Payment of obligations under the L/C Facility is guaranteed by Total S.A. pursuant to the Credit Support Agreement, dated April 28, 2011, as amended from time to time, between SunPower and Total S.A.

The L/C Facility provides for the issuance, upon request by the Company or those of its subsidiaries party thereto from time to time as “Subsidiary Applicants”, of letters of credit by the issuing banks thereunder in order to support certain obligations of the Company, the Subsidiary Applicants, or non-party subsidiary account parties, in an aggregate amount not to exceed (a) for the period from August 9, 2011 through December 31, 2011, \$645,000,000; (b) for the period from January 1, 2012 through December 31, 2012, \$725,000,000; and (c) for the period from January 1, 2013 through December 31, 2013, \$771,000,000. Aggregate letter of credit amounts may be increased upon the agreement of the parties but may not exceed (i) for the period from January 1, 2014 through December 31, 2014, \$878,000,000; (ii) for the period from January 1, 2015 through December 31, 2015, \$936,000,000; and (iii) for the period from January 1, 2016 through June 28, 2016, \$1,000,000,000.

Each letter of credit issued under the L/C Facility (each, a “Letter of Credit”) must have an expiration date no later than the second anniversary of the issuance of such Letter of Credit, provided that up to fifteen percent (15%) of the outstanding value the Letters of Credit may have an expiration date of between two and three years from the date of issuance.

The L/C Facility includes representations, covenants, and events of default customary for financing transactions of this type. The L/C Facility does not have a requirement for establishing a collateral account or any other security arrangements with the Administrative Agent or otherwise.
