PROXY STATEMENT FOR THE 2014 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD JANUARY 30, 2014

GENERAL INFORMATION

The accompanying proxy is solicited by the Board of Directors of PURE Bioscience, Inc. (the Board or Board of Directors) to be voted at the 2014 Annual Meeting of Stockholders (the Meeting or Annual Meeting) to be held on January 30, 2014 at our corporate offices at 1725 Gillespie Way, El Cajon, California 92020 at 9:00 a.m., local time, and any adjournments or postponements thereof. This proxy statement and the accompanying proxy are being sent to stockholders on or about December 23, 2013. References in this proxy statement to the Company, we, our, and us a to PURE Bioscience, Inc.

Record Date

Holders of record of our shares of Common Stock, our only class of issued and outstanding voting securities (the Common Stock), at the close of business on December 20, 2013 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. On December 20, 2013, 25,403,432 shares of our Common Stock were issued and outstanding.

Quorum

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Votes for and against, abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum.

The Annual Meeting may be adjourned from time to time and at any reconvened meeting, action with respect to the matters specified in this notice may be taken without further notice to stockholders except as required by applicable law and our charter documents.

Stockholders of Record

You are a stockholder of record if your shares are registered directly in your name with our transfer agent, ComputerShare. As a stockholder of record, you have the right to grant your voting proxy directly to PURE

Bioscience or to vote in person at the Annual Meeting. We have enclosed or made available a proxy card for you to use. You may also vote by Internet or telephone, as described below.

Shares Held in Street Name

If your shares are held by a broker, bank, trustee or other stockholder of record, in nominee name or otherwise, exercising fiduciary powers (typically referred to as being held in street name), you will receive a separate voting instruction form with this Proxy Statement. As the beneficial owner, you have the right to direct your broker, bank, trustee, or nominee how to vote your shares, and you are also invited to attend the Annual Meeting. If you hold your shares in street name and do not provide voting instructions to your broker, bank , trustee or nominee, your shares will not be voted on any proposals on which such party does not have discretionary authority to vote (a broker non-vote), as further described below under the heading Broker Non-Votes.

Table of Contents

Please note that if your shares are held of record by a broker, bank or nominee and you wish to vote at the meeting, you will not be permitted to vote in person unless you first obtain a proxy issued in your name from the record holder.

Broker Non-Votes

Broker non-votes are shares held in street name by brokers or nominees who are present in person or represented by proxy, but which are not voted on a particular matter because the brokers or nominees do not have discretionary authority with respect to that proposal and they have not received voting instructions from the beneficial owner. Under the rules that govern brokers, brokers have the discretion to vote on routine matters, but not on non-routine matters. Routine matters include the ratification of the appointment of the Company's independent registered public accountants. The remaining proposals to be considered at the Annual Meeting are considered to be non-routine matters, including the election of directors, the non-binding advisory vote on the compensation of our named executive officers and the non-binding advisory vote on the frequency of the advisory vote on executive compensation. *As a result, if you do not provide your broker or nominee with voting instructions on these non-routine matters your shares will not be voted on these proposals.*

Voting Matters

Stockholders are entitled to cast one vote per share of Common Stock on each matter presented for consideration by the stockholders. A list of stockholders entitled to vote at the Annual Meeting will be available for examination by any stockholder for a proper purpose during normal business hours at the executive offices of the Company for a period of at least 10 days preceding the day of the Annual Meeting.

There are four proposals scheduled to be voted on at the Annual Meeting:

1. To elect six directors to hold office until the next annual meeting and until their respective successors are elected and qualified;
2. To ratify the appointment of Mayer Hoffman McCann P.C. as our independent registered public accounting firm for the fiscal year ending July 31, 2014;
3. To approve, on a non-binding advisory basis, the compensation of our named executive officers, during the fiscal year ended July 31, 2013; and

4. To hold a non-binding advisory vote on the frequency of the advisory vote on executive compensation. Our Board of Directors recommends a vote **FOR** each of the director nominees, **FOR** the ratification of the appointment of Mayer Hoffman McCann P.C., **FOR** the approval of the compensation of our named executive officers and **FOR** an annual frequency for the advisory vote on executive compensation.

We are currently unaware of any matters to be raised at the Annual Meeting other than those referred to in this Proxy Statement. If other matters are properly presented at the Annual Meeting for consideration and you are a stockholder of record and have submitted your proxy, the persons named in your proxy will have the discretion to vote on those matters for you.

Required Vote

Assuming a quorum is present, either in person or by proxy, the following vote is required for the proposals scheduled to be voted on at the Annual Meeting:

1. ***Election of Directors***: Directors will be elected by a plurality of the votes, which means the six nominees who receive the greatest number of **FOR** votes will be elected. If you hold your shares through a broker and you do not instruct the broker on how to vote on this proposal, your broker will not have authority to vote your shares. Abstentions and broker non-votes will each be counted as

Table of Contents

present for purposes of determining the presence of a quorum, but will not have any effect on the outcome of the proposal.

2. ***Ratification of Auditors:*** The ratification of the appointment of Mayer Hoffman McCann P.C. as our independent registered public accounting firm for the fiscal year ending July 31, 2014 requires that a majority of the votes cast, whether in person or represented by proxy, are voted **FOR** this this proposal. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum, but will have no effect on the outcome of the vote.
3. ***Executive Compensation:*** The approval, on a non-binding advisory basis, of the compensation of our named executive officers requires that a majority of the votes cast, whether in person or represented by proxy, are voted **FOR** this this proposal. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum, but will have no effect on the outcome of the vote.
4. ***Frequency of Executive Compensation Vote:*** You may vote for one, two or three years as the frequency of the non-binding advisory vote on the compensation of our named executive officers. A plurality of the votes cast on this proposal will determine the frequency selected by stockholders. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum, but will have no effect on the outcome of the vote.

Voting Instructions

If you are a stockholder of record, you can vote in the following ways:

By Internet: by following the Internet voting instructions included in the Notice or by following the instructions on the proxy card at any time up until 11:59 p.m., Eastern Daylight Time, on January 29, 2014.

By Telephone: by following the telephone voting instructions included in the proxy card at any time up until 11:59 p.m., Eastern Daylight Time, on January 29, 2014.

By Mail: you may vote by mail by marking, dating and signing your proxy card in accordance with the instructions on it and returning it by mail in the pre-addressed reply envelope provided with the proxy materials. The proxy card must be received prior to the Annual Meeting.

If your shares are held in street name, please follow the separate voting instructions you receive from your broker, bank, trustee or other nominee.

