Item 1.01. Entry into a Material Definitive Agreement.

On June 5, 2008, Citadel Broadcasting Corporation (the *Company*) completed its offer (the *Offer*) to purchase, on a *pro rata* basis, up to an aggregate principal amount of \$55.0 million of its 1.875% Convertible Subordinated Notes due 2011 (the *Existing Notes*) for a price of \$900 per \$1,000 principal amount of the Existing Notes, and to exchange all Existing Notes validly tendered and not withdrawn in excess of \$55.0 million for an equal amount of its newly authorized Amended and Restated Convertible Subordinated Notes due 2011 (the *Amended Notes*). The Company has accepted all Existing Notes that were validly tendered and not withdrawn in the Offer, and on June 11, 2008, the Company issued \$274.474 million aggregate principal amount of Amended Notes pursuant to an Indenture, dated as of June 11, 2008 (the *Indenture*), between the Company and Wilmington Trust Company, as trustee.

The Amended Notes will mature on February 15, 2011 (unless earlier redeemed at the Company's option under limited circumstances, converted into common stock at the option of any registered holder of the Amended Notes (each, a *Holder*) or repurchased by the Company at the option of the Holder under limited circumstances) and are the Company's subordinated obligations. The Amended Notes will bear interest at 4.00%, retroactive to January 1, 2008. The Company will pay interest semi-annually on February 15 and August 15 of each year (each, an *interest payment date*), commencing on August 15, 2008 (the *initial interest payment date*) to Holders of record on the preceding February 1 and August 1, respectively.

If, as of December 31, 2008, the aggregate principal amount of the remaining outstanding Amended Notes is greater than \$165.0 million, then (i) the annual interest rate on the Amended Notes outstanding as of December 31, 2008 will retroactively increase by 2.00% to a rate of 6.00% (the *Interest Step-Up*) per annum, which increase will be deemed to have accrued from and including January 1, 2008, and the Interest Step-Up that is so deemed to have accrued from and including January 1, 2008 but is unpaid will be paid on the next interest payment date (as defined below) to Holders of record on the relevant record date specified herein; and (ii) at all times from and after January 1, 2009, the annual interest rate on any Amended Notes outstanding will equal the *2009 Interest Rate*, which will be determined in the following manner:

- (A) on or prior to November 30, 2008, each of the Company and the Trustee (acting at the direction of the Holders pursuant to the terms of the Amended Notes Indenture) will select a nationally recognized investment bank (respectively, the *Company Bank* and the *Trustee Bank*) to calculate the *2009 Par Rate* (as defined below), and each of the Company and the Trustee will promptly notify the other party in writing of such selection;
- (B) between January 1, 2009 and January 10, 2009, the Company Bank and the Trustee Bank will agree on the annual interest rate which would be required as of January 1, 2009 in order to make all such Amended Notes trade at par value as of January 1, 2009, excluding accrued but unpaid interest thereon (*2009 Par Rate*);
- (C) to the extent the two investment banks selected cannot agree on the *2009 Par Rate* by January 10, 2009, then they will jointly select a mutually acceptable, nationally recognized investment bank (for purposes of this paragraph, the *Third Bank*) to determine a rate that will be the *2009 Par Rate* by no later than January 30, 2009, and such determination will be final and binding on the Company, the Trustee and

all Holders; provided that if the rate chosen by the Third Bank will be less than the rate chosen by the Company Bank, then the 2009 Par Rate will be the rate chosen by the Company Bank; provided further that if the rate chosen by the Third Bank will be greater than the rate chosen by the Trustee Bank, then the 2009 Par Rate will be the rate chosen by the Trustee Bank;

(D) the 2009 Interest Rate will be the 2009 Par Rate as determined pursuant to clauses (A)-(C) above, retroactive as of January 1, 2009; and

(E) the Company will bear the reasonable and documented costs and expenses of the investment banks selected pursuant to clauses (A)-(C) of this paragraph.

If, as of December 31, 2008, the aggregate principal amount of the remaining outstanding Amended Notes is less than or equal to \$165.0 million, then (i) on January 1, 2009, the annual interest rate on the Amended Notes outstanding as of such date will be increased to a rate of 8.00% per annum, which increase will be effective through December 31, 2009; and (ii) at all times from and after January 1, 2010, the annual interest rate on any Amended Notes outstanding will be equal the 2010 Interest Rate, which will be determined in the following manner:

(A) on or prior to November 30, 2009, each of the Company and the Trustee (acting at the direction of the Holders pursuant to the terms of the Amended Notes Indenture) will select a nationally recognized investment bank (respectively, the Company Bank and the Trustee Bank) to calculate the 2010 Par Rate (as defined below), and each of the Company and the Trustee will promptly notify the other party in writing of such selection;

(B) between January 1, 2010 and January 10, 2010, the Company Bank and the Trustee Bank will agree on the annual interest rate which would be required as of January 1, 2010 in order to make all such Amended Notes trade at par value as of January 1, 2010, excluding accrued but unpaid interest thereon (2010 Par Rate);

(C) to the extent the two investment banks selected cannot agree on the 2010 Par Rate by January 10, 2010, then they will jointly select a mutually acceptable, nationally recognized investment bank (for purposes of this paragraph, the Third Bank) to determine a rate that will be the 2010 Par Rate by no later than January 30, 2010, and such determination will be final and binding on the Company, the Trustee and all Holders; provided that if the rate chosen by the Third Bank will be less than the rate chosen by the Company Bank, then the 2010 Par Rate will be the rate chosen by the Company Bank; provided further that if the rate chosen by the Third Bank will be greater than the rate chosen by the Trustee Bank, then the 2010 Par Rate will be the rate chosen by the Trustee Bank;

(D) the 2010 Interest Rate will be the 2010 Par Rate as determined pursuant to clauses (A)-(C) above, retroactive as of January 1, 2010; and

(E) the Company will bear the reasonable and documented costs and expenses of the investment banks selected pursuant to clauses (A)-(C) of this paragraph.
