**ANNUAL STOCKHOLDERS MEETING**

**PROXY STATEMENT**

The Board of Directors of Ingles Markets, Incorporated (the "Company") furnishes you with this Proxy Statement to solicit proxies on its behalf to be voted at the 2005 Annual Meeting of Stockholders of the Company. The meeting will be held at the Grove Park Inn, 290 Macon Avenue, Asheville, North Carolina, on Tuesday, March 29, 2005 at 1:00 p.m. local time, for the purposes set forth in the Notice of Annual Meeting of Stockholders that accompanies this Proxy Statement. The proxies also may be voted at any adjournments or postponements of the meeting. The Company is sending this Proxy Statement to each holder of record of the Company's Class A Common Stock, \$.05 par value per share ( "Class A Common Stock") and Class B Common Stock, \$.05 par value per share ( "Class B Common Stock") as of March 4, 2005, the record date for the meeting (the "Record Date"). Class A Common Stock and Class B Common Stock are sometimes referred to collectively in this Proxy Statement as "Common Stock".

The Company's principal executive offices are located at 2913 U.S. Highway 70 West, Asheville (Black Mountain), North Carolina 28711. This Proxy Statement and the accompanying forms of proxy are first being sent or given to stockholders on or about March 11, 2005.

**Execution and Revocation of Proxies**

If a stockholder completes and signs one of the enclosed proxies as instructed and returns the proxy to the Secretary of the Company in care of the Company's transfer agent, LaSalle Bank, N.A., so that it is received at or before the Annual Meeting, the shares of Common Stock represented by the proxy will be voted at the Annual Meeting in accordance with the instructions on the proxy. Proxies that are not properly executed or are not received by the Secretary at or before the Annual Meeting will not be effective.

A duly authorized person should sign each proxy on the stockholder's behalf if the stockholder is a corporation or partnership. If the shares of Common Stock represented by a proxy are registered in more than one name, each registered owner should sign the proxy. If an authorized person executes the proxy pursuant to a power of attorney or as an executor, administrator, trustee or guardian, the person should include his or her full title on the proxy and enclose a certificate or other evidence of appointment with the proxy when delivering it to the Secretary. Proxies that are not properly executed will not be effective.

## Edgar Filing: INGLES MARKETS INC - Form DEF 14A

A stockholder can revoke a proxy at any time prior to the exercise of the authority granted under that proxy. A proxy may be revoked by a stockholder in any of the following ways:

by attending the Annual Meeting and giving oral notice of the stockholder's election to vote in person;

by delivering to the Secretary an instrument revoking the proxy; or

by delivering a later-dated, properly executed proxy with respect to shares covered by the original proxy.

## Action to Be Taken under the Proxy Cards

Unless instructed otherwise on a proxy, shares of Common Stock represented by a properly executed proxy will be voted at the Annual Meeting **For** the election of each of the Board of Directors nominees named under the heading **Election of Directors**. As of the date of this Proxy Statement, the Company's management knows of no other matter to be brought before the Annual Meeting. Should any other matter properly come before the Annual Meeting, all shares of Common Stock represented by effective proxies will be voted, at their discretion, by the persons acting under such proxies.

## Voting Rights

Only holders of record of shares of Class A Common Stock or Class B Common Stock at the close of business on the Record Date are entitled to vote at the meeting or adjournments or postponements of the meeting. At the close of business on the Record Date, there were 11,754,870 shares of Class A Common Stock and 12,367,091 shares of Class B Common Stock outstanding.

**Quorum Requirements.** The presence in person or by proxy of holders of a majority of the outstanding shares of Class A Common Stock constitutes a quorum for purposes of the election of directors by the holders of Class A Common Stock. The presence in person or by proxy of holders of a majority of the outstanding shares of Class B Common Stock constitutes a quorum for purposes of the election of directors by the holders of Class B Common Stock. If holders of shares possessing a majority of the aggregate votes represented by the Class A Common Stock and Class B Common Stock, taking into account the ten votes per share attributable to the Class B Common Stock, are present at the Annual Meeting in person or by proxy, a quorum will be present for purposes of any other matter that may be presented at the Annual Meeting. Abstentions with respect to a proposal and broker non-votes are counted for purposes of establishing a quorum. A broker non-vote occurs if a broker does not receive instructions from the beneficial owner of shares held in street name for certain types of proposals and the broker indicates it does not have authority to vote such shares.

