PROXY STATEMENT FOR 2006

ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished by the Board of Directors of Superior Uniform Group, Inc. (the "Company") in connection with the solicitation of proxies to be voted at the Company's 2006 Annual Meeting of Shareholders, which will be held at 10:00 a.m. Local Time on May 5, 2006 at the offices of the Company, 10055 Seminole Boulevard, Seminole, Florida (the "Meeting").

Any proxy delivered pursuant to this solicitation may be revoked, at the option of the person executing the proxy, at any time before it is exercised by delivering a signed revocation to the Secretary of the Company, by submitting a later-dated proxy, or by attending the Meeting in person and casting a ballot. If proxies are signed and returned without voting instructions, the shares represented by the proxies will be voted as recommended by the Board of Directors. Shares that are not voted, either by casting a ballot in person or by returning a signed proxy, by the shareholders or brokers entitled to vote them, or through abstention, will not be considered in the final tabulation.

The cost of soliciting proxies will be borne by the Company. In addition to the use of the mails, proxies may be solicited personally or by telephone by regular employees of the Company. The Company does not expect to pay any compensation for the solicitation of proxies, but may reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their expenses in sending proxy materials to their principals and obtaining their proxies. The approximate date on which this Proxy Statement and enclosed form of proxy is intended to be first mailed to shareholders is March 31, 2006.

The close of business on March 15, 2006 (the "Record Date") has been designated as the record date for the determination of shareholders entitled to receive notice of and to vote at the Meeting. As of March 3, 2006, 7,153,054 shares of the Company's common stock, par value \$.001 per share, (the "Common Stock") were issued and outstanding. Each shareholder will be entitled to one vote for each share of Common Stock registered in his or her name on the books of the Company on the close of business on the Record Date for the Meeting on all matters that come before the Meeting.

The Company's Bylaws provide that the holders of a majority of the issued and outstanding shares of common stock outstanding on the Record Date must be present or represented at the Meeting in order to have a quorum for the transaction of business. Abstentions (votes withheld) will be counted as present for purposes of determining the presence of a quorum. Shares held by nominees for beneficial owners will also be counted for purposes of determining whether a quorum is present if the nominee has the discretion to vote on at least one of the matters presented, even though the nominee may not exercise discretionary voting power with respect to other matters and even though voting instructions have not been received from the beneficial owner (a "broker non-vote"). If a quorum is present and voting, the nine nominees for director receiving the highest number of affirmative votes of the shares present or represented and entitled to be voted for them shall be elected as directors. Abstentions and broker non-votes will not affect the outcome of the vote on such proposal.

ELECTION OF DIRECTORS (Proposal 1)

The Bylaws of the Company set the size of the Board of Directors at not less than three nor more than nine. The Board of Directors currently consists of nine members. Directors hold their positions until the Meeting at which time the term expires, after their respective successors are elected and qualified.

The Board of Directors recommends that nine Directors be elected at the Meeting to hold office until the Company's annual meeting in 2007 and until their successors shall be duly elected and qualified or until their earlier resignation, removal from office or death. The persons designated as nominees for election as director are Gerald M.

Benstock, Michael Benstock, Alan D. Schwartz, Peter Benstock, Manuel Gaetan, Ph.D., Sidney Kirschner, Robin Hensley, Paul Mellini and Arthur Wiener, to serve the term described above. See Management - Directors and Executive Officers and Certain Transactions for further information on such nominees. In the event any of the nominees should be unable to serve, which is not anticipated, the Board of Directors may designate substitute nominees, in which event the persons named in the enclosed proxy will vote for such other person or persons for the office of Director as the Board of Directors may recommend.

Shareholders may vote for up to nine nominees and the nine nominees receiving the highest number of votes shall be elected. Shareholders may not vote cumulatively in the election of Directors.

The Board of Directors recommends a vote FOR each of the nominees.

