10b5-1 Trading Plan

On July 1, 2015, Alexander W. Smith, the President and Chief Executive Officer of Pier 1 Imports, Inc. (the “Company”), adopted a 10b5-1 stock trading plan. Mr. Smith’s plan provides for the sale of shares of the Company’s common stock issuable upon exercise of options granted to Mr. Smith on February 19, 2007. Under the plan, beginning on August 4, 2015, a brokerage firm will be authorized to periodically exercise Mr. Smith’s stock options and sell the issued shares provided the stock price is above certain levels. The plan expires on September 8, 2016. The maximum number of options that can be exercised and sold over the duration of the plan is 944,000.

The foregoing trading plan is intended to comply with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended, and the Company’s insider trading policy. Rule 10b5-1 allows individuals who are not in possession of material, non-public information at the time a stock trading plan is adopted to establish prearranged written plans to buy or sell a specified number of shares of a company’s stock. Trading under the foregoing plan is generally based on reaching certain pre-determined minimum price conditions. The foregoing trading plan provides for option exercises and subsequent sales of stock spread out over a set period of time with the goals of (i) minimizing any market impact from such stock sales, (ii) gradually diversifying the individual’s investment portfolio and (iii) completing the exercise of the relevant stock options prior to their expiration in February 2017, while maintaining Mr. Smith’s compliance with the Company’s stock ownership guidelines.

Transactions under the foregoing trading plan will be disclosed publicly through Form 4 and Form 144 filings with the Securities and Exchange Commission, to the extent required by law.