**Election of Directors.** If a quorum of each class is present at the Annual Meeting, the holders of Class A Common Stock, voting as a class, will elect two directors, and the holders of Class B Common Stock, voting as a class, will elect six directors. Each stockholder will have one vote for each share of Common Stock held by the stockholder as of the Record Date. Pursuant to the North Carolina Business Corporation Act, directors will be elected by a plurality of the votes cast by the holders of shares entitled to vote in the election. Thus, abstentions and broker non-votes will not be included in vote totals and will not affect the outcome of the vote.

Because the Company was a public corporation on the Record Date, cumulative voting will not be applicable to the election of directors at the Annual Meeting.

**Other Matters.** Unless otherwise provided in the Company's Articles of Incorporation or the North Carolina Business Corporation Act, holders of Class A Common Stock and Class B Common Stock would vote as a single class with respect to any other matter, that may be voted upon at the Annual Meeting. In any such vote, stockholders would be entitled to one vote for each share of Class A Common Stock held as of the Record Date and ten votes for each share of Class B Common Stock held as of the Record Date. For purposes of any such vote, if a quorum is present, a proposal will pass if the votes cast for the action exceed the votes cast against the action, unless otherwise provided in the Company's Articles of Incorporation or the North Carolina Business Corporation Act. Shares not voted with respect to any such matters (whether by abstention or broker non-vote) would not be included in vote totals and would not impact the vote. As of the date of this Proxy Statement, the Company knows of no matters other than the election of directors to be presented for action at the Annual Meeting.

**ELECTION OF DIRECTORS**

Each member of the Board of Directors (the Board ) is elected for a term of one year and until their successors are elected and qualified or until their earlier death, resignation or removal from office. The Company s Articles of Incorporation and Bylaws provide that the Board may from time to time fix by resolution the number of

directors that constitutes the Board, which shall be not less than five nor more than eleven. The Board has determined by resolution that the number of directors will be fixed at eight for purposes of this election. In accordance with the Company's Articles of Incorporation and Bylaws, two of the eight directors will be elected by a vote of the holders of the Class A Common Stock and the remaining six directors will be elected by a vote of the holders of the Class B Common Stock.

#### Identification of Directors and Executive Officers

**The Board has nominated, and recommends a vote FOR, John O. Pollard, and J. Alton Wingate as directors to be elected by the holders of the Class A Common Stock and Robert P. Ingle, Robert P. Ingle, II, Charles L. Gaither, Jr., James W. Lanning, Charles E. Russell and Laura Ingle Sharp as directors to be elected by the holders of the Class B Common Stock.**

All of these nominees are currently directors. Proxies received by the Board will be voted **For** the election of all of the nominees unless stockholders specify a contrary choice in their proxy. It is not anticipated that any nominee for election as a director will become unable to accept the nomination, but if such an event should occur the person or persons acting under the proxies will vote for any substitute nominee who may be designated by the Board. The person or persons acting under the proxies will vote for no more or fewer than eight nominees, unless the Board votes to change the number of directors, or fewer than eight individuals are nominated at the Annual Meeting. Ms. Brenda S. Tudor, a director of the Company since 1998, will not stand for re-election to the Board of Directors at the Annual Meeting. The Company thanks Ms. Tudor for her years of service.

#### **Committees of the Board of Directors**

The Board had three standing committees during fiscal 2004: an Executive Committee, an Audit/Compensation Committee and a Human Resources Advisory Committee. The Company did not have a separate nominating committee during fiscal 2004. The Company qualifies as a Controlled Company under the Nasdaq Marketplace Rules as Mr. Robert P. Ingle controls more than 50% of the Company's voting power, as evidenced by the Company's ownership records. As a Controlled Company, the continued listing requirements of Nasdaq do not require the Company to have a nominating committee.

**The Executive Committee.** The Executive Committee can exercise the powers of the full Board between meetings of the Board, except for powers that may not be delegated to a committee of the Board under the North Carolina Business Corporation Act. During fiscal 2004, the Executive Committee consisted of Messrs. Robert P. Ingle, Robert P. Ingle, II, James W. Lanning and Ms. Brenda S. Tudor.