Nominations of Directors

The Board selects the director nominees to stand for election at the Company's annual meetings of shareholders and to fill vacancies occurring on the Board, based on the recommendations of the Nominating Committee. In recommending nominees to serve as directors, the Nominating Committee will examine each director nominee on a case-by-case basis regardless of who recommended the nominee and take into account all factors it considers appropriate. However, the Nominating Committee believes the following minimum qualifications must be met by a director nominee to be recommended to the Board:

Each director must display high personal and professional ethics, integrity and values.

Each director must have the ability to exercise sound business judgment.

Each director must be highly accomplished in his or her respective field, with broad experience at the executive and/or policy-making level in business, government, education, technology or public interest.

Each director must have relevant expertise and experience, and be able to offer advice and guidance based on that expertise and experience.

Each director must be able to represent all shareholders of the Company and be committed to enhancing long-term shareholder value.

Each director must have sufficient time available to devote to activities of the Board and to enhance his or her knowledge of the Company's business.

The Board also believes the following qualities or skills are necessary for one or more directors to possess:

One or more of the directors generally should be active or former chief executive officers of public or private companies or leaders of major organizations, including commercial, scientific, government, educational and other similar institutions.

Directors should be selected so that the Board is a diverse body.

The Nominating Committee will consider recommendations for directorships submitted by shareholders. Recommendations for consideration by the Nominating Committee, including recommendations from shareholders of the Company, should be sent to the Board of Directors, care of the Secretary of the Company, at the Company's headquarters in writing together with appropriate biographical information concerning each proposed nominee. Recommendations by shareholders that are made in accordance with these procedures will receive the same consideration given to nominees of the Nominating Committee.

Superior Retirement Plans

Since 1942, the Company has had a retirement plan (the "Basic Plan") which has been qualified under the Internal Revenue Code. The Basic Plan is a defined benefit plan, with benefits normally beginning at age 65, is non-contributory by an employee, and the Company's contributions are not allocated to the account of any particular employee. All employees of the Company (except employees included in a retirement plan negotiated as part of a union contract) are eligible to participate in the Basic Plan. The Company also commenced effective November 1, 1994, the Superior Uniform Group, Inc. Supplemental Pension Plan (the "Supplemental Plan") available to certain eligible employees of the Company. Retirement benefits available under the Supplemental Plan are based on the same provisions as in the qualified plan but ignore the salary limitations imposed by the Internal Revenue Service (\$210,000 in 2005). Accordingly, all eligible employees, regardless of earnings, will receive exactly the same formula distribution upon retirement. The following table shows estimated annual retirement benefits for the Basic Plan and Supplemental Plan (the "Plan") combined, which are payable to employees of the Company upon retirement in specified compensation and years of service classifications.

The above table shows a projected annual single life annuity with annual retirement benefits which would accrue for various periods of employment at various compensation levels, assuming constant earnings in all future years, continuous employment until age 65, and a change in the 2005 Covered Compensation Level to \$59,774. The Plan provides benefits based on years of service and earnings above and below the covered Compensation Base. The normal monthly retirement benefit is 17.5% of an employee's average monthly compensation during the highest paid five years of the ten years immediately preceding retirement up to his Covered Compensation Base plus 32.5% of such average monthly compensation in excess of his Covered Compensation Base, reduced in the event such employee has less than 25 years of service. An employee's compensation includes overtime pay, commissions and any bonus received and therefore includes executive officers compensation as described in Salary and Bonus in the Summary Compensation Table shown above. There is no offset in retirement benefits for Social Security benefits or other retirement plans or statutory benefits. Of the five most highly compensated executive officers, Mr. G. Benstock, Mr. M. Benstock and Mr. Schwartz have the maximum years of service credited and Mr. P. Benstock and Mr. Demott have 23 years and 7 years of service respectively credited under the Plan. The Basic Plan was amended as of November 1, 1989. Prior to the amendment, the Basic Plan provided benefits based on years of service and earnings in excess of the Covered Compensation Base (the wage bases on which maximum Social Security taxes are payable). Benefits accrued to November 1, 1989, under the Basic Plan prior to the recent amendment would be paid, if higher than the sums set forth above.

