NET SALES

During the first quarter of 2008 Natuzzi total net sales increased by 12.4 percent at Eur 172.8 million, as compared to Eur 153.8 million reported for the first quarter of 2007. During the same period, seats sold were up 15.9 percent over last year same quarter.

For the first three months of 2008 upholstery net sales were at Eur 153.7 million, 13.0 percent up with respect to Eur 136.0 million of the same comparable quarter of 2007. Other sales (principally living room accessories and raw materials produced by the Group and sold to third parties) increased by 7.3 percent at Eur 19.1 million over first quarter 2007.

During the quarter ended on March 31, 2008, net sales in the Americas increased by 6.9 percent at Eur 49.6 million, by 13.1 percent in Europe at Eur 89.9 million and by 40.6 percent at Eur 14.2 million in the rest of the world as compared to the same period of last year.

## Edgar Filing: NATUZZI S P A - Form 6-K

Leather-upholstered furniture sales for the first quarter of 2008 were at Eur 138.7 million, up 15.6 percent from Eur 120.0 million of the first quarter 2007, whereas fabric-upholstered furniture sales decreased by 6.3 percent at Eur 15.0 million over first quarter of 2007.

Net sales for the Natuzzi branded products increased by 7.4 percent at Eur 87.0 million and net sales for Italsofa products by 21.3 percent at Eur 66.7 million with respect to the same period of last year.

### GROSS & OPERATING RESULTS

For the three-month period ended on March 31, 2008, the Group reported a gross profit of Eur 44.1 million, decreasing 6.0 percent from Eur 46.9 million in the first quarter of 2007. As a percentage of sales, gross margin decreased at 25.5 percent from 30.5 percent reported in the first three months of last year.

In the first quarter of 2008 the Group had an operating loss of Eur 12.1 million as compared with an operating loss of Eur 7.9 million reported last year.

### FOREX AND TAXES

During the first three months of 2008 the Group had a net foreign exchange loss of Eur 10.0 million, of which a loss of Eur 9.2 million was not realized. Such unrealized loss on foreign exchange is mostly the result of the high volatility of the Euro against major currencies that has negatively affected the valuation at the end of the quarter of our outstanding net assets denominated in foreign currency.

Income taxes for the first quarter of 2008 were Eur 1.0 million.

### NET RESULT AND GROUP EARNINGS PER COMPANY'S SHARE

For the quarter ended on March 31, 2008 the Group reported net losses of Eur 23.4 million, or Eur 0.43 losses per share (ADR), compared to net losses of Eur 4.7 million, or Eur 0.09 per share, in the first quarter of 2007.

Pasquale Natuzzi, Chairman and CEO, commented: "The Group reported a double digit increase in net sales in the first three months of 2008 versus the same period of last year - for the most part fed by the backlog accumulated at the beginning of the year - but unfortunately operating results in the quarter were disappointing. The negative performance was due to the strong price pressure especially in the US market where the furniture industry is still struggling to come out of one of the worst crisis of the last decades, and the sharp devaluation of the US Dollar against the currencies of the countries where we manufacture products exported in United States. In consideration of these issues, the Group announced in March price increases across our brands that should fully produce effects in the second

Edgar Filing: NATUZZI S P A - Form 6-K

half of the year, thus enabling the Group to recover margins".

"Operating results were further burdened by the unsatisfactory performance of our Brazilian manufacturing plants, whose competitiveness has not only been curbed by the above mentioned devaluation of the US Dollar against local currency, but also by the low productivity of the plants".

"We remain firmly committed in implementing all the necessary measures to further control our cost structure, including the right sizing of the headcounts at our Italian locations to the current level of the seats order flow produced in Italy which is year-to-date more than 10 percent lower than the same period of last year. We are also continuing to reorganize our manufacturing assets, both in Italy and abroad, to regain efficiency in the remaining part of the year".

"The Group is focusing its attention on the development of foreign markets, like East Europe, Middle East, China and India, where we have been achieving significant results both in terms of sales and order flow. We will continue to invest in the Natuzzi brand awareness worldwide and closely monitor the profitability of our retail activities so to close our non performing units".

"All the above mentioned initiatives are part of a business plan that is still subject to a critical review regarding the overall scenario on which it is based. We are confident that such business plan, once completed, will include all the necessary actions that will enable the Group to regain competitiveness and profitability in the medium term".

FIRST QUARTER 2008 TELECONFERENCE

Pasquale Natuzzi, Chief Executive Officer and Chairman, Salvatore Gaipa, Chief Financial Officer and Nicola Dell'Edera, Finance Director, will discuss financial results, followed by a question and answer session, in a teleconference at 10:00 a.m. New York time (3:00 p.m. London time - 4:00 p.m. Italian time) on Thursday May 29, 2008.
