Your Proxy Vote is Important

Dear Colleagues,

As a public company, it is important that we develop a healthy dialog with all of our shareholders. Through regular, interactive dialog, our goal is to enable shareholders to constantly remain engaged on important issues and decisions affecting Nasdaq.

As Nasdaq shareholders, it is important to vote your proxy *before* our Annual Meeting on **Thursday, May 5**. As shareholders we all have a responsibility and the right to be heard. You will not only show your support for our company, but you will be casting your vote on the issues that directly impact Nasdaq's future.

The proxy materials for the 2016 Annual Meeting of Stockholders are available online for your review prior to voting. You should have received an email from E*TRADE on the **morning of Friday, April 1**, inviting you to participate in the voting process with your own personal access code. If you have not yet voted, you will receive a voting reminder email from E*TRADE **tomorrow, Tuesday, April 26**. You are welcome to attend the Annual Meeting of Stockholders and vote in person, or you may also vote by phone or by scanning the QR code to the left.* Additional information on the proxy materials, instructions on how to vote and how to attend the Annual Meeting of Stockholders can be found on Qnet.

I hope you will join me in voting and exercising your right as a stockholder.

Sincerely,

Joan Conley

Senior Vice President and Corporate Secretary

** If your shares are held in a bank or brokerage account, including at E*TRADE, you must obtain a legal proxy, executed in your favor, from the holder of record in order to vote in person at the Annual Meeting.*
