CALCULATION OF REGISTRATION FEE

Title of Securities to be Registered	Amount to be Registered	Proposed Maximum Offering Price per Share
Common Stock, par value \$0.01 per share (1)	850,000 (2)	\$5.22

(1) This Registration Statement also relates to the rights to purchase shares of Series B Junior Participating Cumulative Preferred Stock of the Registrant that are attached to all shares of common stock issued, pursuant to the terms of the Registrant's Shareholder Rights Agreement, dated as of April 7, 2008. Until the occurrence of certain prescribed events, the rights are not exercisable, are evidenced by the certificates for the common stock and will be transferred with and only with such common stock. Because no separate consideration is paid for the rights, the registration fee therefore is included in the fee for the common stock.

(2) Pursuant to Rule 416 under the Securities Act of 1933, as amended (the "Securities Act"), this Registration Statement shall also cover any additional shares of common stock which become issuable under the Registrant's Amended and Restated 2003 Stock Option and Incentive Plan by reason of any stock dividend, stock split, recapitalization or any other similar transaction.

(3) An assumed price of \$5.22 per share, which is the average of the high and low prices of the Company's common stock reported on the NASDAQ Global Select Market on June 16, 2009, is set forth solely for purposes of calculating the filing fee pursuant to Rule 457(h) and Rule 457(c) under the Securities Act.

EXPLANATORY NOTE

This Registration Statement on Form S-8 is being filed by Anika Therapeutics, Inc. (the "Company" or the "Registrant") for the purpose of registering an additional 850,000 shares of Common Stock, par value \$0.01 per share ("Common Stock"), of the Company reserved for issuance under the Anika Therapeutics, Inc. Amended and Restated 2003 Stock Option and Incentive Plan (the "Plan"). The securities subject to this Registration Statement on Form S-8 are of the same class as other securities for which a Registration Statement on Form S-8 was previously filed by the Company and declared effective by the Securities and Exchange Commission (the "Commission"). Accordingly, pursuant to General Instruction E to Form S-8, the Company hereby incorporates by reference into this Registration Statement the contents of the Registration Statement on Form S-8 previously filed with the Commission on November 7, 2003 (File No. 333-110326) and the Common Stock registered thereunder is being carried forward to this Registration Statement. Following the registration of the additional shares of Common Stock under this Registration Statement, an aggregate total of 2,350,000 shares of Common Stock will be registered under the Plan.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 6. Indemnification of Directors and Officers.

The Company is a Massachusetts corporation. Section 2.02(b)(4) of the Massachusetts Business Corporation Act (the "MBCA") provides that a corporation may, in its articles of organization, eliminate or limit a director's personal liability to the corporation for monetary damages for breaches of fiduciary duty, except in circumstances involving (i) a breach of the director's duty of loyalty to the corporation or its shareholders, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) improper distributions, and (iv) transactions from which the director derived an improper personal benefit.

Section 8.51 of the MBCA permits a corporation to indemnify a director if the individual (i) acted in good faith, (ii) reasonably believed that his or her conduct was in the best interests of the corporation or at least not opposed to the best interest of the corporation, (iii) in the case of a criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful, or (iv) engaged in conduct for which he or she would not be liable under the corporation's articles of organization, as authorized by Section 2.02(b)(4) of the MBCA. Section 8.56 of the MBCA permits a corporation to indemnify an officer to the same extent as a director, and to such further extent as may be provided in the corporation's articles of organization or by-laws, except for liability arising out of acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law. Indemnification may not be made under Section 8.51 of the MBCA until a determination has been made that indemnification is permissible because the director has met the relevant standard of conduct. Under Section 8.55 of the MBCA, that determination must be made by (i) a majority vote of all disinterested directors or a majority of a committee of disinterested directors (in each case, if there are at least two disinterested directors), (ii) special legal counsel, or (iii) the stockholders of the corporation.

Under Sections 8.53 and 8.56 of the MBCA, a corporation may pay for or reimburse reasonable expenses prior to the final disposition of a proceeding involving a director or officer, provided that the director or officer has delivered a written undertaking of his or her good faith that he or she has met the standard of conduct necessary for indemnification, and a written undertaking to repay the funds if he or she is determined not to have met the relevant standard of conduct.

Sections 8.52 and 8.56(c) of the MBCA mandate indemnification for reasonable expenses in connection with proceedings in which a director or officer is wholly successful, on the merits or otherwise. Furthermore, Section 8.54 of the MBCA provides that a court may direct a corporation to indemnify a director or officer if the court determines that (i) the director or officer is

Edgar Filing: ANIKA THERAPEUTICS INC - Form S-8

entitled to mandatory indemnification under the MBCA, (ii) the director or officer is entitled to indemnification pursuant to a provision in the corporation's articles of organization or bylaws or in a contract or a board or shareholder resolution, or (iii) it is fair and reasonable to indemnify the director or officer, regardless of whether he or she met the relevant standard of conduct.

Article 6A of the Company's Restated Articles of Organization, as amended (the "Articles of Organization"), provides that: except to the extent that the MBCA prohibits the elimination or limitation of liability of directors for breaches of fiduciary duty, no director of the Company shall be personally liable to the Company or its stockholders for monetary damages for any breach of fiduciary duty as a director, notwithstanding any provision of law imposing such liability.

Article 6B of the Articles of Organization provides that the Company shall indemnify each person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was, or has agreed to become, a director or officer of the Company, or in any capacity with respect to any employee benefit plan of the Company (an "Indemnitee") against amounts paid and expenses incurred in connection with an action, suit or proceeding and any appeal therefrom, or settlement thereof, unless the Indemnitee shall be finally adjudicated not to have acted in good faith in the reasonable belief that his or her action was in the best interest of the Company (or participants or beneficiaries of any employee benefit plan of the Company). The Company shall not indemnify an Indemnitee seeking indemnification in connection with a proceeding initiated by the Indemnitee unless the initiation thereof was approved by the Board of Directors of the Company.

Article 6B provides that the Company shall pay expenses incurred in defending any action, suit, proceeding or investigation in advance of its final disposition, if the Company does not assume the defense of the Indemnitee, subject to receipt of an undertaking by the Indemnitee to repay such payment if it is ultimately determined that such Indemnitee is not entitled to indemnification under the Articles of Organization.

Article 6B further provides that no indemnification or advancement of expenses may be made if such Indemnitee did not act in good faith in the reasonable belief that his or her action was in the best interest of the Company. Such determination shall be made in each instance by (a) a majority vote of a quorum of the directors of the Company, (b) a majority vote of a quorum of the outstanding shares of stock of all classes entitled to vote for directors, voting as a single class, which quorum shall consist of stockholders who are not at that time parties to the action, suit or proceeding in question, (c) independent legal counsel (who may be regular legal counsel to the Company) or (d) a court of competent jurisdiction.

The Company carries directors and officers liability insurance for the benefit of its directors and officers.
