**Item 1.01 Entry into a Material Definitive Agreement.**

*Investment Agreement*

On September 15, 2014, 22nd Century Group, Inc. (the “Company”) made an investment of \$700,000 in Anandia Laboratories Inc. (“Anandia”), a Canadian plant biotechnology company in Vancouver, pursuant to an Investment Agreement, in exchange for a twenty-five percent (25%) equity interest in Anandia, plus the issuance of 150,000 shares of common stock of the Company, par value \$0.00001 (“Common Stock”). On or before March 31, 2015, the Company will issue Anandia an additional \$325,000 in value of Common Stock. The Investment Agreement contains anti-dilution provisions for the benefit of the Company. As part of the Investment Agreement, the Company was granted an exclusive license in the United States granting rights to genes required for cannabinoid production in the cannabis plant and worldwide co-exclusive rights with Anandia to this proprietary technology, except that Anandia retains exclusive rights in Canada. The technology includes 23 patent applications filed between August 2010 and June 2014, one of which recently received a Notice of Allowance by the United States Patent and Trademark Office.

The foregoing description of the Investment Agreement is not complete and is qualified in its entirety by reference to the exhibit attached to this Current Report on Form 8-K and is incorporated by reference herein.

*Securities Purchase Agreement*

On September 17, 2014, the Company entered into a Securities Purchase Agreement (the “Securities Purchase Agreement”) with Crede CG III, Ltd. (“Crede”). Under the terms of the Securities Purchase Agreement, the Company agreed to sell and issue to Crede 3,871,767 shares of Common Stock at an offering price of \$2.5828 per share, which was the volume weighted average price for the Common Stock on the NYSE MKT during normal trading hours for the three trading days of September 10, 11 and 12, 2014. The Company also agreed to pay a fee of \$430,000 to Chardan Capital Markets, LLC, the exclusive placement agent in this transaction.

The Securities Purchase Agreement contains customary representations, warranties and covenants. In addition, if the Company issues equity or equity-linked securities on or before December 31, 2014 for an effective per share price less than the per share purchase price for the shares of Common Stock being sold pursuant to the Securities Purchase Agreement, then the Company will be required to issue to Crede a number of additional shares of Common Stock such that Crede’s cost of Common Stock would equal such lower price.

In connection with the entry into the Securities Purchase Agreement, the Company entered into a Registration Rights Agreement (the “Registration Rights Agreement”) requiring the Company to register the resale of the shares of Common