The following sections regarding Report of the Compensation Committee, Report of the Audit Committee and the Performance Graph are not deemed to be soliciting material or to be filed with the Commission or subject to Regulation 14A under the Securities Exchange Act of 1934, or to the liabilities of Section 18 of the Securities Exchange Act of 1934.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The following report was prepared by independent Directors Sidney Kirschner, Paul Mellini and Arthur Wiener, as the members of the Company's Compensation Committee:

Annual compensation for the executive officers of the Company is determined by the Compensation Committee of the Company. Stock option grants will be made pursuant to the Company's 2003 Incentive Stock and Awards Plan, at the discretion of the Compensation Committee, to the Company's officers and other key employees. The usual components of the annual compensation paid to all of the Company's executive officers are (i) base salary; (ii) a cash bonus awarded pursuant to an informal bonus pool arrangement for Company officers as established by the Compensation Committee; (iii) allocations of contributions made by the Company to the respective accounts of the executive officers under its pension plans; (iv) matching contributions under the Company's 401(k) plan; (v) stock option grants awarded by the Compensation Committee; (vi) a car allowance; and (vii) for the Chairman of the Board of Directors, insurance premiums pursuant to the Split Dollar Insurance

arrangement described in the Certain Transactions section of this Proxy Statement. Each of these components of annual compensation are determined based upon a variety of factors, most of which are subjective.

The base salaries of the Chief Executive Officer and all other executive officers of the Company are determined each year by the Compensation Committee based on factors and criteria consisting of comparison of similarly situated officers of similar companies, comparison of similarly situated officers of companies of similar size in the locale of the Company, years of service, assigned responsibilities, individual performance, growth of the Company, profitability of the Company and increases in the cost of living. In this context, each year the Compensation Committee determines, after consultation with the Chief Executive Officer and other executive officers, an overall goal by which the aggregate amount of base salary increases for all employees of the Company, including the Chief Executive Officer and all other executive officers are not generally exceeded. Within such overall goal, individual allocations are then made within each department of the Company such that the aggregate base salaries paid to each member of that department generally comply with the target levels for that department. Generally, the same allocations within the same overall goal is made by the Compensation Committee with respect to the Chief Executive Officer and the other executive officers of the Company.

During the first quarter of each fiscal year of the Company, the Compensation Committee establishes the guidelines for an informal bonus pool in which the Chief Executive Officer, all executive officers and all staff vice presidents are entitled to participate with a bonus, based upon varying percentages of the base salaries of all executive officers and all staff vice presidents of the Company, linked to annual earnings per share on a graduated basis. Individual allocations are then made by the Compensation Committee with respect to all executive officers of the Company, including the Chief Executive Officer. Criteria and factors for the individual allocations are based on responsibilities, individual performance and direct and indirect contribution to the profitability of the Company.

Inasmuch as each of the Company's pension plans cover all full-time employees (as defined in the Plan) of the Company, awards to all the executive officers under such plan are made on the same basis as are awards of all other participants.

Stock option grants to all executive officers and other key employees of the Company, including the Chief Executive Officer, are made at the discretion of the Compensation Committee pursuant to the Company's Stock Option Plan. Factors and criteria used by the Compensation Committee in the award of stock options included individual responsibilities, individual productivity, individual performance, direct and indirect contribution to the profitability of the Company. Any benefits derived from each stock option granted under the Stock Option Plan is directly attributable to any future increase in the value of the Company's common stock.

During 2005, the Chief Executive Officer received an annual base salary of \$306,000, which the Committee believes is reasonable and competitive compared to peer company CEOs. In addition, the Chief Executive Officer received stock appreciation rights for 20,000 shares of the Company's common stock pursuant to its 2003 Stock Incentive Plan.