Proxies

All shares represented by a proxy will be voted, and where a stockholder specifies a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specification so made. If a stockholder does not indicate a choice on the proxy card, the shares will be voted in favor of the election of each of the nominees for director contained in this Proxy Statement and in favor of each of the other proposals considered at the Annual

Meeting.

Multiple Proxies

If you receive more than one set of proxy materials it generally means you hold shares registered in multiple accounts. To ensure that all your shares are voted, please submit proxies or voting instructions for all of your shares.

Proxy Revocation Procedure

A proxy may be revoked at any time before it has been exercised with regard to any matter (i) by written notice of revocation mailed to and received by the Secretary of the Company prior to the date of the Annual

Table of Contents

Meeting (ii) by executing and delivering to the Secretary a proxy dated as of a later date than a previously executed and delivered proxy (provided, however, that such action must be taken prior to 5:00 p.m., local time, on January 30, 2014), or (iii) by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in and of itself revoke a proxy.

Solicitation Costs

The Company will bear the expenses of calling and holding the Annual Meeting and the soliciting of proxies therefor. This proxy statement and the accompanying materials, in addition to being mailed directly to stockholders, will be distributed through brokers, custodians, nominees and other like parties to beneficial owners of shares of Common Stock. The Company will pay reasonable expenses incurred in forwarding the proxy materials to the beneficial owners of shares and in obtaining the written instructions of such beneficial owners. The Company may consider the engagement of a proxy solicitation firm. Our directors, officers and employees may also solicit proxies by mail, telephone and personal contact, but they will not receive any additional compensation for these activities.

Voting Results

We will announce preliminary voting results at the annual meeting. We will report final results in a Form 8-K report filed with the Securities and Exchange Commission (the "SEC").

GOVERNANCE OF OUR COMPANY

Overview

We are committed to maintaining the highest standards of business conduct and corporate governance, which we believe are fundamental to the overall success of our business, serving our stockholders well and maintaining our integrity in the marketplace. Our Corporate Governance Guidelines and Code of Business Conduct and Ethics, together with our Certificate of Incorporation, Bylaws and the charters of our Board Committees, form the basis for our corporate governance framework. As discussed below, our Board of Directors has established two standing committees to assist it in fulfilling its responsibilities to the Company and its stockholders: the Audit Committee and the Compensation Committee. The Board of Directors performs the functions typically assigned to a Nominating and Corporate Governance Committee.

Recent Corporate Developments

On August 13, 2013, the following corporate governance changes occurred to create a new Board of Directors and executive management team:

Michael L. Krall, Donna Singer, and Dennis Brovarone resigned as members of the Board;

Mr. Krall, Ms. Singer, and Mr. Atchley resigned all positions respectively held by them as officers of the Company;

Dave Pfanzer was appointed by the Board to be the Chairman of the Board;

Mr. Pfanzer was appointed by the Board to serve as Interim Chief Executive Officer;

Gary D. Cohee was appointed by the Board to serve as a member of the Board;

Peter C. Wulff was appointed by the Board to serve as Chief Financial Officer, Chief Operating Officer, and Corporate Secretary.

Previously, Jon Carbone and Paul Maier had resigned as directors of the Company and as members of the Audit and Compensation Committees in July 2013.

On September 2013, the Board appointed Henry R. Lambert to serve as Chief Executive Officer and a member of the Board. In connection with the hiring of Mr. Lambert to serve as our Chief Executive Officer, Mr. Pfanzer resigned his position as our Interim Chief Executive Officer. Mr. Pfanzer will continue to render significant services to us and will continue to serve as our Chairman of the Board.

In October 2013, we appointed three additional members to the Board; Dr. David Theno, Jr., Craig Culver and William Otis. The Board now consists of six members who provide professional experience in business and finance;

food science and food safety; and foodservice and food manufacturing.

Corporate Governance Guidelines

Our Corporate Governance Guidelines are designed to ensure effective corporate governance of our Company. Our Corporate Governance Guidelines cover topics including, but not limited to, director qualification criteria, director responsibilities, director compensation, director orientation and continuing education, communications from stockholders to the Board, succession planning and the annual evaluations of the Board and its Committees. Our Corporate Governance Guidelines are reviewed regularly by the Board and revised when appropriate. The full text of our Corporate Governance Guidelines can be found in the Corporate Governance section of our website accessible at www.purebio.com. A printed copy may also be obtained by any stockholder upon request to our Corporate Secretary.

Table of Contents

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors. This Code constitutes a code of ethics as defined by the rules of the SEC. This Code also contains whistle blower procedures adopted by our Audit Committee regarding the receipt, retention and treatment of complaints related to accounting, internal accounting controls or auditing matters and procedures for confidential anonymous employee complaints related to questionable accounting or auditing matters. Copies of the code may be obtained free of charge from our website, www.purebio.com. Any amendments to, or waivers from, a provision of our code of ethics that applies to any of our executive officers will be posted on our website in accordance with the rules of the SEC. Other than as specifically referenced herein, the information contained on, or that can be accessed through, our website is not a part of this proxy statement.

Director Independence

We are not currently listed on any national securities exchange or in an inter-dealer quotation system that has established a standard for independence. However, in evaluating the independence of our members and the composition of the committees of our Board of Directors, our Board utilizes the definition of independence as that term is defined by applicable listing standards of the NYSE MKT. As of the date hereof, our Board consists of six members, four of whom are considered independent as that term is defined by applicable listing standards of the NYSE MKT. Our independent directors include: Messrs. Pfanzelter, Otis and Culver and Dr. Theno.

In addition to Mr. Pfanzelter, the following individuals served as directors during our fiscal year ended July 31, 2013, Michael L. Krall, Donna Singer, Dennis Brovarone, Gregory Barnhill, Jon Carbone and Paul Maier. Messrs. Pfanzelter, Barnhill, Carbone and Maier qualified as independent directors during their respective service on the Board as that term is defined by the applicable listing standards of the NYSE MKT. The other directors were not independent based on their services as executive officers or service providers to the Company.

Board and Committee Attendance

During the year ended July 31, 2013, the Board of Directors met 18 times and it took action by unanimous written consent 11 times. During the last fiscal year, we believe based on available records that each of our directors attended at least 75% of the total number of meetings of the Board and all Board Committees on which such director served during that period.

Director Attendance at Annual Meeting

We believe the Annual Meeting provides a good opportunity for our directors to hear any feedback the stockholders may share with the Company at the Meeting. As a result, we encourage our directors to attend our Annual Meeting. We reimburse our directors for the reasonable expenses incurred by them in attending the Annual Meeting.