**The Audit/Compensation Committee.** The Board has established, through the Company's Bylaws, an Audit/Compensation Committee. When acting in its capacity as Audit Committee, this committee acts under the authority of and has the responsibilities described in the Company's Audit Committee Charter. The Audit Committee Charter was attached as Appendix A to the Company's proxy statement for its 2003 annual meeting of stockholders and is available on the Company's website at [www.ingles-markets.com](http://www.ingles-markets.com). In this capacity, the committee is responsible for, among other things, engaging the Company's independent auditors, approving the fees and services to be provided by the auditors, overseeing the auditors, reviewing and evaluating significant matters relating to the audit and internal controls of the Company; and reviewing the scope and results of audits by, and recommendations of, the Company's independent auditors. In addition, the committee reviews the audited financial statements of the Company and considers major changes and questions of choice regarding appropriate auditing and accounting principles and practices to be followed in the preparation of the Company's financial statements.

When the committee is acting as the Compensation Committee, the Board has empowered the committee to:

approve compensation levels and increases in compensation of each executive officer and of other employees of the Company whose annual base salary is in excess of \$100,000; and

approve all incentive payments to executive officers and any incentive payments in excess of \$25,000, paid in cash or property, in any calendar year to any other employee.

Furthermore, the committee, when acting as the Compensation Committee, administers the Company's employee benefit plans and other compensation matters where independent, disinterested administration is required by applicable tax or securities laws and regulations. Where such laws or regulations require that grants or awards under the Company's stock-based employee benefit plans be made by the full Board or by a committee of non-employee or outside directors, the committee or the Board, as appropriate, makes such decisions.

During fiscal 2004, the Audit/Compensation Committee consisted of Messrs. Pollard, Russell and Wingate. The Board has determined that each member of the Committee is independent for purposes of the provisions of the Sarbanes-Oxley Act of 2002 and the recently revised Nasdaq Marketplace Rules regarding audit committees. In making this determination, the Board specifically reviewed the relationship Mr. Pollard has with the law firm McGuireWoods, LLP, which from time to time handles labor matters for the Company. Until January 1, 2002, Mr. Pollard was

## Edgar Filing: INGLES MARKETS INC - Form DEF 14A

a partner in this law firm. As of January 1, 2002, Mr. Pollard became a non-equity partner of the firm, which, although including the term partner in the title, is a salaried, employee position. Mr. Pollard does not personally provide any of the legal services that his firm performs for the Company. Based on information provided by Mr. Pollard, the Board has determined that Mr. Pollard does not share in the profits of the law firm and thus does

not indirectly receive any of the legal fees paid by the Company to such firm and has not received any of such fees since January 1, 2002. Further, based on information provided by Mr. Pollard, the Board has determined that his compensation is not directly affected by the receipt of payments by McGuireWoods from the Company. Therefore, the Board has determined that Mr. Pollard does not, directly or indirectly, receive any consulting, advisory or other compensatory fee from the Company. All the members of the Audit/Compensation Committee qualify as independent for purposes of such rules as they apply to compensation committees.

The Board has also determined that Mr. Russell is an audit committee financial expert as defined under the rules of the Securities and Exchange Commission, who is independent of management of the Company.

***The Human Resources Advisory Committee.*** The Human Resources Advisory Committee was established in August 1998 to oversee certain of the Company's human resources compliance policies and programs. During fiscal 2004, Ms. Tudor, Ms. Sharp and Mr. Wingate served as members of this committee.

#### **Compensation Committee Interlocks and Insider Participation in Compensation Decisions**

All compensation decisions made during fiscal 2004 that were not made exclusively by the Board or the Audit/Compensation Committee were made by the Chief Executive Officer, in certain instances in consultation with the President and Chief Operating Officer and/or the Chairman of the Board. Messrs. Pollard, Russell and Wingate, who are the members of the Audit/Compensation Committee, were not officers or employees of the Company or its subsidiaries during fiscal 2004 or any prior fiscal year.

