Item 8.01 Other Events

On August 6, 2014, Unitil Corporation (the Company or Registrant) natural gas distribution utility subsidiary serving customers in Maine and New Hampshire, Northern Utilities, Inc. (Northern Utilities), priced \$50 million aggregate principal amount of 4.42% Senior Unsecured Notes due 2044 (the Notes), through a private placement marketing process to institutional investors.

Northern Utilities plans to use the net proceeds from the Notes to repay short-term debt and for general corporate purposes. Northern Utilities anticipates closing this long-term financing in the fourth quarter of 2014.

Northern Utilities has received initial commitments from the expected purchasers of the Notes. However the issuance of the Notes is subject to execution of the definitive documentation and funding of the commitments.

Northern Utilities offered the Notes principally to institutional investors in an offering made pursuant to the exemption from registration requirements under Section 4(a)(2) of the Securities Act of 1933, as amended (the Act).

The offering has not been and will not be registered under the Act, or any state securities laws, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Act and applicable state securities laws. The Company intends this notice to comply with Rule 135c of the Act and, accordingly, this notice does not constitute an offer to sell or the solicitation of an offer to buy any security and shall not constitute an offer, solicitation or sale of any securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

SIGNATURES