Executive Sessions

Executive sessions of our independent directors are held at each regularly scheduled meeting of our Board and at other times as necessary and are chaired by the Chairman of the Board. The Board's policy is to hold executive sessions without the presence of management, including our President and Chief Executive Officer, who is the only non-independent director on the Board. Our Board Committees also generally meet in executive session at the end of each committee meeting.

Board Committees

Compensation Committee. The Compensation Committee of the Board of Directors currently consists of Dr. Theno (Chair) and Mr. Culver. The functions of the Compensation Committee include the approval of the

Table of Contents

compensation offered to our executive officers and recommending to the full Board of Directors the compensation to be offered to our directors, including our Chairman. The Board has determined that Dr. Theno and Mr. Culver are each an independent director under the listing standards of the NYSE MKT. In addition, the members of the Compensation Committee qualify as non-employee directors for purposes of Rule 16b-3 under the Exchange Act and as outside directors for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended. The Compensation Committee is governed by a written charter approved by the Board of Directors, a copy of which is available on our website at www.purebio.com.

Audit Committee. The Audit Committee of the Board of Directors, currently consists of Messrs. Cohee (Chair) and Otis. The functions of the Audit Committee include the retention of our independent registered public accounting firm, reviewing and approving the planned scope, proposed fee arrangements and results of the Company's annual audit, reviewing the adequacy of the Company's accounting and financial controls and reviewing the independence of the Company's independent registered public accounting firm. The Board has determined that Mr. Otis is an independent director under the listing standards of the NYSE MKT. Mr. Cohee is not independent because the Company has retained Mr. Cohee to provide financial advisory services to the Company. See *Certain Relationships and Related Transactions* for additional information regarding the Company's retention of Mr. Cohee. The Board determined that it was in the Company's and its stockholders best interests for Mr. Cohee to continue to serve on the audit committee, based on his accounting and financial expertise, until the Board adds additional independent directors. The Board of Directors has also determined that Messrs. Cohee and Otis are each audit committee financial expert within the applicable definition of the SEC. The Audit Committee is governed by a written charter approved by the Board of Directors, a copy of which is available on our website at www.purebio.com.

Nominating Committee. The Board has not established a Nominating Committee, and as a result performs the functions typically assigned to a Nominating Committee, including the identification, recruitment and nomination of candidates for the Board and its committees, determining the structure, composition and functioning of the Board and its committees including the reporting channels through which the Board receives information and the quality and timeliness of the information, developing and recommending to the Board corporate governance guidelines applicable to the Company and annually reviewing and recommending changes, as necessary or appropriate, overseeing the annual evaluation of the Board's effectiveness and performance.

Board and Committee Effectiveness

The Board and each of its Committees performs an annual self-assessment to evaluate their effectiveness in fulfilling their obligations. The Board and Committee evaluations cover a wide range of topics, including, among others, the fulfillment of the Board and Committee responsibilities identified in the Corporate Governance Guidelines and charters for each Committee.

Board Leadership Structure

Our Bylaws provide our Board with flexibility to combine or separate the positions of Chairman of the Board and Chief Executive Officer in accordance with its determination that utilizing one or the other structure would be in the best interests of our company. At the current time, Mr. Pfanzelter serves as our Chairman of the Board, and Mr. Lambert serves as our Chief Executive Officer and President. Our Board believes our leadership structure enhances the accountability of our Chief Executive Officer to the Board and encourages balanced decision making. In addition, the Board believes that this structure provides an environment in which its independent directors are fully informed, have significant input into the content of Board meetings and are able to provide objective and thoughtful oversight of management. Our Board also separated the roles in recognition of the differences in responsibilities. While our Chief Executive Officer is responsible for the day-to-day leadership of the Company and its business

operations, the Chairman of the Board provides guidance to the Board, sets the agenda for Board meetings and presides over the meetings of the full Board and the meetings of the Board's non-management directors. The Board Chairman also provides performance feedback on behalf of

Table of Contents

the Board to our Chief Executive Officer. The Board intends to carefully evaluate from time to time whether our Chief Executive Officer and Chairman positions should remain separate based on what the Board believes is best for the Company and its stockholders.

Board Oversight of Risk

The Board is actively involved in the oversight of risks that could affect the Company. The Board as a whole has responsibility for risk oversight of the Company's risk management policies and procedures, with reviews of certain areas being conducted by the relevant Board committee. The Board satisfies this responsibility through reports by each Committee Chair regarding the Committee's considerations and actions, as well as through regular reports directly from management responsible for oversight of particular risks within the Company. Specifically, the Board committees address the following risk areas:

The Compensation Committee is responsible for overseeing the management of risks related to the Company's executive compensation plans and arrangements.

The Audit Committee discusses with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures.

The Board as a whole considers risks related to regulatory and compliance matters as well as risks related to the Company's sales and marketing and research and development initiatives.

The Board encourages management to promote a corporate culture that incorporates risk management into the Company's day-to-day business operations.

Stockholder Recommendations for Director Nominees

In nominating candidates for election as a director, the Board will consider a reasonable number of candidates recommended by a single stockholder who has held over 20% of PURE Bioscience Common Stock for over one year and who satisfies the notice, information and consent provisions set forth in our Bylaws and Corporate Governance Guidelines. Stockholders who wish to recommend a candidate may do so by writing to the Board of Directors in care of the Corporate Secretary, PURE Bioscience, Inc., 1725 Gillespie Way, El Cajon, California 92020. The Board of Directors will use the same evaluation process for director nominees recommended by stockholders as it uses for other director nominees. A printed copy of our Bylaws may be obtained by any stockholder upon request to our Corporate Secretary.

Identification and Evaluation of Director Nominees

In evaluating nominees for membership on our Board, our Board applies the Board membership criteria set forth in our Corporate Governance Guidelines. Under these criteria, the Board takes into account many factors, including an individual's business experience and skills (including skills in core areas such as operations, management, technology, accounting and finance, strategic planning and international markets), as well as independence, judgment, knowledge of our business and industry, professional reputation, leadership, integrity and ability to represent the best interests of the Company's stockholders. In addition, the Board also considers the ability to commit sufficient time and attention to the activities of the Board, as well as the absence of any potential conflicts with the Company's interests. The Board does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all

prospective nominees. The Board does not have a formal policy with respect to diversity of nominees. Rather, our Board considers Board membership criteria as a whole and seeks to achieve diversity of occupational and personal backgrounds on the Board.

