Item 3. Source and Amount of Funds or Other Consideration.

On August 18, 2008, the Company acquired the business of software developer Version3, Inc. (Version3) based in Columbia, South Carolina. The acquisition was effectuated pursuant to an Agreement and Plan of Reorganization dated August 18, 2008 (the Acquisition Agreement) between Version3, CSI and the shareholders of Version3 (the Shareholders), some of whom are filers under this Schedule 13D. The Acquisition Agreement is filed as Exhibit A and incorporated herein by reference.

The Acquisition Agreement provided for the acquisition of substantially all of the assets and business operations of Version3 by CSI (the Acquisition). The assets acquired included: certain accounts receivable; work in progress; all furniture, fixtures, machinery, equipment and supplies; and all software and intellectual property rights. As a part of the Acquisition, CSI assumed only certain liabilities of Version3. These included a \$240,750 loan due to Andrew Sakalian, the former CEO of Version3 and a Shareholder, and the obligations of Version3 under ongoing vendor or customer contracts transferred to CSI as a part of the Acquisition. In order to repay in full the loan to Mr. Sakalian at the closing of the Acquisition, the Company drew under its \$7.0 million credit facility with RBC Bank (USA) (the Bank) the amount of \$240,750.

As consideration for the Acquisition, CSI irrevocably agreed to issue to the Shareholders, as assignees of Version3, a total of 2,153,143 shares of CSI s common stock, \$0.001 par value (the Shares). Of these, 800,000 shares have been placed into escrow and will be held for the benefit of the Shareholders. These earn out shares (the Earn Out Shares) will be released to the Shareholders over a three year period following the closing of the Acquisition upon the acquired operations of Version3 meeting or exceeding certain financial targets. These targets, and the aggregate number of Shares which will be released per earn out period, are set forth below:

Earn Out Period	Revenue Target	EBITDA Target	Number of Earn Out Shares
1/1/2009 to 12/31/2009	\$2,500,000	\$ 750,000	300,000
1/1/2010 to 12/31/2010	\$5,000,000	\$1,500,000	300,000
1/1/2011 to 12/31/2011	\$7,000,000	\$2,100,000	200,000

Immediately prior to the Acquisition, there were 4,908,061 shares of common stock outstanding and approximately 200 stockholders of record. Immediately following the consummation of the Acquisition, there were outstanding 7,061,204 shares of common stock, including escrowed Earn Out Shares. Following the Acquisition, former Version3 Shareholders own approximately 30.5% of CSI s outstanding common stock (17.4% on a fully diluted basis). The Shares issued to the Shareholders were not registered under the Securities Act of 1933, as amended (the Securities Act) or state securities laws, and were sold in reliance upon exemptions from such registration pursuant to Section 4(2) of the Securities Act and Rule 506 promulgated thereunder. Accordingly, the Shares are restricted shares pursuant to Rule 144 promulgated under the Securities Act, and may be sold only pursuant to an exemption from federal and state securities registration requirements.

All of the Shareholders entered into the Acquisition Agreement. Three of such Shareholders, who were the officers and directors of Version3, entered into Employment Agreements (the form of which is attached as Exhibit C to the

Acquisition Agreement) and Confidentiality and Noncompetition Agreements (the form of which is attached as Exhibit A to the Acquisition Agreement). The remaining Shareholders entered into Confidentiality and Nonsolicitation Agreements (the form of which is attached as Exhibit B to the Acquisition Agreement).

The Acquisition Agreement contains customary representations and warranties and the parties agreed to certain covenants which are typical for similar transactions. Among these, the Acquisition Agreement contains indemnification provisions whereby the Company, and Version3 and the Shareholders jointly and severally, agreed to indemnify each other for the breach of representations and warranties and covenants contained in the Acquisition Agreement.

Item 4. Purpose of Transaction.

Messrs. Kean, Ginsburg, Sakalian and Haas have acquired shares of Common Stock for investment purposes in connection with the acquisition as described in Item 3. Except as described above or otherwise in this Schedule 13D, there are no plans or proposals that Messrs. Kean, Ginsburg, Sakalian and Haas may have that relate to or would result in:

- (g) Changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