While Messrs. Pollard and Wingate do not have any employment relationship with the Company, they do have certain other relationships with the Company. Mr. Pollard is an attorney with the law firm of McGuireWoods, LLP which, from time to time, handles labor matters for the Company. During fiscal 2004, the Company accrued approximately \$53,000 in fees for services rendered by that firm. Mr. Wingate is Chairman, Chief Executive Officer and President of Community Bankshares, Inc. and is an officer and director of its subsidiaries, Financial Supermarkets, Inc. and Community Bank & Trust. Financial Supermarkets, Inc. provides services to the Company in connection with the placement of banks within the Company's supermarkets. During fiscal 2004, the Company paid approximately \$135,000 in fees for services rendered by Financial Supermarkets, Inc.

The Company believes that the transactions described above were conducted on terms that are no less favorable to the Company than could have been obtained from unaffiliated third parties in arm's length transactions.

#### **Meetings of the Board of Directors and Committees**

The Board held four formal meetings during fiscal 2004. The Executive Committee held no formal meetings during fiscal 2004, but met on an informal basis. The Audit/Compensation Committee held seven formal meetings during fiscal 2004, and met on an informal basis during board meetings. The Human Resources Advisory Committee held no formal meetings during fiscal 2004, but received updates on human resource issues as needed at quarterly Board meetings. Each director attended at least 75% of all meetings of the Board and of the committees of the Board on which he or she served during fiscal 2004. See **Committees of the Board of Directors.**

## Edgar Filing: INGLES MARKETS INC - Form DEF 14A

Directors who were not officers of the Company received a fee of \$500 for each Board or Committee meeting they attended in person in fiscal 2004.

### **Director Nominations**

As noted above, the Company did not have a standing nominating committee in fiscal 2004. Historically, the Board of Directors has not considered a nominating committee necessary in that there have been few vacancies on the Company's Board, and vacancies have been filled through discussions between the Chairman and the Chief Financial Officer of the Company with input from other Board members as needed. Under the Company's Articles of Incorporation, 25% of the directors of the Company are elected by the holders of Class A Common Stock and the

remaining directors are elected by holders of the Class B Common Stock. Mr. Ingle, the Chief Executive Officer of the Company, is also the majority holder of shares of Class B Common Stock.

The Company has not received director candidate recommendations from its stockholders and does not have a formal policy regarding consideration of such recommendations. However, any recommendations received from stockholders will be evaluated in the same manner that potential nominees suggested by board members, management or other parties are evaluated. The Company does not intend to treat stockholder recommendations in any manner different from other recommendations.

The Board has not adopted a policy with respect to minimum qualifications for board members. Conversely, with respect to each individual vacancy, the Board has determined the specific qualifications and skills required to fill that vacancy and to complement the existing qualifications and skills of the other Board members.

Historically, the Company has not engaged third parties to assist in identifying and evaluating potential nominees, but would do so in those situations where particular qualifications are required to fill a vacancy and the Board's contacts are not sufficient to identify an appropriate candidate.

#### **Stockholder Communication with Board Members**

The Company maintains contact information, both telephone and email, on its website under the heading Contact Information. By following the Contact Information link, a stockholder will be given access to the Company's telephone number and mailing address as well as a link for providing email correspondence to Investor Relations. Communications sent to Investor Relations and specifically marked as a communication for the Board will be forwarded to the Board or specific members of the Board as directed in the stockholder communication. In addition, communications received via telephone for the Board are forwarded to the Board by an officer of the Company.

#### **Board Member Attendance at Annual Meetings**

The Company generally requires that all directors attend the annual meeting of stockholders, absent extraordinary circumstances. All directors attended the annual meeting of stockholders held in 2004.

#### **Code of Ethics**

The Company has adopted a Code of Ethics that applies to its senior financial officers, including without limitation, its Chief Executive Officer, Chief Financial Officer and Controller. The full text of the Code of Ethics is published on the Company's website at [www.ingles-markets.com](http://www.ingles-markets.com) under the caption Corporate Governance. In the event that the Company makes any amendments to, or grants any waivers of, a provision of the Code of Ethics applicable to its principal executive officer, principal financial officer or principal accounting officer, the Company intends to disclose such amendment or waiver on its website.

### AUDIT COMMITTEE REPORT

The Audit/Compensation Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit/Compensation Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of accounting principles, the reasonableness of significant adjustments, and the clarity of disclosures in the financial statements. Further, as previously announced, the Audit/Compensation Committee conducted an internal investigation of certain issues related to the accounting for vendor payments in connection with the completion of the Company's audited financial statements in the Annual Report.

