SECTION 1 REGISTRANT'S BUSINESS AND OPERATIONS

ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

In 1987, the Company entered into individual Key Executive Deferred Compensation Agreements (Agreement) with 23 officers. Currently, only seven Agreements remain active; four with current executive officers and three with retired officers who are receiving benefits under their Agreements. All other Agreements have been terminated either upon final payment of all benefits to retired officers or upon termination of employment by former officers prior to retirement.

On January 13, 2005, the Company entered into an amendment to the Agreement with each of Carol L. Bernick, Chairman and a Director; Howard B. Bernick, President and Chief Executive Officer and a Director; William J. Cernugel, Senior Vice President and Chief Financial Officer; and Michael H. Renzulli, President of Sally Beauty Company.

The significant changes made by the amendments were (1) revising the definition of Retirement Age from age 65 to the date on which the sum of the executive's age and years of services as an employee of the company or a subsidiary equals or exceeds 75 years (Rule of 75), (2) extending the payment start date from 30 days after the date of termination of employment to six months after the date of termination of employment and (3) making other changes to conform to the requirements of §409A of the Internal Revenue Code. The change in the definition of Retirement Age to the Rule of 75 is consistent with the definition of retirement in the Company's other non-qualified employee benefit plans in which executive officers participate.

All four executives have met the Rule of 75. Therefore, upon the termination of their employment, each executive will be entitled to the full benefits specified in their respective Agreement, as amended. The present value of the executives' benefits under the amended Agreements was fully accrued by the Company in prior years.