Our Board regularly assesses the appropriate size of our Board, and whether any vacancies on our Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Board will consider various potential candidates who may come to the attention of the Board through current Board

Table of Contents

members, professional search firms, stockholders or other persons. Each candidate brought to the attention of the Board, regardless of who recommended such candidate, is considered on the basis of the criteria set forth in our corporate governance guidelines. As stated above, our Board will consider candidates proposed for nomination by our significant stockholders. Stockholders may propose candidates by submitting the names and supporting information to: Corporate Secretary, PURE Bioscience, Inc., 1725 Gillespie Way, El Cajon, California 92020. Supporting information should include (a) the name and address of the candidate and the proposing stockholder, (b) a comprehensive biography of the candidate and an explanation of why the candidate is qualified to serve as a director taking into account the criteria identified in our corporate governance guidelines, (c) proof of ownership, the class and number of shares, and the length of time that the shares of our voting securities have been beneficially owned by each of the candidate and the proposing stockholder, and (d) a letter signed by the candidate stating his or her willingness to serve, if elected.

Communications with the Board of Directors

The Board desires that the views of stockholders will be heard by the Board, its Committees or individual directors, as applicable, and that appropriate responses will be provided to stockholders on a timely basis. Stockholders wishing to formally communicate with the Board, any Board Committee, the independent directors as a group or any individual director may send communications directly to the Company at PURE Bioscience, Inc., 1725 Gillespie Way, El Cajon, California 92020, Attention: Corporate Secretary. All clearly marked written communications, other than unsolicited advertising or promotional materials, are logged and copied, and forwarded to the director(s) to whom the communication was addressed. Please note that the foregoing communication procedure does not apply to (i) stockholder proposals pursuant to Exchange Act Rule 14a-8 and communications made in connection with such proposals or (ii) service of process or any other notice in a legal proceeding.

Table of Contents**PROPOSAL ONE****ELECTION OF DIRECTORS****Nominees for Director**

Our business is managed under the direction of our Board of Directors. Our Board has nominated each of our six (6) existing directors for re-election at the Annual Meeting, including:

Name	Age	Director Since	Position(s) Held
Dave Pfanzelter	59	2013	Chairman
Henry R. Lambert	62	2013	Director, Chief Executive Officer
Gary Cohee	67	2013	Director
David Theno, Jr., PhD	63	2013	Director
Craig C. Culver	64	2013	Director
William Otis	57	2013	Director

In addition to the information regarding our directors and skills that led our Board to conclude that the individual should serve as a director, we also believe that all of our directors have a reputation for integrity, honesty and adherence to high ethical standards. We believe they each have demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment of service to our company and our Board.

The Board also believes that re-electing our incumbent directors helps to promote stability and continuity. The Board expects that each director will continue to make substantial contributions to the Company by virtue of their familiarity with, and insight into, the Company's business and the Company's business strategy.

All of the nominees have indicated a willingness to continue serving as directors, and the Company has no reason to believe that any nominee will be unavailable or unable to serve. If any of them should decline or be unable to act as a director, the proxy holders will vote for the election of any other person or persons the Board may nominate.

The following sets forth information regarding the business experience of our directors as of December 20, 2013:

If you hold your shares through a broker and you do not instruct the broker on how to vote on this proposal, your broker will not have authority to vote your shares. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum, but will not have any effect on the outcome of the proposal.

The shares represented by the accompanying proxy will be voted **FOR** election, as directors, of the above-mentioned six nominees, unless a stockholder requests that voting of the proxy be withheld for any one or more of the nominees for directors by so directing on the proxy card. If any nominee becomes unavailable for any reason (which event is not anticipated) to serve as a director at the time of the meeting, then the shares represented by such proxy may be voted for such other person as may be determined by the proxy holders.

PROPOSAL THREE

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Background

The Compensation Committee of the Board of Directors, which is comprised solely of independent directors, has the responsibility for evaluating and authorizing the compensation payable to our executive officers. The goal of our executive compensation program is to attract, motivate and retain executives of outstanding ability, performance and potential. To achieve this goal, the Compensation Committee has designed a package that combines competitive base pay, with incentive compensation conditioned on the achievement of predetermined annual performance goals and long-term equity awards. The Compensation Committee believes this package encourages employee retention and the creation of stockholder value. Our compensation program also seeks to be internally consistent with differentials commensurate with the scope of a named executive officer's responsibilities.

New Board of Directors and Management Team

On August 13, 2013, the following corporate governance changes occurred to create a new Board of Directors and executive management team:

Michael L. Krall, Donna Singer, and Dennis Brovarone resigned as members of the Board;

Mr. Krall, Ms. Singer, and Mr. Atchley resigned all positions respectively held by them as officers of the Company;

Dave Pfanzelter was appointed by the Board to be the Chairman of the Board;

Mr. Pfanzelter was appointed by the Board to serve as Interim Chief Executive Officer;

Gary D. Cohee was appointed by the Board to serve as a member of the Board;

Peter C. Wulff was appointed by the Board to serve as Chief Financial Officer, Chief Operating Officer, and Corporate Secretary.

Previously, Jon Carbone and Paul Maier had resigned as directors of the Company and as members of the Audit and Compensation Committees in July 2013.

On September 2013, the Board appointed Henry R. Lambert to serve as Chief Executive Officer and a member of the Board. In connection with the hiring of Mr. Lambert to serve as our Chief Executive Officer, Mr. Pfanzelter resigned his position as our Interim Chief Executive Officer. Mr. Pfanzelter will continue to render significant services to us and will continue to serve as our Chairman of the Board.

In October 2013, we appointed three additional members to the Board; Dr. David Theno, Jr., Craig Culver and William Otis. The Board now consists of six members who provide professional experience in business and finance; food science and food safety; and foodservice and food manufacturing.

Fiscal Year 2013

During the fiscal year ended July 31, 2013, our named executive officers were (i) Michael L. Krall, who served as President, Chief Executive Officer and Interim Financial Officer, (ii) Donna Singer, who served as Executive Vice President and Peter Wulff, who served as Chief Financial Officer from November 5, 2012 through May 13, 2013.

Elements of Compensation

Consistent with the size and nature of our Company, our executive compensation program is simple, consisting of a base salary, an annual performance-based cash bonus, long-term equity awards in the form of

Table of Contents

restricted stock units (RSUs), and eligibility to participate in employee benefit plans available to all full-time employees, including group health plan, group term life insurance, and short- and long-term disability benefits.

Taken as a whole, the elements of our compensation package are comparable to those offered by other similarly sized companies in our industry. This allows us to compete in acquiring talent and retaining key executives. Our annual cash bonuses link executive performance to the measurable success of our Company and the individual achievements and performance of the executives. Likewise, equity awards align the interests of our named executive officers with those of our stockholders, thereby creating an incentive to build stockholder value and acting as a retention tool.

The Compensation Committee did not retain a compensation consultant during fiscal year 2013 given the Company's cash constraints.