The Audit/Compensation Committee reviewed with the Company's registered public accounting firm, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, the results of the investigation and their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit/Compensation Committee under generally accepted auditing standards. In addition, the Audit/Compensation Committee has discussed with the independent auditors the auditors' independence from management and the Company including matters in the written disclosures required by the Independence Standards Board and considered the compatibility of any nonaudit services performed with the auditors' independence.

The Audit/Compensation Committee discussed with the Company's registered public accounting firm the overall scope and plans for their respective audits. The Audit/Compensation Committee meets with the independent auditors to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit/Compensation Committee held seven meetings during fiscal 2004.

In reliance on the reviews and discussions referred to above, and taking into account the results of the investigation and the related restatement of the Company's financial statements, the Audit/Compensation Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended September 25, 2004 for filing with the Securities and Exchange Commission. The Committee and the Board also approved the selection of the Company's independent auditors for fiscal 2004.

THE AUDIT/COMPENSATION COMMITTEE

**EXECUTIVE COMPENSATION**

**Report on Executive Compensation**

The Audit/Compensation Committee was responsible for administering executive compensation during fiscal 2004. The duties of this committee are set forth on pages 5 and 6 under the heading **Committees of the Board of Directors Audit/Compensation Committee**. This report describes the compensation policies established by the Committee for the executive officers of the Company.

**Executive Compensation Policies.** The Company's Chief Executive Officer periodically reviews the compensation paid by the Company to its executive officers and other employees. Based on the Company's general performance and that of the individual executive officer, he makes final subjective determinations (in certain instances in consultation with the President and Chief Operating Officer and/or the Chairman of the Board) with respect to any changes to be made to that compensation. Bonuses paid to officers of the Company's subsidiary, Milkco, Inc., are based on established quantitative measurements of Milkco's performance.

Neither the full Board nor the Audit/Compensation Committee generally reviews or ratifies the Chief Executive Officer's decisions relating to executive compensation unless otherwise required by the Company's Bylaws, by resolutions adopted by the Board or by the North Carolina Business Corporation Act. Decisions are made by the Board or the Audit/Compensation Committee if such decisions require the adoption of documents relating to employee benefit plans or programs. In addition, the Audit/Compensation Committee is required by resolution to approve any increases in compensation that the Company will pay to an employee whose base salary is in excess of \$100,000, all incentive compensation that the Company will pay to executive officers and any incentive payments that the Company will pay to any other employee in excess of \$25,000. Decisions about grants or awards under the Company's stock-based employee benefit plans are made either by the Audit/Compensation Committee or by the Board, as appropriate, where Rule 16b-3 of the Securities Exchange Act 1934, as amended (the Exchange Act), or Section 162(m) of the Internal Revenue Code requires that such grants or awards be made by the full Board or by a committee of non-employee or outside directors. See **Committees of the Board of Directors**. No such grants or awards were made during fiscal 2004.

The Internal Revenue Code generally provides that corporate deductions will be disallowed for annual compensation in excess of \$1 million paid to certain executive officers of publicly held corporations. Performance-based compensation is excluded from the cap. Although the \$1 million compensation deduction cap would be applicable to the executive officers named in the **SUMMARY COMPENSATION TABLE** their compensation levels for fiscal 2004 were substantially below the cap. Nevertheless, the Chief Executive Officer and the Audit/Compensation Committee, as appropriate, intend to consider the Internal Revenue Code's compensation deductibility cap when they determine compensation levels and to evaluate appropriate alternatives to mitigate any adverse impact this limitation may have on the deductibility of executive compensation paid by the Company and its subsidiaries.

**Salaries and Cash Incentive Bonus Awards.** In fiscal 2004, Mr. Robert P. Ingle received a salary of \$100,000 and no bonus. Payment of Mr. Robert P. Ingle's salary was approved by the Audit/Compensation Committee. Mr. Ingle and the Audit/Compensation Committee believe the compensation paid to Mr. Ingle in fiscal 2004 is on the low end of competitive compensation paid to other chief executive officers in the industry.

