**Item 1.01 Entry into a Material Definitive Agreement.**

On May 8, 2015, AmpliPhi Biosciences Corporation (the “Company”) negotiated and executed an amendment (the “Warrant Amendment”) with holders representing more than two-thirds of certain warrants issued by the Company in connection with private placement of the Company’s Series B Redeemable Preferred Stock in June and July 2013 and the Company’s private placement of common stock in December 2013. The Warrant Amendment eliminates certain “down-round” price protection features that were originally included in these warrant agreements.

The description of the terms and conditions of the Warrant Amendment does not purport to be complete and is qualified in its entirety by the full text of the form of the Warrant Amendment, which has been filed as an exhibit to this current report on Form 8-K.