Base Salary

Base salaries of our named executive officers depend on their job responsibilities, the market rate of compensation paid by companies in our industry for similar positions, our financial position, and external factors like inflation and the projected strength of the economy. The Compensation Committee reviews the base salaries of our named executive officers at least annually. In completing this review, the Compensation Committee considered available market data, including compensation reports prepared by Radford

The annual base salaries of our named executive officers are reflected in the Summary Compensation Table. Because of the Company's financial constraints, Mr. Krall and Ms. Singer elected to defer a portion of their salary during the year ended July 31, 2013. Mr. Krall's deferred salary totaled \$37,639 and Ms. Singer's totaled \$23,945.

Annual Performance-Based Bonus

The annual performance-based cash bonus paid to our named executive officers is determined by the Compensation Committee based on the achievement of our corporate goals, weighted by importance, as well as individual goals applicable to the named executive officer's position. Our corporate goals consist of progress on sales goals as well as on individual goals. The individual goals of our named executive officers are based on the executive's job title and responsibilities. In addition, the Compensation Committee retains discretion to adjust the actual amount of the annual bonus based on our stock performance, our accomplishments determined on a qualitative basis, and the strength of our financial and market position at the end of the fiscal year.

Following the end of each fiscal year, the Compensation Committee is responsible for determining the bonus amount payable to the executive officer based on the Company's and the executive officer's performance against the performance metrics established by the Compensation Committee for the recently completed fiscal year.

During fiscal year 2013, no bonuses were paid to our named executive officers.

Long-Term Incentive Awards

We grant long-term equity incentives in the form of time-based and performance-based restricted stock units (RSUs). The Compensation Committee has elected to issue RSUs for the following reasons:

RSUs are more favorably viewed by employees because they always have value (as opposed to options that may go underwater);

RSUs have less complex accounting than stock options;

RSUs (because they always have a value) are less dilutive to stockholders; and

RSUs are better vehicles for performance-based vesting conditions.

Table of Contents

The Compensation Committee general grants time-based RSUs that vest over a three year period. The performance based RSUs generally vest upon achievement of specified sales milestones. The long-term nature of RSUs provides a meaningful retention incentive, while the issuance of shares upon vesting encourages our executives to build stockholder value, thereby aligning the interests of our named executive officers with those of our stockholders. The Compensation Committee determines the size of the incentive award based on company performance and the named executive officers past and expected future performance.

During fiscal year 2013, the Compensation Committee granted a stock option to purchase 40,000 shares of common stock to Mr. Krall and a stock option to purchase 25,000 shares of common stock to Ms. Singer. These options had an exercise price of \$0.83 per share, and had one-year cliff vesting. Mr. Krall and Ms. Singer forfeited these options, and they expired unexercised, when they tendered their resignations prior to the one-year vesting date.

Miscellaneous

Our named executive officers are eligible to participate in employee benefit plans available to all full-time employees, including group health plan, group term life insurance, and short- and long-term disability benefits. We do not sponsor any defined benefit pension plan, nonqualified defined contribution plan, or deferred compensation plan; nor do we provide post-retirement health coverage for our named executive officers.

Vote Required

We are asking you to vote on the adoption of the following resolution:

RESOLVED, that the stockholders of PURE Bioscience, Inc. hereby approve, on an advisory basis, the compensation of the company's named executive officers, as disclosed in this proxy statement, under the section entitled Executive Compensation.

The approval, on a non-binding advisory basis, of the compensation of our named executive officers requires that a majority of the votes cast, whether in person or represented by proxy, are voted **FOR** this proposal. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum, but will have no effect on the outcome of the vote.

The approval of this proposal is not a condition to the approval of any other proposals submitted to the stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS (ITEM 3 ON THE ENCLOSED PROXY CARD).

PROPOSAL FOUR

ADVISORY VOTE ON FREQUENCY OF

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Company is seeking an advisory vote from its stockholders on the frequency of the advisory vote on executive compensation. The choices are every year, every other year, or every third year. In other words, stockholders can recommend how often a proposal like Proposal Three is included in the matters subject to a stockholder vote at an annual meeting.

We believe that our stockholders should have the opportunity to vote on our executive compensation program every year. An annual vote lets us know whether our stockholders have concerns about the Company's executive compensation program.

The frequency of future stockholder votes on executive compensation is nonbinding. But our Board and Compensation Committee will carefully consider the opinion expressed by our stockholders on this proposal in choosing the frequency of future advisory votes on executive compensation.

Vote Required

You may vote for one, two or three years as the frequency of the non-binding advisory vote on the compensation of our named executive officers. A plurality of the votes cast on this proposal will determine the frequency selected by stockholders. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum, but will have no effect on the outcome of the vote.

The approval of this proposal is not a condition to the approval of any other proposals submitted to the stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE, ON AN ADVISORY BASIS, FOR HOLDING AN ADVISORY VOTE ON EXECUTIVE COMPENSATION EVERY YEAR (ITEM 4 ON THE ENCLOSED PROXY CARD).

Employment Agreements; Potential Payments Upon Termination or a Change in Control for Named Executive Officers

On October 12, 2009, the Company entered into an amended and restated employment agreement with Mr. Krall, which agreement amended and restated in its entirety the Company's former employment agreement with Mr. Krall entered into in April 1996. Also on October 12, 2009, the Company entered into an employment agreement with Donna Singer, our Executive Vice President. On October 26, 2011, the Company entered into amendments to each of the employment agreements with Mr. Krall and Ms. Singer. On November 5, 2012, the Company entered into an employment agreement with Peter Wulff to serve as the Company's Chief Financial Officer. Each employment agreement with our named executive officers and each amendment thereto was approved by the Board upon the

recommendation of the Compensation Committee.

Mr. Wulff separated from the Company on May 13, 2013. From May 13, 2013 to August 13, 2013, Mr. Krall was acting as the Company's Interim Chief Financial Officer.

The terms of each employment agreement with our named executive officers provided that such agreement continued until termination by either the Company or the applicable executive officer. During the term of each employment agreement, the executive officers were entitled to an annual base salary, which could be increased, but not decreased, by the Board or the Compensation Committee in their discretion. The annual base salaries of our named executive officers were \$385,000 for Mr. Krall and \$220,000 for Ms. Singer, and the annual base salary for Mr. Wulff upon his separation with the Company was \$275,000.

