(PURCHASER), AND ITS SUBSIDIARIES (INCLUDING PURCHASER), REPRESENTS AT LEAST A MAJORITY OF THE TOTAL NUMBER OF SHARES OUTSTANDING ON A FULLY-DILUTED BASIS, (II) PURCHASER BEING SATISFIED, IN ITS SOLE DISCRETION, THAT THE RESTRICTIONS ON BUSINESS COMBINATIONS WITH INTERESTED STOCKHOLDERS SET FORTH IN SECTION 203 OF THE GENERAL CORPORATION LAW OF THE STATE OF DELAWARE ARE INAPPLICABLE TO THE OFFER AND THE PROPOSED MERGER, (III) TAKE-TWO S BOARD OF DIRECTORS REDEEMING THE ASSOCIATED PREFERRED STOCK PURCHASE RIGHTS OR ELECTRONIC ARTS BEING SATISFIED, IN ITS SOLE DISCRETION, THAT SUCH RIGHTS HAVE BEEN INVALIDATED OR ARE OTHERWISE INAPPLICABLE TO THE OFFER AND THE PROPOSED MERGER, (IV) TAKE-TWO HAVING ENTERED INTO A MERGER AGREEMENT WITH ELECTRONIC ARTS AND PURCHASER PROVIDING FOR THE CONSUMMATION OF THE OFFER AND A SECOND STEP MERGER AS CONTEMPLATED BY THIS OFFER TO PURCHASE ON TERMS SATISFACTORY TO ELECTRONIC ARTS AND PURCHASER IN THEIR REASONABLE JUDGMENT, INCLUDING REPRESENTATIONS AND WARRANTIES THAT ARE REASONABLY SATISFACTORY TO ELECTRONIC ARTS AND PURCHASER AND ARE NOT SUBJECT TO ANY EXCEPTIONS THAT REFLECT FACTS, CIRCUMSTANCES OR CONDITIONS THAT WOULD RESULT IN A FAILURE TO SATISFY ANY OTHER CONDITION TO THE OFFER AND (V) ANY APPLICABLE WAITING PERIOD UNDER THE HART-SCOTT-RODINO ANTITRUST IMPROVEMENTS ACT OF 1976, AS AMENDED, HAVING EXPIRED OR BEEN TERMINATED. Section 8 Certain Information Concerning the Company

The Offer Section 8 Certain Information Concerning the Company is amended by inserting after the second paragraph thereof and before the paragraph entitled *Additional Information* the following:

Preferred Stock Purchase Rights; Series B Preferred Stock. The following description of the Rights and the Preferred Stock (as defined below) is based upon publicly available documents filed by Take-Two with the SEC. This description does not purport to be complete and is qualified in its entirety by reference to the Rights Agreement, which is filed as Exhibit 4.1 to the Company's registration statement on Form 8-A filed with the SEC on March 26, 2008.

On March 24, 2008, the Company entered into the Rights Agreement with American Stock Transfer & Trust Company (the *Rights Agent*). In connection therewith, the Company's board of directors declared a distribution of one Right for each outstanding share of Common Stock to stockholders of record at the close of business on April 7, 2008 (the *Rights Record Date*) and for each share of Common Stock issued (including shares of Common Stock issued from the Company's treasury) by the Company thereafter and prior to the Distribution Date. Each Right entitles the registered holder, subject to the terms of the Rights Agreement, to purchase from the Company one one-thousandth of a share of the Company's Series B Preferred Stock, par value \$0.01 per share (the *Preferred Stock*), at a price of \$42.50 per Unit, subject to adjustment (the *Purchase Price*).

Initially, the Rights will attach to all certificates representing shares of Common Stock then outstanding, and no separate Rights Certificates will be distributed. The Rights will separate from the shares of Common Stock and the *Distribution Date* will occur upon the earlier of (i) ten business days following a public announcement that a person or group of affiliated or associated persons has become an Acquiring Person (as defined below), or (ii) either (x) with respect to any tender or exchange offer not pending on the date of the execution of the Rights Agreement, ten business days (or such later date as may be determined by the Company's Board of Directors prior to such time as any person becomes an Acquiring Person) following the commencement of a tender or exchange offer that would result in a person or group of affiliated and associated persons beneficially owning an aggregate of 20% or more of the total voting power represented by all the then outstanding shares of Common Stock and other voting securities of the Company (the *Voting Securities*) or (y) with respect to any tender or exchange offer pending on the date of the Rights Agreement, simultaneously with the acceptance for payment of the shares tendered pursuant to such tender offer, if upon consummation thereof, such person would be the beneficial owner of shares of Voting Securities representing 20% or more of the total Voting Securities then outstanding. Until the Distribution Date, (i) the Rights will be evidenced by certificates for shares of Common Stock and will be transferred with and only with such share certificates, (ii) new share certificates for shares of

Common Stock issued after the Rights Record Date (including shares of Common Stock distributed from the Company's treasury) will contain a notation incorporating the Rights Agreement by reference, and (iii) the surrender for transfer of any certificates representing outstanding shares of Common Stock will also constitute the transfer of the Rights associated with the shares of Common Stock represented by such certificates.