Other executive officers of the Company received a salary and bonus, the amounts of which were determined by Mr. Ingle, the President and Chief Operating Officer and/or the Chairman of the Board, as appropriate, and approved by the Audit/Compensation Committee. The bonus paid to Mr. Gaither, President of the Company's subsidiary, Milkco, Inc., is based on a pre-determined quantitative formula. He received a bonus equal to a percentage of Milkco's earnings before taxes and payment of the bonus. For fiscal 2004, Mr. Gaither's salary was increased to \$175,000, the percentage used to calculate his bonus was decreased and a cap was placed on the amount of his bonus. All other executive officers' bonuses were subjectively determined.

**Investment/Profit Sharing Plan.** The Company maintains the Ingles Markets, Incorporated Investment/Profit Sharing Plan (the Profit Sharing Plan ) to provide retirement benefits to eligible employees. The Profit Sharing Plan includes 401(k) and discretionary employer matching contribution features. The assets of the Profit Sharing Plan are held in trust for participants and are distributed upon the retirement, disability, death or other termination of employment of the participant. The Board, in its discretion, quarterly determines the amount of any Company contributions, including the amount of any matching contributions to be made based on participants' 401(k) contributions for the quarter.

Employees who participate in the Profit Sharing Plan may contribute to their 401(k) account between one percent and fifty percent (in increments of one percent) of their compensation by way of salary reductions that cannot exceed a maximum amount that varies annually in accordance with the Internal Revenue Code. The Company also makes available to Profit Sharing Plan participants the ability to direct the investment of their 401(k) accounts (including the Company's matching contributions) in various investment funds, including a fund holding Class A Common Stock of the Company.

The Company's contributions to the participants' profit sharing accounts are held in a separate fund (the Ingles Fund ) that invests primarily in shares of the Company's Class B Common Stock and also includes cash reserves to facilitate distributions from the fund. See **SECURITY OWNERSHIP OF MANAGEMENT AND CERTAIN BENEFICIAL OWNERS** regarding the shares of Class B Common Stock held by the Profit Sharing Plan.

The Company contributed \$538,904 to the Profit Sharing Plan during fiscal 2004. These contributions were allocated to the matching contribution accounts in each participant's 401(k) accounts. The Company's contributions to each of the executive officers named in the Summary Compensation Table are reflected in the last column of that table. As of September 25, 2004, all of the Company's executive officers who are named in the Summary Compensation Table and who had account balances under the Profit Sharing Plan were 100% vested in their accounts. Participants' interests in contributions allocated to their accounts vest over six years.

**Life Insurance.** The Company maintains, at its expense, for the benefit of each of its full-time employees life insurance policies in amounts up to \$150,000 based on the W-2 compensation of the employee. The premiums paid by the Company for the benefit of the executive officers named in the Summary Compensation Table are included in the last column of that table.

Ingle, Chief Executive Officer and Mr. Federico's father-in-law, personally provided the Company with \$250,000 to fund these payments. ## Stock Price Performance Graph

In accordance with the rules and regulations of the Securities and Exchange Commission, set forth below are a graph and accompanying tables comparing the cumulative total stockholder return on the Class A Common Stock to the cumulative total return of (i) the S&P 500 Comprehensive-Last Trading Day Index and (ii) a peer group of companies in the Company's line of business (the Peer Group) for the five-year period ended September 25, 2004. The Company's peer group consists of the following companies: Marsh Supermarkets, Inc., Fresh Brands, Inc., Wild Oats Markets, Inc., Ruddick Corporation, Weis Markets, Inc. and Winn-Dixie Stores, Inc.

The graph and table assume that \$100 was invested after the close of the market on September 24, 1999, and that dividends were reinvested quarterly. Returns of the companies included in the Peer Group have been weighted according to each company's stock market capitalization at the beginning of each section for which a return is presented.

## SECURITY OWNERSHIP OF MANAGEMENT AND CERTAIN BENEFICIAL OWNERS

The following table sets forth the number of shares of Class A Common Stock and Class B Common Stock owned beneficially as of December 1, 2004, by each director and nominee for director, each of the executive officers of the Company named in the Summary Compensation Table, all directors and executive officers as a group, and each person known by the Company to be a beneficial owner of more than five percent (5%) of either class of the outstanding Common Stock. The table also sets forth the percentage of each class of Common Stock held by such stockholders. As of December 1, 2004, there were 11,752,870 shares of Class A Common Stock and 12,369,091 shares of Class B Common Stock outstanding. Except as otherwise indicated, each beneficial owner has sole voting and investment power with respect to the Common Stock listed.

