**Item 3.01 Notice of Delisting or Failure to Satisfy A Continued Listing Rule or Standard; Transfer or Listing.**

On October 12, 2016, Hongli Clean Energy Technologies Corp. received a second Determination letter (the “Additional Letter”) from the NASDAQ Stock Market (the “NASDAQ”) notifying the Company of the NASDAQ Staff’s determination that Company’s failure to file its annual report on Form 10-K and comply with Nasdaq’s filing requirements set forth in Listing Rule 5250(c)(1) serves as an additional basis for delisting the Company’s securities from The Nasdaq Stock Market. Because the Company is already before a NASDAQ Hearings Panel (the “Panel”) for its failure to comply with the minimum \$1 bid price requirement, the Company will have until October 19, 2016 to request a stay of the suspension, pending the Panel’s decision. In response to the Additional Letter, the Company intends to request a stay of suspension by October 19, 2016 and address this additional issue in front of the Panel.

As previously reported, the Company received a notification letter (the “Notice”) from the NASDAQ advising the Company that for 30 consecutive business days preceding the date of the Notice, the bid price of the Company’s common stock had closed below the \$1.00 per share minimum required for continued listing on The NASDAQ Capital Market pursuant to NASDAQ Marketplace Rule 5550(a)(2) (the “Minimum Bid Price Rule”). The Company was provided 180 calendar days, or until March 28, 2016, to regain compliance with the Minimum Bid Price Rule. The Company was unable to regain compliance with the Minimum Bid Price Rule by March 28, 2016. On April 4, 2016, NASDAQ granted the Company an additional 180 calendar days, or until September 26, 2016, to regain compliance with the Minimum Bid Price Rule. As of the date of this report, the Company has not regained compliance with the Minimum Bid Price Rule though it is in the process of completing a one-for-ten reverse stock split.

On September 28, 2016, the Company received a Determination letter (the “Letter”) from the NASDAQ notifying the Company of the NASDAQ Staff’s determination (the “Determination”) to delist the Company’s securities from the NASDAQ Capital Market due to its failure to regain compliance with the \$1.00 per share minimum required for continued listing on the NASDAQ Capital Market pursuant to the Minimum Bid Price Rule, after the second 180 calendar day compliance period.

On October 5, 2016, the Company requested an appeal of the Determination with the NASDAQ. Accordingly, the delisting action referenced in the Letter, including suspension of the trading of the Company’s common stock and filing of Form 25-NSE with the Securities and Exchange Commission (the “SEC”), has been stayed, pending a final written decision by the Panel following Company’s oral appeal hearing scheduled for November 17, 2016. At the hearing, the Company intends to present a plan to regain compliance with the Minimum Bid Price Rule and request that the Panel allow the Company additional time within which to regain compliance. While the Company believes that it will be able to present a viable plan to regain compliance, there can be no assurance that the Panel will grant the Company’s request for a suspension of delisting or continued listing on NASDAQ.

On October 18, 2016, the Company issued a press release regarding the matters set forth in this Current Report on Form 8-K. A copy of the press release is attached as Exhibit 99.1 and is incorporated herein by reference.