In early 2005, the Compensation Committee and the Board reviewed Mr. Benstock's goals for 2005. In February 2006, the Board reviewed Mr. Benstock's performance against those goals using 2005 results. We decided on the above base compensation and stock option awards, after considering input by the full Board. A portion of Mr. Benstock's incentive was determined by the Company's meeting pre-established targets under the annual plan. We then determined the personal performance factor and the number of stock appreciation rights.

CERTAIN TRANSACTIONS

Director and Officer Liability Insurance

As authorized by Section 607.0850(12) of the Florida Business Corporation Act, the Company maintains insurance to indemnify it and its Directors and officers from certain liabilities to the extent permitted by law; such insurance is in the face amount of \$10,000,000 with Federal Insurance Company, under contract dated August 27, 2005 at an annual premium of \$100,000. No sums have been paid or sought under any such indemnification insurance.

Split Dollar Life Insurance Agreements

In 1991, the Company entered into a split dollar life insurance agreement with the Benstock Family Insurance Trust, of which Michael Benstock and Alan Schwartz serve as trustees. The Company previously advanced sums to the trust to be used to pay the premiums on a life insurance policy obtained from Phoenix Home Life Mutual Insurance in

the amount of \$10 million on the lives of Gerald M. Benstock and M. Joan Benstock, his spouse. In 1993, an additional policy in the amount of \$2 million on the life of Gerald Benstock was added to the trust. Under the terms of the agreement, the Company is obligated to advance that portion of the premium relating to Mr. Benstock, individually, as long as such premiums are payable under the policy. The Benstock Family Insurance Trust assigned to the Company a security interest in the cash value and death benefit of each policy equal to the amount of the cumulative premium payments made by us. Advances are repayable only upon (1) the death of the survivor of Mr. Benstock and his spouse, (2) the surrender of the policies by the trust, or (3) the termination of the agreement before the death of Mr. Benstock and his spouse. The total premiums paid by us during 2005 were \$292,283. The purpose of this arrangement is to protect the Company from the possibility of a large block of its common stock being offered for sale on the open market to the potential detriment of the Company's stock price in the event of the unexpected death of one of the principals. In the event of death, the proceeds of the policies would be used to pay the estate taxes on Mr. Benstock's estate, thereby decreasing the likelihood that his estate would find it necessary to sell large blocks of stock in a short period of time to pay such taxes.

These insurance policies were substantially restructured in January 2003 such that the Company is the beneficiary of the proceeds of the life insurance policies on the life of Gerald M. Benstock in an amount equal to the greater of the premiums paid on each such policy or the cash surrender value of each such policy. The Company now owns the cash value of each policy. In March of 2003, the Company remitted approximately \$53,000 to the trust for the excess of the cash surrender value over the amount of premiums paid by the Company.

REPORT OF THE AUDIT COMMITTEE

The Company's Audit Committee serves to assist the Board in fulfilling the Board's responsibilities relating to safeguarding of assets and oversight of the quality and integrity of the accounting, auditing and reporting practices of the Company. The members of the Audit Committee meet the independence and experience requirements of the American Stock Exchange and the Securities and Exchange Commission.

The Company's management has primary responsibility for the preparation, presentation and integrity of the Company's financial statements and its financial reporting process. The Company's independent auditing firm, Grant Thornton LLP, is responsible for expressing an opinion on the conformity of the Company's audited financial statements to accounting principles generally accepted in the United States of America. The Audit Committee's responsibility is to monitor and oversee these processes. In connection with these responsibilities, the Audit Committee reports as follows:

1. The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2005 with the Company's management.
2. The Audit Committee has discussed with Grant Thornton LLP the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU § 380), as amended by Statement on Auditing Standards No. 90 (communications with audit committees).
3. The Audit Committee has received the written disclosures and the letter from Grant Thornton LLP required by Independence Standards Board Standard No. 1 (Independence Standards Board Standards No. 1, Independence Discussions with Audit Committees) and has discussed with Grant Thornton LLP its independence.

