Item 1.01 Entry into a Material Definitive Agreement.

Champion Thread Agreement

On May 8, 2007, we entered into a Product Development, Marketing and Distribution Agreement with Champion Thread Company, Inc, or Champion Thread. Under the terms of the agreement Champion Thread will be the exclusive distributor of thread, yarn, woven labels, and printed labels for textile applications incorporating our DNA Markers for an initial period of four years. This initial period will automatically renew for successive one year periods, subject to either party's right to terminate the agreement during the ninety (90) days prior to its expiration. The parties agreed to jointly develop, market and distribute enhanced security threads, fabrics, yarns, labels, ribbons, tapes, textile chemicals, pigments and other textile products incorporating our SigNature DNA Markers, and to develop effective procedures for authenticating such products. We will be paid certain royalties based on a calculation of net receipts by Champion Thread from any sales of such products.

The foregoing description is qualified in its entirety by reference to the Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference. A copy of the press release relating to the announcement is attached as Exhibit 99.1 and is incorporated herein by reference.