<sup>(1)</sup> The address of this beneficial owner is P.O. Box 6676, Asheville, North Carolina 28816.

<sup>(2)</sup> Each share of Class B Common Stock is convertible, at any time at the option of the holder, into one share of

Class A Common Stock. If the holder of any shares of Class B Common Stock transfers the shares to anyone other than a qualified transferee as defined in the Company's Articles of Incorporation, then each share of Class B Common Stock will automatically convert into a share of Class A Common Stock. Accordingly, for each holder of Class B Common Stock the number of shares and percentage of Class A Common Stock set forth in this table also reflect the Class A Common Stock into which such stockholder's shares of Class B Common Stock are convertible. However, these converted shares are not used to calculate such percentages for any other stockholder in this table. The number of shares and percentage of Class A Common Stock held by all directors and executive officers as a group also reflects the conversion into Class A Common Stock of each share of Class B Common Stock held by each director and executive officer. Because the Class B Common Stock converts into Class A Common Stock on a one to one basis, the number of shares of Class B Common Stock noted in the table above also represents the number of shares of Class A Common Stock each holder would beneficially own upon conversion of the Class B Common Stock beneficially owned by them.

- (3) Includes the 1,700,000 shares of Class B Common Stock held by the Company's Investment/Profit Sharing Plan and Trust, of which Ms. Tudor and Messrs. Ingle and Lanning are trustees. The trustees have sole voting power and dispositive power with respect to such shares. However, Ms. Tudor and Messrs. Ingle and Lanning disclaim beneficial ownership of such shares.
- (4) Includes 48,600 shares of Class B Common Stock held by Mr. Ingle's wife, with respect to which Mr. Ingle disclaims any beneficial ownership interest.
- (5) Includes 100,000 shares issuable upon the exercise of stock options, which are currently exercisable.
- (6) Includes 8,134 shares of Class B Common Stock held by Mr. Ingle's minor children, with respect to which Mr. Ingle disclaims any beneficial ownership interest.
- (7) Includes 565 shares of Class A Common Stock held by Ms. Sharp's minor children through a dividend reinvestment plan.
- (8) Constitutes shares of Class A Common Stock held by Mr. Russell's spouse through a dividend reinvestment plan, with respect to which Mr. Russell disclaims any beneficial ownership interest.

- (12) The information as to Mario J. Gabelli includes Marc J. Gabelli and entities controlled directly or indirectly by Mario or Marc Gabelli (Gabelli Entities) and is derived from a statement on Form 13D dated July 19, 2004 filed with the Securities and Exchange Commission pursuant to Section 13(d) of the Exchange Act. Such statement discloses that (i) Mr. Gabelli is the chief investment officer for most of the Gabelli Entities signing such statements and is deemed to have beneficial ownership of the shares owned by all Gabelli Entities, (ii) Mr. Gabelli and the Gabelli Entities do not admit that they constitute a group within the meaning of Section 13(d) of the Exchange Act and the rules and regulations thereunder and (iii) Mr. Gabelli and the Gabelli Entities have the sole power to vote and dispose of all the shares of which they are beneficial owners (unless the aggregate voting interest of all Gabelli Entities exceeds 25% of the Company's total voting interest or other special circumstances exist, in which case the proxy voting committees of certain of the Gabelli Entities would have the sole voting power to vote certain of the shares of Class A Common Stock). The Gabelli Entities which beneficially own shares of the Company's Class A Common Stock are registered investment advisors and beneficially own such shares in an agent capacity.

#### **RELATIONSHIP WITH INDEPENDENT AUDITORS**

Ernst & Young LLP has served as the independent auditors for the Company and its subsidiaries since March 1989. Representatives of Ernst & Young LLP are expected to be present at the 2005 Annual Meeting. These representatives will have the opportunity to make a statement if they desire to do so and will respond to appropriate questions. The Audit/Compensation Committee has not yet engaged in discussions regarding the engagement of independent auditors for the Company's 2005 fiscal year.