4. Based on the review and discussion referred to in paragraphs (1) through (3) above, the Audit Committee recommended to the Board of Directors that the financial statements be approved for inclusion in the Annual Report on Form 10-K for the period ended December 31, 2005 for filing with the Securities and Exchange Commission.

BY: Robin Hensley, Sidney Kirschner, Paul Mellini and Arthur Wiener

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS (Proposal 2)

Although the Audit Committee has the sole authority to appoint the independent auditors, the Audit Committee will continue its long-standing practice of recommending that the Board ask the shareholders, at their annual meeting, to ratify their appointment of the independent auditors. The Audit Committee has appointed Grant Thornton LLP, independent certified public accountants, to audit the financial statements of the Company for the year ending December 31, 2006.

The Company expects representatives of Grant Thornton LLP to be present at and available to respond to appropriate questions at the Meeting. Representatives of Grant Thornton LLP will have the opportunity to make a statement if they so desire.

Shareholder ratification of the Company's independent certified public accountants is not required by the Company's Bylaws or otherwise. The Audit Committee and the Board of Directors has elected to seek such ratification as a matter of good corporate practice. If the shareholders do not ratify this appointment, the Audit Committee will consider the appointment of other auditors.

Audit Fees and All Other Fees

The following table sets forth information regarding fees paid by the Company to Grant Thornton LLP during 2005 and 2004:

	2005	2004
Audit Fees ⁽¹⁾	\$ 409,159	\$ 369,292
Tax Fees ⁽¹⁾	7,080	
Total Fees	\$ 416,239	\$ 369,292

⁽¹⁾ Fees for audit services include fees associated with the annual audit and the audit of internal control over financial reporting in 2005 and 2004 and the reviews of the Company's quarterly reports on Form 10-Q. Tax fees for 2005 include fees for the review of the Company's Federal tax return. There were no other fees paid to Grant Thornton LLP during 2005.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee has concluded that Grant Thornton LLP's provision of the audit and permitted non-audit services described above is compatible with maintaining Grant Thornton LLP's independence. The Audit Committee pre-approved all of such services. The Audit Committee has established pre-approval policies and procedures with respect to audit and permitted non-audit services to be provided by its independent auditors. Pursuant to these policies and procedures, the Audit Committee may form, and delegate authority to, subcommittees consisting of one or more members when appropriate to grant such pre-approvals, provided that decisions of such subcommittee to grant pre-approvals are presented to the full Audit Committee at its next scheduled meeting. The Audit Committee's pre-approval policies do not permit the delegation of the Audit Committee's responsibilities to management.

OTHER BUSINESS

Management of the Company does not know of any other business that may be presented at the Meeting. If any matter not described herein should be presented for shareholder action at the Meeting, the persons named in the enclosed Proxy will vote or refrain from

voting the shares represented thereby in accordance with their best judgment on such matters after consultation with the Board of Directors.

**SHAREHOLDER PROPOSALS FOR
PRESENTATION AT THE 2007 ANNUAL MEETING**

If a qualified shareholder desires to present a proposal for action at the annual meeting of shareholders to be held in 2007, and such proposal conforms to the rules and regulations of the Securities and Exchange Commission and is in accordance with other federal laws as well as the laws of the State of Florida, such proposal must be received by the Company by December 1, 2006, to be included in the Company's Proxy Statement and proxy for such 2007 meeting (unless the date of the 2007 annual meeting is not held within 30 days of May 4, 2007, in which case the deadline will be a reasonable time before we begin to print and mail the proxy material for the 2007 annual meeting of shareholders). In addition, the proxy solicited by the Board for the 2007 annual meeting will confer discretionary authority on the persons named in such Proxy to vote on any shareholder proposal presented at that meeting if the Company receives notice of such proposal later than February 14, 2007, without the matter having been discussed in such Proxy.
