## **QUESTIONS AND ANSWERS REGARDING THE AMENDMENT TO OUR CERTIFICATE OF INCORPORATION**

### **Q1: What corporate actions were approved by the Action by Written Consent of the Stockholders?**

Pursuant to the Action by Written Consent of Stockholders, holders of a majority of the outstanding shares of our Common Stock approved the Amendment described above, which will (i) increase the total number of authorized shares of the Company’s capital stock to 60,000,000 shares and (ii) increase the number of authorized shares of

**A1:** Common Stock to 55,000,000 shares. Previously, the Certificate of Incorporation authorized the Company to issue 50,000,000 shares of capital stock, including 45,000,000 shares of Common Stock. A copy of the Action by Written Consent of Stockholders is attached as Annex A to this Information Statement and incorporated herein by reference.

### **Q2: Why is the Company increasing the number of shares of Common Stock that it is authorized to issue?**

The Board believes that the increase in the number of authorized shares of Common Stock is in the best interests of the Company and will provide the Company with available shares that may be issued for various corporate purposes, including equity financings, acquisitions, stock dividends, stock options and warrants. Specifically, the Amendment was approved to facilitate a rights offering (the “Rights Offering”), whereby the Company would issue

**A2:** and offer to each of its existing stockholders the opportunity to purchase his, her or its pro rata share of newly issued Common Stock at a specified price per share, consistent with the terms of the Rights Offering approved by the Board on May 31, 2013. The Board also believes that the increase in the number of authorized shares of Common Stock will enable the Company to benefit from market conditions and any favorable financing opportunities in the future without further delay and expense to the Company.

**Q3: How many shares of Common Stock were voted in favor of the Amendment?**

The approval of the Amendment required the written consent of the holders of at least a majority of the outstanding shares of our Common Stock. Each share of our Common Stock is entitled to one vote in connection with the Amendment. The Action by Written Consent of Stockholders referenced above, which was executed and delivered to the Company on May 31, 2013 by holders of 21,237,672 shares of our Common Stock (representing approximately 54.7% of the 38,845,209 shares of Common Stock outstanding as of such date), was sufficient to approve the proposed Amendment. Consequently, no additional votes are required to approve the Amendment. The following stockholders executed the Action by Written Consent:

- A3: The John Patience Trust Dated 7/23/1993 (3,822,525 shares)  
Patience Enterprises LP (1,911,263 shares)  
Schuler Grandchildren LLC (600,000 shares)  
Schuler GC 2010 Continuation Trust (600,000 shares)  
Jack W. Schuler Living Trust (6,843,004 shares)  
MAB, LLC (1,576,792 shares)  
Matthew W. Strobeck (1,911,263 shares)  
Oracle Partners, LP (3,533,409 shares)  
Oracle Institutional Partners, LP (439,416 shares)

All such stockholders (or the beneficial owners of the shares held by such stockholders) are listed below in the "Security Ownership of Certain Beneficial Owners and Management" section of this Information Statement.

**Q4: Why is the Company amending its Certificate of Incorporation through stockholder action by written consent in lieu of holding a meeting of our stockholders?**

- A4: Under the Delaware General Corporation Law, our Certificate of Incorporation and our Bylaws, the Company's stockholders may take action by written consent in lieu of holding a meeting. To avoid the significant time and expense associated with calling and holding a special meeting of the Company's stockholders, the stockholders listed above (which held a sufficient number of shares of outstanding Common Stock to approve the Amendment without requiring the Company to solicit its proxy, or the proxy of any other stockholder) determined to take action by written consent. Therefore, the Company is not required to solicit the vote or consent of any stockholders to effect the Amendment. However, the Company is obligated by the Delaware General Corporation Law and federal securities laws to provide this Information Statement to you in connection with the Amendment.

**Q5: Has the Board approved the Amendment?**

- A5: Yes. On May 31, 2013, the Board unanimously approved the Amendment, declared its advisability, and recommended that our stockholders approve the Amendment.

**Q6: When will the Amendment be effective?**

- A6: The Amendment will become effective filing with the Secretary of State of the State of Delaware. Pursuant to Rule 14c-2(b) promulgated under the Exchange Act, such filing will not occur until at least 20 calendar days

following the mailing of this Information Statement to our stockholders. The Company currently anticipates that the Amendment will be filed and take effect on or about June , 2013.

**Q7: Can I dissent or exercise appraisal rights in connection with the Amendment?**

Pursuant to the Delaware General Corporation Law, our Certificate of Incorporation and our Bylaws, our **A7:** stockholders are not entitled to exercise appraisal or other dissenters' rights in connection with the Amendment or the other matters described in this Information Statement.

### **Rights Offering—Standby Purchase Agreement with Abeja Ventures, LLC**

In connection with the Rights Offering referenced above, we have entered into a Standby Purchase Agreement with Abeja Ventures, LLC (the “Standby Purchaser”), pursuant to which the Standby Purchaser has agreed to acquire from the Company, at the applicable per share subscription price established under the terms of the Rights Offering, any shares of Common Stock that are not subscribed for in connection with the Rights Offering by the record holders of the Company’s common stock (including pursuant to their basic subscription privileges and over-subscription privileges, as specified in the Rights Offering documents). Messrs. Mehren, Patience, Schuler and Strobeck are all directors of the Company and also owners of membership interests in Abeja (either individually or through trusts or entities controlled by them).

To the extent that shares of Common Stock are not subscribed for in connection with the Rights Offering, assuming the Rights Offering is consummated, the Standby Purchaser will acquire such unsubscribed shares, and the beneficial ownership and relative voting power of each of Messrs. Mehren, Patience, Schuler and Strobeck will increase (directly and/or indirectly) as a result of the transactions contemplated by the Standby Purchase Agreement. As noted above, the Standby Purchaser will pay the applicable per share subscription price payable by all stockholders in connection with the Rights Offering for any shares purchased by it pursuant to the Standby Purchase Agreement.