An *Acquiring Person* is a person or group of affiliated or associated persons that has acquired, obtained the right to acquire, or otherwise obtained beneficial ownership of an aggregate of 20% or more of the total voting power represented by all the then outstanding shares of Voting Securities. The following, however, are not considered Acquiring Persons under the Rights Agreement: (1) the Company, its subsidiaries, any employee benefit plan of the Company or any of its subsidiaries, or any entity holding shares of Voting Securities pursuant to the terms of any such plan; (2) any person or group that becomes the beneficial owner of 20% or more of the total voting power represented by all the then outstanding Voting Securities solely as a result of the acquisition of Voting Securities by the Company, unless such person or group thereafter acquires beneficial ownership of additional Voting Securities; (3) subject to certain conditions set forth in the Rights Agreement, a person or group that otherwise would have become an Acquiring Person as a result of an inadvertent acquisition of 20% or more of the total voting power represented by all the then outstanding Voting Securities; and (4) subject to certain conditions set forth in the Rights Agreement, any person or group that would otherwise be deemed an Acquiring Person upon adoption of the Rights Agreement (a *Grandfathered Stockholder*). Except as provided in the Rights Agreement, a person or group that is a Grandfathered Stockholder will cease to be a Grandfathered Stockholder and will become an Acquiring Person if, after adoption of the Rights Agreement, such Grandfathered Stockholder acquires beneficial ownership of additional Voting Securities in excess of two percent of the number of shares of Common Stock outstanding as of March 24, 2008.

The Rights are not exercisable until the Distribution Date and will expire on the third anniversary of the Rights Agreement unless earlier redeemed or exchanged by the Company as described below.

As soon as practicable after the Distribution Date, Rights certificates will be mailed to holders of record of shares of Common Stock as of the close of business on the Distribution Date and, thereafter, the separate Rights certificates alone will represent the Rights.

If a person or group of affiliated or associated persons becomes an Acquiring Person, then each holder of a Right will thereafter have the right to receive, upon exercise, shares of Common Stock (or, in certain circumstances, shares of Preferred Stock, other securities, cash, property or a combination thereof) having a value equal to two times the exercise price of the Right. The exercise price is the Purchase Price multiplied by the number of one one-thousandths of a share of Preferred Stock issuable upon exercise of a Right prior to the events described in this paragraph.

Notwithstanding any of the foregoing, following the time any person or group becomes an Acquiring Person, all Rights that are, or under certain circumstances specified in the Rights Agreement were, beneficially owned by any Acquiring Person or its affiliates or associates will be null and void.

In the event that, at any time after a person or group becomes an Acquiring Person, (i) Take-Two is acquired in a merger or other business combination with another company and Take-Two is not the surviving corporation, (ii) another company consolidates or merges with Take-Two and all or part of the shares of Common Stock are converted or exchanged for other securities, cash, or property, or (iii) 50% or more of the consolidated assets or earning power of Take-Two and its subsidiaries is sold or transferred to another company, then each holder of a Right (except Rights that previously have been voided as described above) shall thereafter have the right to receive, upon exercise, common stock or other equity interest of the ultimate parent of such other company having a value equal to two times the exercise price of the Right.

The Purchase Price payable, and the number of shares of Preferred Stock (or other securities, as applicable) issuable, upon exercise of the Rights are subject to adjustment from time to time to prevent dilution (i) in the event of a stock dividend on, or a subdivision, combination or reclassification of, the Preferred Stock, (ii) if holders of the Preferred Stock are granted certain rights or warrants to subscribe for Preferred Stock or

convertible securities at less than the current market price of the Preferred Stock, or (iii) upon the distribution to the holders of the Preferred Stock of evidences of indebtedness, cash or assets (excluding regular quarterly cash dividends or dividends payable in the Preferred Stock) or of subscription rights or warrants (other than those referred to above).

With certain exceptions, no adjustment in the Purchase Price will be required until cumulative adjustments amount to at least one percent of the Purchase Price. The Company is not required to issue fractional Preferred Shares (other than fractional shares that are integral multiples of one one-thousandth of a share). In lieu thereof, an adjustment in cash may be made based on the market price of the Preferred Stock prior to the date of exercise.

