5.02(e). On July 30, 2007, our Compensation Committee approved a new compensation arrangement for Mr. Lasse Beijer, our Chief Operating Officer Europe. As described in the current report on Form 8-K we filed June 6, 2007, Mr. Beijer was appointed as our Chief Operating Officer Europe effective June 1, 2007. Before that, he served as the principal officer responsible for our Nordic region.

Under the new arrangement, Mr. Beijer will receive a base salary with a value of US\$ 275,000, with retroactive effect to June 1, 2007. He will be eligible for a bonus of 60% of his salary, based on achievement of certain performance targets under our executive bonus plan. Mr. Beijer will also be eligible to receive customary executive benefits, including an automobile allowance, health benefits, pension contributions, and relocation benefits.

Finally, the Compensation Committee also approved a grant of options to purchase 36,000 shares of our stock. One-quarter of the options will vest on each of the first four anniversaries of the grant date, except that in the event of a change of control, all outstanding unvested stock options shall become fully vested and exercisable. The options were issued on August 1, 2007, in accordance with the terms of our 2006 Incentive Award Plan.
