the date the Option was granted. The terms of any Option may provide that it is exercisable for a period less than such maximum period.
- 7.02 Nontransferability. Any Option granted under this Plan shall be nontransferable except by will or by the laws of descent and distribution. In the event of any such transfer, the Option must be transferred to the same person or persons or entity or entities. During the lifetime of a Participant to whom an Option is granted, the Option may be exercised only by the Participant. No right or interest of a Participant in any Option shall be liable for, or subject to, any lien, obligation or liability of such Participant.

ARTICLE VIII

METHOD OF EXERCISE

- 8.01 Exercise. An Option granted under this Plan shall be deemed to have been exercised on the Date of Exercise. Subject to the provisions of Articles VII and X, an Option may be exercised in whole at any time or in

part from time to time at such times and in compliance with such requirements as the Committee shall determine. An Option granted under this Plan may be exercised with respect to any number of whole shares less than the full number of whole shares for which the Option could be exercised. A partial exercise of an Option shall not affect the right to exercise the Option from time to time in accordance with this Plan and the applicable Agreement with respect to remaining shares subject to the Option.

8.02 Payment. Unless otherwise provided by the Agreement, payment of the Option price shall be made by Cashiers Check. If the Agreement provides, payment of all or part of the Option price may be made by surrendering shares of BKSC Common Stock to BKSC. If BKSC Common Stock is used to pay all of part of the Option price, the shares surrendered must have a Fair Market Value (determined as of the day preceding the Date of Exercise) that is not less than such price or part thereof.

8.03 Shareholder Rights. No Participant shall have any rights as a stockholder with respect to shares subject to an Option until the Date of Exercise of such Option.

ARTICLE IX

ADJUSTMENT UPON CHANGE IN BKSC COMMON STOCK

If all or any portion of the Option is exercised subsequent to any stock dividend, split up, recapitalization, combination or exchange of shares, merger, consolidation, acquisition of property or stock, separation, reorganization, or a transaction to which Section 424 of the Internal Revenue Code applies, or other similar change or transaction of or by BKSC, as a result of which shares of any class shall be issued in respect of outstanding shares of the class covered by the Option or shares of the class covered by the Option shall be changed into the same or a different number of shares of the same or another class or classes, the person or persons so exercising such an Option shall receive, for the aggregate option price payable upon such exercise of the Option, the aggregate number and class of shares equal to the number and class of shares the Optionee would have had on the date of exercise had the shares been purchased for the same aggregate price at the date the Option was granted and had not been disposed of, taking into consideration any such stock dividend, split up, recapitalization, combination or exchange of shares, merger, consolidation, acquisition of property or stock, separation, reorganization or other similar change or transaction; provided, however, that no fractional share shall be issued upon any such exercise and the aggregate price paid shall be appropriately reduced on account of any fractional share not issued.

ARTICLE X

COMPLIANCE WITH LAW AND APPROVAL OF REGULATORY BODIES

No option shall be exercisable and no BKSC Common Stock shall be issued under this Plan except in compliance with all applicable federal and state laws and regulations (including, without limitation, withholding tax requirements) and the rules of any domestic stock exchanges on which BKSC's shares may be listed. BKSC shall have the right to rely on an opinion of its counsel as to such compliance. Any share certificate issued to evidence BKSC Common Stock for which an Option is exercised may bear such legends and statements as the Committee may deem advisable to assure compliance with federal and state laws and regulations. No Option shall be exercisable and no BKSC Common Stock shall be issued under this Plan until BKSC has obtained such consent or approval as the Committee may deem advisable from regulatory bodies having jurisdiction over such matters.

ARTICLE XI

GENERAL PROVISIONS

13.01 Effect on Employment. Neither the adoption of this Plan, its operation nor any documents describing or referring to this Plan (or any part thereof) shall confer upon any employee any right to continue in the employ of BKSC or a Subsidiary, nor shall it interfere in any way with the right of Bank of South Carolina Corporation or any Subsidiary to terminate his/her employment at any time. So long as the Participant shall continue to be an employee of Bank of South Carolina Corporation or any Subsidiary, the Option shall not be affected by any

changes in the duties or positions of the Participant.

13.02 Rules of Construction. Headings are given to the articles and sections of this Plan solely as a convenience to facilitate reference. The reference to any statute, regulation or other provision of law shall be construed to refer to any amendment to or successor of such provision of law.

13.03 Employee Status. For purposes of determining the applicability of Code section 422 (relating to incentive stock options) or in the event that the terms of any Option provide that it may be exercised only during employment or within a specified period of time after termination of employment, the Committee may decide to what extent leaves of absence for governmental or military service, illness, temporary disability or other reasons shall not be deemed interruptions of continuous employment.

ARTICLE XII

AMENDMENT

The Board may amend or terminate this Plan from time to time; provided, however, that no amendment may become effective until shareholder approval is obtained if (i) the amendment increases the aggregate number of shares of BKSC Common Stock that may be issued under the Plan or (ii) the amendment changes the class of individuals eligible to become Participants. No amendment shall, without a Participant's consent, adversely affect any rights of such Participant under any Option outstanding at the time such amendment is made.

ARTICLE XIII

DURATION OF PLAN

No Option may be granted under this Plan after April 14, 2020. Options granted before that date shall remain valid in accordance with their terms.

ARTICLE XIV

EFFECTIVE DATE OF PLAN

Options may be granted under this Plan upon its adoption by the Board, provided that no Option will be effective unless this Plan is approved by shareholders holding a majority of BKSC's outstanding voting stock, voting either in person or by proxy at a duly held shareholder's meeting within twelve months of such adoption. The amount of shares to be reserved under this plan will not exceed 300,000.