At any time prior to such time as any person or group or affiliated or associated persons becomes an Acquiring Person, the Company's Board of Directors may redeem the Rights in whole, but not in part, at a price of \$0.0001 per Right, rounded up to the nearest whole cent (subject to adjustment in certain events) (the *Redemption Price*). Immediately upon the action of the Company's Board of Directors ordering the redemption of the Rights, the Rights will terminate and the only right of the holders of such Rights will be to receive the Redemption Price for each Right held. The Company's Board of Directors has committed to redeem the Rights 180 days after the date of the adoption of the stockholders rights plan.

At any time after any person or group of affiliated or associated persons becomes an Acquiring Person and before any such Acquiring Person becomes the beneficial owner of 50% or more of the total voting power of the aggregate of all shares of Voting Securities then outstanding, the Take-Two Board of Directors, at its option, may exchange each Right (other than Rights that previously have become void as described above) in whole or in part, for Shares at an exchange ratio of one share of Common Stock (or under certain circumstances one Unit of Preferred Stock or equivalent preferred stock) per Right (subject to adjustment in certain events).

Until a Right is exercised, the holder thereof, as such, will have no rights as a stockholder of the Company, including, without limitation, the right to vote or to receive dividends. While the distribution of the Rights will not be taxable to stockholders or to the Company, stockholders may, depending upon the circumstances, recognize taxable income in the event that the Rights become exercisable for Preferred Stock (or other consideration).

Any of the provisions of the Rights Agreement may be amended without the approval of the holders of Rights in order to cure any ambiguity, defect, or inconsistency or to make any other changes that the Take-Two Board of Directors may deem necessary or desirable. After any person or group of affiliated or associated persons becomes an Acquiring Person, the provisions of the Rights Agreement may not be amended in any manner that would adversely affect the interests of the holders of Rights (excluding the interests of any Acquiring Person).

The Preferred Stock that may be acquired upon exercise of the Rights will not be redeemable and will rank junior to any other shares of preferred stock that may be issued by the Company with respect to the payment of dividends and as to distribution of assets in liquidation.

Each share of Preferred Stock will have a minimum preferential quarterly dividend of the greater of \$1.00 per share or 1,000 times the aggregate per share amount of any cash dividend declared on the shares of Common Stock since the immediately preceding quarterly dividend, subject to certain adjustments. In the event of liquidation, the holder of Preferred Stock will be entitled to receive a cash preferred liquidation payment per share equal to the greater of \$1.00 (plus accrued and unpaid dividends thereon) or 1,000 times the amount paid in respect of a share of Common Stock, subject to certain adjustments.

Generally, each share of Preferred Stock will vote together with the shares of Common Stock and any other class or series of capital stock entitled to vote on such matter, and will be entitled to 1,000 votes per share, subject to certain adjustments. The holders of the Preferred Stock, voting as a separate class, shall be entitled to elect two directors if dividends on the Preferred Stock are in arrears in an amount equal to six quarterly dividends thereon.

In the event of any merger, consolidation or other transaction in which shares of Common Stock are exchanged, each share of Preferred Stock will be entitled to receive 1,000 times the aggregate per share amount of stock, securities, cash or other property paid in respect of each share of Common Stock, subject to certain adjustments.

The rights of holders of the Preferred Stock to dividend, liquidation and voting rights are protected by customary anti-dilution provisions.

Because of the nature of the Preferred Stock's dividend, liquidation and voting rights, the economic value of one Unit of Preferred Stock is expected to approximate the economic value of one share of Common Stock.

The Offer is conditioned upon, among other things, the Rights Condition. See The Offer Section 14 Conditions of the Offer. Company stockholders will be required to tender one Right for each share of Common Stock tendered in order to effect a valid tender of Shares in accordance with the procedures set forth in The Offer Section 3 Procedures for Tendering Shares. Unless the Distribution Date occurs, a tender of Common Stock will also constitute a tender of the Rights.

Section 12 Purpose of the Offer; Plans for the Company; Statutory Requirements; Approval of the Merger; Appraisal Rights

The last sentence of the first paragraph of The Offer Section 12 Purpose of the Offer; Plans for the Company; Statutory Requirements; Approval of the Merger; Appraisal Rights is amended by inserting after the phrase the Section 203 Condition the phrase and the Rights Condition.

The fourth sentence of the third paragraph of The Offer Section 12 Purpose of the Offer; Plans for the Company; Statutory Requirements; Approval of the Merger; Appraisal Rights is amended by inserting after the phrase the Section 203 Condition, the phrase the Rights Condition, .