#### **Audit Fees**

Fees for audit services totaled approximately \$938,000 in fiscal 2004, including fees associated with the annual audit, the review of the Company's quarterly reports on Form 10-Q, and additional procedures related to the previously announced Securities and Exchange Commission's informal inquiry and the Company's internal investigation (the Investigation). Fees related to the audit services in response to the Investigation have totaled approximately \$648,000 and are included in the above total. A majority of such fees related to the Investigation were incurred after the end of fiscal 2004. There remain some minor additional costs that have not been billed.

## Edgar Filing: INGLES MARKETS INC - Form DEF 14A

Fees for audit services totaled approximately \$485,000 in fiscal 2003, including fees associated with the annual audit, the review of the Company's quarterly reports on Form 10-Q, and additional procedures related to the Company's response to the Securities and Exchange Commission's review of an exchange offer registration statement filed by the Company in connection with its senior notes issued in May 2003 and the preparation of comfort letters associated with the notes offering (the Offering). Fees related to the Offering totaled approximately \$249,000 and are included in the above total.

### **Audit-Related Fees**

There were no fees paid to Ernst & Young LLP in fiscal 2004 or 2003 that are not included in the above classifications.

The Company's Audit/Compensation Committee pre-approved all services described above for fiscal 2004, including nonaudit services, and has determined that these fees and services are compatible with maintaining the independence of Ernst & Young LLP. The Company's Audit/Compensation Committee requires that each service provided by Ernst & Young LLP be pre-approved by the committee. However, the committee has empowered Charles E. Russell, the chair of the committee to grant such approval on its behalf as to matters that arise between Audit/Compensation Committee meetings.

## **OTHER MATTERS**

### **Solicitation of Proxies**

The Company will solicit proxies for the Annual Meeting by mail. The Company will bear the cost of preparing, assembling, printing, mailing and soliciting proxy solicitation materials. The Company's officers and regular employees may also solicit proxies in person or by telephone, but they will not be specially compensated for such services. The Company's regularly retained investor relations firm, Corporate Communications, Inc., may also solicit proxies by telephone and mail. The Company will not pay Corporate Communications, Inc. a separate fee for any such proxy solicitations. ### **Stockholders' Proposals for the 2006 Annual Meeting**

The Company plans to hold its 2006 Annual Meeting of Stockholders in February or early March. Any proposal that a stockholder wants to be presented at the 2006 Annual Meeting of Stockholders must be received by the Secretary no later than November 8, 2005 or the proposal will

Further, any stockholder proposal for which the Company does not receive notice on or before January 10, 2006 shall be subject to the discretionary vote of the proxy holders at the 2006 Annual Meeting of Stockholders.

At this time, the Company does not know of any matters to be presented for action at the 2005 Annual Meeting other than those mentioned in the Notice of Annual Meeting of Stockholders and referred to in this Proxy Statement. If any other matter comes before the Annual Meeting, it is intended that the persons who are named in the proxies will vote the shares represented by effective proxies in their discretion.

#### **Section 16(a) Beneficial Ownership Reporting Compliance**

Pursuant to Section 16(a) of the Exchange Act, the Company is required to identify any Reporting Person (as defined below) that failed to file on a timely basis with the Securities and Exchange Commission any report that was required to be filed during fiscal 2004 with the SEC pursuant to Section 16(a) of the Exchange Act. Such required filings include a Form 3 (an initial report of beneficial ownership of Common Stock) and a Form 4 and Form 5 (which reflect changes in beneficial ownership of Common Stock). For purposes of this Proxy Statement, a Reporting Person is a person who at any time during fiscal 2004 was (a) a director of the Company, (b) an executive officer of the Company or its subsidiaries, (c) a beneficial owner of more than 10% of the Class A Common Stock or Class B Common Stock or (d) any other person who was subject to Section 16 of the Exchange Act with respect to the Company. Based solely on a review of such Forms 3, 4 and 5 and all amendments thereto that were furnished to the Company by the Reporting Persons known to the Company, as required by Rule 16a-3(e), no Reporting Person who was required to comply with Section 16(a) of the Exchange Act failed to comply with such requirements during fiscal 2004, with the exception of Gordon S. Myers, who reported the exercise of 6,000 options and sale of the underlying common stock one day late due to miscommunication, Charles L. Gaither, Jr., who reported the exercise of 2,500 options and sale of the underlying common stock late due to difficulty in securing appropriate Edgar filing codes, and an option exercise of 3,000 shares one day late due to miscommunication and Robert P.
