Item 7.01. Regulation FD Disclosure.

On April 10, 2006, the registrant signed a confidential settlement agreement with the Compuware Corporation that amicably resolves all disputed matters in lawsuits filed by each company in Michigan and in Maryland.

As previously reported, in September 2004, Compuware filed suit in the United States District Court for the Eastern District of Michigan alleging the registrant had infringed three patents held by Compuware. In February 2006, the registrant filed, but did not serve, a lawsuit in the Circuit Court for Montgomery County, Maryland alleging Compuware had violated the Maryland Uniform Trade Secrets Act by misappropriating trade secrets concerning the registrant's software products.

The settlement of these lawsuits is on terms the registrant believes are favorable to it. Specifically, no material amounts were exchanged by the parties to the settlement agreement and the settlement agreement does not entail a royalty or licensing arrangement between the parties.
