The information set forth in Item 8.01 of this Current Report on Form 8-K is incorporated herein by reference, insofar as it relates to the creation of a direct financial obligation.

Item 8.01 Other Events.

On December 5, 2017, Delta Air Lines, Inc. (Delta or we) completed its public offering of \$450,000,000 aggregate principal amount of its 2.600% Notes due 2020 (the Notes). The Notes were registered under the Securities Act of 1933, as amended, pursuant to an automatic shelf registration statement on Form S-3ASR (File No. 333-216463) (the Registration Statement), filed with the Securities and Exchange Commission (the Commission) on March 6, 2017, and a related prospectus, including a prospectus supplement, filed with the Commission.

The Notes were issued under an indenture, dated as of March 6, 2017 (the Base Indenture), as supplemented by that certain Second Supplemental Indenture, dated December 5, 2017 (the Supplemental Indenture and, together with the Base Indenture, the Indenture), each between the Company and U.S. Bank National Association, as trustee. The Base Indenture was filed as Exhibit 4.1 to the Registration Statement and is incorporated herein by reference. The Supplemental Indenture is filed herewith as Exhibit 4.1 and incorporated herein by reference.

The Notes are our direct, unsecured and unsubordinated obligations. The Notes rank *pari passu*, or equal, in right of payment, with all of our other unsubordinated indebtedness and senior in right of payment to all of our future subordinated debt. We will pay interest semi-annually in arrears for the Notes on June 4 and December 4 of each year, beginning on June 4, 2018. The Notes will mature on December 4, 2020.

The Indenture contains certain covenants that, among other things, limit our ability to incur liens securing indebtedness for borrowed money or capital leases and engage in mergers and consolidations or transfer all or substantially all of our assets, in each case subject to a number of important exceptions as specified in the Indenture. The Indenture also contains customary event of default provisions.

We may redeem the Notes at our option at any time prior to the maturity date of the Notes, in whole or in part, at the applicable redemption price, plus accrued and unpaid interest on the principal amount of the Notes to be redeemed to the date of redemption. If we experience a Change of Control (as defined in the Supplemental Indenture) and a ratings decline of the Notes by two of the Ratings Agencies (as defined in the Supplemental Indenture) to a rating below investment grade within a certain period of time following a Change of Control or public notice of the occurrence of a Change of Control, we must offer to repurchase the Notes at a price equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest thereon to the repurchase date.

We intend to use the net proceeds from the offering of the Notes for general corporate purposes.

The foregoing descriptions of the Notes, the Base Indenture and the Supplemental Indenture are summaries only and are qualified in their entirety by reference to the full text of such documents. The form of the Notes issued pursuant to the Indenture is filed herewith as Exhibit 4.2, and the terms and conditions thereof are incorporated by reference herein. The form of the Notes is also filed with reference to, and is hereby incorporated by reference into, the Registration Statement.

In connection with the offering of the Notes, we are filing the legal opinions relating to the offering as Exhibits 5.1 and 5.2 to this Current Report on Form 8-K, which legal opinions are incorporated by reference into the Registration Statement.
