Item 1.01. Entry into Material Definitive Agreement.

On October 30, 2009, Comstock Potomac Yard, L.C., Comstock Station View, L.C. (collectively, the Borrowers) and Comstock Homebuilding Companies, Inc. (the Company or the Guarantor) entered into a First Amendment to Loan Agreement modifying its existing loan agreement (the Modification) with KeyBank National Association (the Lender) with respect to the \$22.8 million outstanding principal under the Borrowers secured Potomac Yard and Station View project loan (the Loan). The key terms of the Modification adjust the interest rate to the higher of LIBOR plus 5.0% or the prime rate plus 2.0% subject to a LIBOR floor of 2.0%. In exchange, the Lender has agreed to increase the cash flow available to Borrowers from the Potomac Yard project through adjusted unit release provisions by providing Borrowers fifteen percent (15%) of the net sales price of sold units on a retroactive basis for all units settled on and after July 1, 2009. The unrestricted use by Borrower of a portion of the adjusted unit release proceeds is subject to the occurrence of certain conditions subsequent, and continued accelerated releases for the sale of future units is subject to the occurrence of additional conditions subsequent, including the restructuring of certain of the Guarantor s unsecured indebtedness and meeting a cumulative minimum sales requirement of nine (9) units per quarter (the Modification Covenants). Failure to meet the Modification Covenants will not result in an event of default but may result in a reversion of the unit release provisions whereby the Lender will have the right to apply all of the net sales price of sold units to principal curtailment in accordance with the original Loan documents. The Modification also modified the release provisions for the Station View project; allowing for additional monies from the net sales price of the bulk sale of the Station View project, under contract on a contingent sale basis, to be made available to Borrower for the repayment of certain select indebtedness of the Borrowers and Guarantor, subject to a minimum release price to be paid to the Lender. The Modification also provided that any deficiency notes evidencing the unsecured indebtedness issued by the Company in satisfaction of foreclosure deficiencies from other lenders be fully subordinate to the Loan.

On November 2, 2009, the Company issued a press release announcing the Modification. A copy of this press release is attached hereto as Exhibit 99.1.