In each case, the employment agreements with our named executive officers provided for certain compensation to be paid to the applicable named executive officer if his or her employment was terminated by the Company without Cause or terminated by the executive for Good Reason. In summary, Cause is the commission by the executive of an act of fraud or another felony, or gross misconduct resulting in a material adverse effect on the Company; refusal by the executive to perform his or her duties under the agreement or to otherwise breach the agreement, or the executive's breach of other key agreements with the Company. Good Reason is a material reduction of the executive's base salary or target bonus percentage; a material reduction by the Company of the executive's authority, duties or responsibilities; a relocation of the Company's offices that requires an increase in the executive's one-way driving distance of more than fifty miles; a material diminution in the authorities, duties or responsibilities of the supervisor to whom the executive is required to report (or, in the case of Mr. Krall, a requirement that Mr. Krall report to another person other than the Board); a material breach of the agreement by the Company; or a material diminution in the budget over which the executive retains authority.

Upon such event, the executive, upon signing a release in favor of the Company, would be entitled to severance pay in the form of a single lump sum cash payment. In the case of Mr. Krall, such severance payment would equal 150% of his then current annual base salary, plus eighteen months of health and dental insurance in accordance with COBRA for Mr. Krall and his eligible dependents. In the case of Ms. Singer, such severance payment would equal 100% of her then current annual base salary plus twelve months of health and dental insurance in accordance with COBRA for Ms. Singer and her eligible dependents. In the case of Mr. Wulff, such severance payment would equal 75% of Mr. Wulff's then current annual base salary plus nine months of health and dental insurance in accordance with COBRA for Mr. Wulff's and eligible dependents. In addition, in the event of a termination for any reason other than by the Company for Cause, each agreement provided that all outstanding vested stock options held by the applicable executive at the date of such termination would continue to be exercisable for a period of up to 120 days following such termination, but in no event beyond the maximum permitted expiration date.

The employment agreements with our named executive officers also provided for compensation if the executive's employment was terminated by the Company without Cause within twelve months following a Change in Control, or the executive resigned for Good Reason within such period. A Change in Control is the closing of the sale, transfer or other disposition of all or substantially all of the Company's assets or the exclusive license of substantially all of the intellectual property of the Company; the consummation of a merger or consolidation of the Company with or into another entity; the closing of the acquisition of beneficial ownership of 30% or more of the outstanding voting stock of the Company; or if individuals who, on the effective date of the agreement are members of the Board, or are nominees of such Board members, cease to constitute at least a majority of the members of the Board.

Upon such event, the executive would be entitled to additional severance pay in excess of the amounts described above, in each case in an amount equal to a single lump sum payment equal to 100% of the applicable executive's then current annual base salary, plus the average annual bonus awarded to the executive for the preceding two fiscal years. In addition, in such event, the vesting of all outstanding stock options then held by the applicable executive would

have automatically accelerated and all stock options would have continued to be exercisable for 12 months, but in no event beyond the maximum permitted expiration date.

Table of Contents

The employment agreements, as amended, with each of our named executive officers also provided that the Company could, in certain circumstances and in order to avoid incurring fines or penalties under applicable law (including recently enacted federal healthcare legislation), elect to pay cash payments equivalent to value of the monthly premiums the Company would otherwise pay to provide for the continuation of health and dental insurance for such executives and their eligible dependents following each such executive's termination without Cause or resignation for Good Reason.

If Mr. Krall had been terminated on July 31, 2013 without Cause or had terminated his employment for Good Reason, he would have received a lump sum payment of \$577,500 and the continued participation in our group health insurance benefits on the same terms as during his employment until eighteen months following his termination, at a cost to us of \$19,900. Additionally, if Mr. Krall was terminated without Cause or resigned for Good Reason within twelve months following a Change in Control, he would have received the same benefits plus (i) an additional lump sum payment of \$385,000, (ii) a bonus payment of \$48,750, and (iii) the accelerated vesting of his unvested stock options with an aggregate intrinsic value of zero based on the closing price of our common stock on July 31, 2013.

If Ms. Singer had been terminated on July 31, 2013 without Cause or had terminated her employment for Good Reason, she would have received a lump sum payment of \$220,000 and the continued participation in our group health insurance benefits on the same terms as during her employment until twelve months following her termination, at a cost to us of \$17,800. Additionally, if Ms. Singer was terminated without Cause or resigned for Good Reason within twelve months following a Change in Control, she would have received the same benefits plus (i) an additional lump sum payment of \$220,000, (ii) a bonus payment of \$22,750, and (iii) the accelerated vesting of her unvested stock options with an aggregate intrinsic value of zero based on the closing price of our common stock on July 31, 2013.

In May 2013, Mr. Wulff separated from the Company. If Mr. Wulff had been terminated on that date without Cause or had terminated his employment for Good Reason, he would have received a lump sum payment of \$206,250 and the continued participation in our group health insurance benefits on the same terms as during his employment until nine months following his termination, at a cost to us of \$5,122. Additionally, if Mr. Wulff was terminated without Cause or resigned for Good Reason within twelve months following a Change in Control, he would have received the same benefits plus an additional lump sum payment of \$275,000 and (ii) the accelerated vesting of his unvested stock options (if any) with an aggregate intrinsic value of zero based on the closing price of our common stock on July 31, 2013. Mr. Wulff was subsequently appointed to serve as our Chief Financial Officer, Chief Operating Officer, and Corporate Secretary on August 13, 2013.

Employment Agreements; Potential Payments Upon Termination or a Change in Control for Current Executive Officers

Chief Executive Officer Employment Agreement: On September 10, 2013, we appointed Henry R. Lambert to serve as Chief Executive Officer and a member of the Board. His employment agreement, dated as of October 23, 2013, provides that such agreement continues until termination by either the Company or Mr. Lambert. During the term of each employment agreement, Mr. Lambert is entitled to an annual base salary, which may be increased, but not decreased, by the Board or the Compensation Committee in their discretion. His initial annual base salary is \$350,000.

Mr. Lambert's employment agreement also provides that, during the term of such agreement, he is eligible for equity compensation grants to be awarded at the discretion of the Compensation Committee and the Board, and also provides for annual bonus targets equal to, as applicable, 50% of his current annual base salary, in each case to be awarded at the sole discretion of the Compensation Committee and the Board. Additionally, pursuant to the terms of Mr. Lambert's employment agreement, we granted Mr. Lambert a restricted stock unit for 500,000 shares of our common stock as described below.

Mr. Lambert's employment agreement provides for certain compensation to be paid such executive officer if his employment is terminated by the Company without Cause or terminated by the executive for Good Reason. In summary, "Cause" is the commission by the executive of an act of fraud or another felony, or gross misconduct resulting in a material adverse effect on the Company; refusal by the executive to perform his or her duties under the agreement or to otherwise breach the agreement, or a violation of confidentiality, non-competition and/or non-solicitation provisions to which the Company is bound. "Good Reason" is a material reduction of the executive's base salary or target bonus percentage; a material reduction by the Company of the executive's authority, duties or responsibilities; a relocation of the Company's offices that requires an increase in the executive's one-way driving distance of more than fifty miles; or a material breach of the agreement by the Company.

