RELEVANT NOTICE

In compliance with CVM Instruction # 358 as of January 03, 2002, COMPANHIA DE SANEAMENTO BÁSICO DO ESTADO DE SÃO PAULO SABESP hereby announces that, in a meeting held on 03/03/2004, the Board of Executive Officers approved the Program of Incentive for Water Consumption Reduction, which aims to stimulate the population of the São Paulo Metro to reduce water consumption, in order to help facing the water shortage, caused by the low rainfall levels and the following low water levels in the reservoirs that supply the region.

The program will compass the municipalities of the São Paulo Metro supplied by the metropolitan aqueduct system and it will effective for 6 (six) months starting on 03/15/2004.

A 20% (twenty percent) bonus on the water bill, or on the water plus sewage bill, will be granted in the months when consumption is reduced by 20% (twenty percent) in relation to the average consumption calculated by Sabesp, based on the consumption in the same period of the previous year.

Further information on the Program will be available at Sabesp's website (www.sabesp.com.br)

São Paulo, March 09, 2004.

Rui de Britto Álvares Affonso
Economic-Financial Officer and Investor Relations Officer

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
