Item 8.01 Other Events

Caesars Entertainment Corporation (CEC) and Caesars Entertainment Operating Company, Inc. (CEOC) and its Chapter 11 debtor subsidiaries (collectively, the Debtors) today announced that they have received confirmation from representatives of CEOC's major creditor groups of those groups' support for a term sheet that describes the key economic terms of a proposed consensual chapter 11 plan for the Debtors. The parties are working on the definitive support agreements and amendments to CEOC's existing plan of reorganization that will adopt and implement the terms outlined in the term sheet and certain other terms agreed to among the parties' representatives (the Revised Plan of Reorganization).

As a result of the Revised Plan of Reorganization, relying upon the valuation contained in the most recent disclosure statement filed by CEOC, creditors would receive the following recoveries:

First Lien Bank Lender recoveries will be approximately 115 cents on the dollar, a decline of approximately 1 cent from the previous plan on a pro rata basis due to a \$66 million reduction in cash distributed under the plan;

First Lien Noteholder recoveries will remain at approximately 109 cents on the dollar. In exchange for, among other things, a fixed cash payment of \$142 million, the First Lien Noteholders will waive their right to certain excess cash to be paid pursuant to a separate court order, resulting in a \$79 million net reduction in cash based on CEOC projections;

Second Lien Noteholder recoveries will be approximately 66 cents on the dollar, an increase of approximately 27 cents from the previous plan on a pro rata basis due to \$345 million of cash, a 14.6% increase in fully diluted equity in New CEC (the surviving entity in the planned merger of CEC and Caesars Acquisition Company), and a \$108 million increase in convertible notes in New CEC ;

Subsidiary Guaranteed Noteholder recoveries will be approximately 83 cents on the dollar, a decline of approximately 1 cent on a pro rata basis due to a less than 0.1% reduction in fully diluted equity in New CEC to be distributed under the plan; and

Unsecured creditors will receive an increase in recoveries to approximately 66 cents on the dollar, consisting of a combination of cash, an increase in the amount of fully diluted equity in New CEC allocated to unsecured creditors, and an increased allocation of convertible notes in New CEC .

Hamlet Holdings, the entity through which funds managed by Apollo Global Management, LLC, TPG Capital, L.P. and certain co-investors (collectively, Hamlet) hold their interest in CEC, will contribute the full 14% of the equity that it would have received through its ownership in CEC in the plan of reorganization currently on file. This contribution is valued by the Debtors at approximately \$950 million. Notwithstanding the fact that Hamlet will contribute all of its equity in CEC, the public stockholders of CEC will retain 6% of the equity in New CEC. The Revised Plan of Reorganization will release all pending and potential litigation claims and causes of action against CEC, Caesars Acquisition Company, and related third parties to the fullest extent permitted.

Under the Revised Plan of Reorganization and based on the current exchange ratio in the pending merger agreement between CEC and Caesars Acquisition Company (which is subject to adjustment in certain cases), CEOC creditors

would own approximately 70% of the fully diluted equity in New CEC (fully diluted equity does not include stock buybacks that creditors may elect pursuant to the Revised Plan of Reorganization). Shareholders of Caesars Acquisition Company would own approximately 24%.

The definitive support agreements, if and when agreed, will include various conditions to their continued effectiveness. The Revised Plan of Reorganization, when agreed and filed with the Bankruptcy Court, will be subject to a formal creditor vote and confirmation by the Bankruptcy Court. The completion of CEOC's restructuring under the Revised Plan of Reorganization will be subject to numerous conditions, including regulatory approval, completion of definitive documentation implementing the Revised Plan of Reorganization and the consummation of the merger between CEC and Caesars Acquisition Company.

The descriptions of the term sheet and the transactions contemplated thereby in this Current Report on Form 8-K do not purport to be complete and are qualified in their entirety by reference to the term sheet and CEC's press release, a copy of which is filed as Exhibit 99.1 and Exhibit 99.2 hereto, respectively, and each of which is incorporated herein by reference.

Important Additional Information

Pursuant to the Amended and Restated Agreement and Plan of Merger, dated as of July 9, 2016, between CEC and Caesars Acquisition Company (CAC), among other things, CAC will merge with and into CEC, with CEC as the surviving company (the Merger). In connection with the Merger, CEC and CAC will file with the SEC a Registration Statement on Form S-4 that will include a joint proxy statement/prospectus, as well as other relevant documents concerning the proposed transaction. Stockholders are urged to read the Registration Statement and joint proxy statement/prospectus regarding the Merger when it becomes available and any other relevant documents filed with the SEC, as well as any amendments or supplements to those documents, because they will contain important information. You will be able to obtain a free copy of such joint proxy statement/prospectus, as well as other filings containing information about CEC and CAC, at the SEC's website (www.sec.gov), from CEC Investor Relations (investor.caesars.com) or from CAC Investor Relations (investor.caesarsacquisitioncompany.com).