Upon such event, the executive, upon signing a release in favor of the Company, would be entitled to severance pay in the form of continued payments. Mr. Lambert would be entitled to receive his base salary then in effect and group health and dental benefits in accordance with COBRA for a period of 6 months from the date of his termination or resignation. His employment agreement additionally provides that all outstanding vested stock options held by Mr. Lambert at the date of such termination would continue to be exercisable for a period of up to 90 days following such termination, but in no event beyond the maximum permitted expiration date. Additionally, 100% of the restricted stock units described below would vest upon such termination or resignation.

The employment agreement with Mr. Lambert also provides for compensation if Mr. Lambert's employment is terminated by the Company without Cause within twelve months following a Change in Control,

or the executive resigns for Good Reason within such period. A Change in Control is the closing of the sale, transfer or other disposition of all or substantially all of the Company's assets or the exclusive license of substantially all of the intellectual property of the Company; the consummation of a merger or consolidation of the Company with or into another entity; any person (subject to certain exemptions) becomes the beneficial owner of securities of the Company representing 35% or more of the total combined voting power of the Company; or if individuals who, as of 60 days after the effective date of the agreement are members of the Board, or are nominees of such Board members, cease to constitute at least a majority of the members of the Board.

Upon such event, Mr. Lambert would be entitled to additional severance pay in excess of the amounts described above, in each case in an amount equal to a single lump sum payment equal to 100% of Mr. Lambert's then current annual base salary. In addition, in such event, the vesting of all outstanding stock options then held by the applicable executive would automatically accelerate and all stock options would continue to be exercisable for 12 months, but in no event beyond the maximum permitted expiration date. Additionally, 100% of the restricted stock units described below would vest upon a Change in Control.

Chief Executive Officer RSU Award: On October 23, 2013, we granted Mr. Lambert an award consisting of five hundred thousand (500,000) RSUs. The award was not granted pursuant to any compensatory, bonus, or similar plan maintained or otherwise sponsored by the Company. The RSUs vest sixty percent (60%) on September 10, 2014 and the vesting of the remaining forty percent (40%) depend on the achievement of certain quarterly sales goals over a two year period. The shares of our common stock will be settled and delivered to Mr. Lambert six months after the vesting date of September 10, 2014 and immediately after the vesting upon achievement of certain quarterly sales goals, referenced above. Additionally, 100% of the restricted stock units subject to the time-based vesting would vest upon a termination without Cause or resignation for Good Reason, upon a Change in Control, or upon grantee's death or complete disability. 100% of the restricted stock units subject to the vesting based on achievement of certain sales goals would vest upon a termination without Cause or resignation for Good Reason, upon a Change in Control, or upon grantee's death or complete disability, so long as such condition occurred prior to October 31, 2015. At vesting, if grantee is an employee, the Company is obligated to withhold FICA amount due with respect to the vested units and the Company is also obligated to pay grantee an amount equal to the FICA amount withheld plus a tax gross-up payment for taxes payable by the grantee with respect to the FICA amount. At settlement, the Company shall allow grantee to satisfy all or any portion of the Company's tax withholding obligations by having the Company deduct from the shares of stock otherwise deliverable to the grantee in settlement of the restricted stock units a number of whole shares having a fair market value not in excess of the amount of such tax withholding obligations determined by the applicable minimum statutory withholding rates.

Chief Financial Officer/Chief Operating Officer Employment Agreement: On August 13, 2013, we appointed Peter Wulff as our Chief Financial Officer, Chief Operating Officer, and Corporate Secretary. His employment agreement, dated as of October 23, 2013, provides that such agreement continues until termination by either the Company or Mr. Wulff. His initial annual base salary is \$325,000.

Mr. Wulff's employment agreement also provides that, during the term of such agreement, he is eligible for equity compensation grants to be awarded at the discretion of the Compensation Committee and the Board, and also provides for annual bonus targets equal to, as applicable, 50% of his current annual base salary, in each case to be awarded at the sole discretion of the Compensation Committee and the Board. Additionally, pursuant to the terms of Mr. Wulff's employment agreement, we granted Mr. Wulff a restricted stock unit for 1,000,000 shares of our common stock as described below.

Mr. Wulff's employment agreement provides for certain compensation to be paid such executive officer if his employment is terminated by the Company without Cause or terminated by the executive for Good Reason. In summary, Cause is the commission by the executive of an act of fraud or another felony, or gross

Upon such event, the executive, upon signing a release in favor of the Company, would be entitled to severance pay in the form of continued payments. His employment agreement additionally provides that all outstanding vested stock options held by Mr. Wulff at the date of such termination would continue to be exercisable for a period of up to 90 days following such termination, but in no event beyond the maximum permitted expiration date. Additionally, 100% of the restricted stock units described below would vest upon such termination or resignation.

The employment agreement with Mr. Wulff also provides for compensation if Mr. Wulff's employment is terminated by the Company without Cause within twelve months following a Change in Control, or the executive resigns for Good Reason within such period. A Change in Control is the closing of the sale, transfer or other disposition of all or substantially all of the Company's assets or the exclusive license of substantially all of the intellectual property of the Company; the consummation of a merger or consolidation of the Company with or into another entity; any person (subject to certain exemptions) becomes the beneficial owner of securities of the Company representing 35% or more of the total combined voting power of the Company; or if individuals who, as of 60 days after the effective date of the agreement are members of the Board, or are nominees of such Board members, cease to constitute at least a majority of the members of the Board.

Upon such event, Mr. Wulff would be entitled to additional severance pay in excess of the amounts described above, in each case in an amount equal to a single lump sum payment equal to 200% of Mr. Wulff's then current annual base salary. In addition, in such event, the vesting of all outstanding stock options then held by the applicable executive would automatically accelerate and all stock options would continue to be exercisable for 12 months, but in no event beyond the maximum permitted expiration date. Additionally, 100% of the restricted stock units described below would vest upon a Change in Control.

Chief Financial Officer/Chief Operating Officer RSU Award: On October 23, 2013, we granted Mr. Wulff an award consisting of one million (1,000,000) RSUs. Code Section 162(m) Provisions

Section 162(m) of the U.S. Internal Revenue Code, or the Code, generally disallows a tax deduction to public companies for compensation in excess of \$1 million paid to the Chief Executive Officer or any of the four

most highly compensated officers. Performance-based compensation arrangements may qualify for an exemption from the deduction limit if they satisfy various requirements under Section 162(m). Although we consider the impact of this rule when developing and implementing our executive compensation programs, we believe it is important to preserve flexibility in designing compensation programs. Accordingly, we have not adopted a policy that all compensation must qualify as deductible under Section 162(m) of the Code. While our stock options are intended to qualify as performance-based compensation (as defined by the Code), amounts paid under our other compensation programs may not qualify as such.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table provides information regarding the beneficial ownership of our common stock as of December 20, 2013, or the Evaluation Date, by: (i) each of our current directors, (ii) each of our named executive officers as set forth in the Executive Compensation section above, and (iii) all such directors and executive officers as a group. We know of no other person or group of affiliated persons who beneficially own more than five percent of our common stock. The table is based upon information supplied by our officers, directors and principal stockholders and a review of Schedules 13D and 13G, if any, filed with the SEC. Unless otherwise indicated in the footnotes to the table and subject to community property laws where applicable, we believe that each of the stockholders named in the table has sole voting and investment power with respect to the shares indicated as beneficially owned. All information in the following table regarding share amounts of our common stock has been adjusted to reflect the application of the one-for-eight reverse stock split of our common stock that we effected on August 14, 2012, as further described elsewhere in this Annual Report, on a retroactive basis.

Applicable percentages are based on 25,403,432 shares outstanding as of the Evaluation Date, adjusted as required by rules promulgated by the SEC. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities. In addition, the rules include shares of our common stock issuable pursuant to the exercise of stock options or warrants that are either immediately exercisable or exercisable within 60 days of the Evaluation Date. These shares are deemed to be outstanding and beneficially owned by the person holding those options for the purpose of computing the percentage ownership of that person, but they are not treated as outstanding for the purpose of computing the percentage ownership of any other person.

Equity Compensation Plan Information

The 2007 PURE Bioscience Equity Incentive Plan, or the Plan, is our only active equity incentive plan pursuant to which options to acquire common stock or restricted stock awards have been granted and are currently outstanding. Approved by our stockholders in April 2007, the Plan has a share reserve of 625,000 shares of common stock. The Plan provides for the grant of incentive and non-qualified stock options, as well as stock appreciation rights, common stock awards, restricted stock units, performance units and shares, and other stock-based awards. Eligible participants include employees, directors, officers and advisors, although incentive stock options generally may be granted only to employees.

All of our equity incentive plans are administered by the Compensation Committee. The exercise price for stock options is always at or above the fair market value of our common stock on the date the award is granted. Fair market value is defined by the Plan and is based on prevailing market prices of our common stock as reported by the OTC. The term of stock options granted and their vesting schedules are determined by the Compensation Committee, subject to any limitations defined in the Plan. The Compensation Committee also determines the vesting of other, non-option, stock awards.

The following table sets forth, as of July 31, 2013, information with respect to our equity compensation plans, and with respect to certain other options and warrants.

OTHER MATTERS

The management of the Company is not aware of any matter to be acted upon at the Annual Meeting other than the matters described above. However, if any other matter properly comes before the Annual Meeting, the proxy holders will vote the proxies thereon in accordance with their best judgment on such matter.

STOCKHOLDER PROPOSALS FOR 2015 ANNUAL MEETING

Stockholders interested in submitting a proposal for consideration at our 2015 Annual Meeting of Stockholders must do so by sending such proposal to our Corporate Secretary at PURE Bioscience, Inc., 1725 Gillespie Way, El Cajon, California 92020, telephone (619) 596-8600. Under the SEC's proxy rules (Rule 14a-8), the deadline for submission of proposals to be included in our proxy materials for the 2015 Annual Meeting is August 25, 2014. Accordingly, in order for a stockholder proposal to be considered for inclusion in our proxy materials for the 2015 Annual Meeting, any such stockholder proposal must be received by our Corporate Secretary on or before August 25, 2014, and comply with the procedures and requirements set forth in Rule 14a-8 under the Securities Exchange Act of 1934, as well as the applicable requirements of our Bylaws. Any stockholder proposal received after August 25, 2014 will be considered untimely, and will not be included in our proxy materials. In addition, stockholders interested in submitting a proposal outside of Rule 14a-8 must properly submit such a proposal in accordance with our Bylaws.

Our Bylaws require advance notice of business to be brought before a stockholders' meeting, including nominations of persons for election as directors. Pursuant to our Bylaws, the date after which notice to the Company of a stockholder proposal submitted outside the process of Rule 14a-8 is considered timely is as follows, provided that such notice meets the information and other requirements set forth in our Bylaws:

A stockholder seeking to have a proposal included in the Company's proxy materials must deliver written notice to the Company of such proposal between June 26, 2014 and August 25, 2014, unless the date of the 2015 Annual Meeting is more than 30 days before or after the one-year anniversary of the Annual Meeting, in which case such notice must be delivered to the Company on the later of the 90th day before the date of the 2015 Annual Meeting or the 15th day following the day on which public announcement of the date of the 2015 Annual Meeting is first made.

A stockholder not seeking inclusion of a proposal in the Company's proxy materials must deliver written notice to the Company not less than 90 days before the date of the 2015 Annual Meeting.

If a stockholder that has notified the Company of its intention to present a proposal at the 2015 Annual Meeting does not appear or send a qualified representative to present his proposal at the 2015 Annual Meeting, the Company need not present the proposal for a vote at the 2015 Annual Meeting.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

We have adopted householding, a procedure approved by the SEC under which stockholders who share an address will receive a single copy of the Annual Report, Proxy Statement and Notice. This procedure reduces printing costs and mailing fees, while also reducing the environmental impact of the distribution of documents related to the Annual Meeting. If you reside at the same address as another PURE Bioscience stockholder and wish to receive a separate copy of the Annual Meeting materials, you may do so by making a written or oral request to: Attn: Corporate Secretary, PURE Bioscience, Inc., 1725 Gillespie Way, El Cajon, California 92020, telephone (619) 596-8600. Upon

your request, we will promptly deliver a separate copy to you. The Proxy Statement and our Annual Report are also available at <https://proxyvote.com>.

Some brokers household proxy materials, delivering a single proxy statement or notice to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders.

Table of Contents

Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or notice, please notify your broker directly. You may also call (800) 542-1061 or write to: Household Department, Broadridge, 51 Mercedes Way, Edgewood, New York 11717, and include your name, the name of your broker or other nominee, and your account number(s). Any stockholders who share the same address and currently receive multiple copies of the Annual Report, Proxy Statement and Notice who wish to receive only one copy in the future may contact their bank, broker, or other holder of record, or PURE Bioscience at the contact information listed above, to request information about householding.
