INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents are incorporated by reference in this registration statement: (i) the latest annual report of Applied Materials, Inc. (the Registrant) filed pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act); and (ii) all other reports filed by the Registrant pursuant to Section 13(a) or 15(d) of the Exchange Act since the end of the fiscal year covered by the annual report referred to in clause (i) above (other than the portions of these documents not deemed to be filed). All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14, and 15(d) of the Exchange Act (other than the portions of these documents not deemed to be filed), prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this registration statement and to be a part hereof from the date of filing of such documents.

Item 4. Description of Securities.

The securities being registered pursuant to this registration statement represent unsecured general obligations of the Registrant (the Obligations) to pay certain deferred compensation in the future in accordance with the terms of the Applied Materials, Inc. 2016 Deferred Compensation Plan (the Plan). The Obligations rank equally with other unsecured and unsubordinated indebtedness of the Registrant.

Under the Plan, the Registrant may provide eligible employees of the Registrant and its participating affiliates (each, a Participating Employer) with the opportunity to elect to defer certain eligible compensation that is otherwise payable by a Participating Employer, as set forth in the Plan. Employer contributions also may be made by a Participating Employer, in its sole discretion, on behalf of a Plan participant, as set forth in the Plan.

A Plan participant's deferral contributions and any discretionary employer contributions made on his or her behalf under the Plan will be credited to the participant's account(s) under the Plan. A participant's Plan account(s) will be credited with deemed investment returns equal to the experience of selected investment funds offered under the Plan, as elected by the participant in accordance with the Plan's procedures. If a participant fails to make an investment election with respect to his or her Plan account(s), the account(s) will be deemed invested in the Plan's default investment fund, as determined by the Plan's administrative committee (the Committee) in its discretion. Amounts deferred into the Plan prior to 2016 will be credited with deemed interest at a rate determined under the Plan.

A participant will be 100% vested at all times in his or her deferral contributions under the Plan. A participant generally will be vested in any employer contributions made on his or her behalf by a Participating Employer in accordance with the vesting schedules established by the Committee at the time such amounts are first credited to the participant's Plan account.

The Obligations generally are payable upon a participant's separation from service or the date(s) elected by the participant in accordance with the terms of the Plan, subject to exceptions as provided in the Plan, such as death, qualifying disability, unforeseeable emergency or qualifying change in control of the Registrant. The Obligations generally are payable in the form of a lump sum cash payment or annual cash installment payments, at the election of the participant made in accordance with the terms of the Plan.

A Plan participant may designate one or more beneficiaries to receive any portion of his or her Plan account payable in the event of the participant's death, in accordance with the Plan's procedures. Plan participants or their beneficiaries generally may not sell, transfer, pledge, assign or otherwise dispose of any right or interest in the Plan.

The Registrant may, in its sole discretion, establish a grantor trust, commonly known as a rabbi trust, as a vehicle for accumulating assets to pay the Obligations. Any such rabbi trust shall be constructed to constitute an unfunded arrangement that shall not affect the status of the Plan as an unfunded plan for purposes of the Employee Retirement Income Security Act or the Internal Revenue Code. The Obligations may be paid from the general assets of the Participating Employers or from the assets of any such rabbi trust.

The Registrant has reserved the right to amend or terminate the Plan at any time and for any reason, provided that any such amendment may not reduce or delay the vesting of account balances of any participant accrued as of the date of any such amendment.

The Obligations are not convertible into any other security of the Registrant. The Obligations will not have the benefit of a negative pledge or any other affirmative or negative covenant on the part of the Registrant. No trustee has been appointed to take action with respect to the Obligations and each Plan participant or beneficiary will be responsible for enforcing his or her own rights, if any, with respect to the Obligations.

The foregoing is not a complete description of the Obligations, and is qualified in its entirety by reference to the terms of the Plan document.

Item 5. Interests of Named Experts and Counsel.

Inapplicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers in terms sufficiently broad to permit such indemnification under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act of 1933, as amended. The Registrant's Certificate of Incorporation provides for indemnification of the Registrant's directors, officers, employees and other agents to the maximum extent permitted by the Delaware General Corporation Law. In addition, the Registrant has entered into indemnification agreements with its directors and certain of its officers.

Item 7. Exemption From Registration Claimed.

Inapplicable.

Item 8. Exhibits.

- 4.1 Applied Materials, Inc. 2016 Deferred Compensation Plan, incorporated by reference to Exhibit 10.33 to the Registrant's Form 10-K (file no. 000-06920) filed December 9, 2015.
- 5.1 Opinion of Winston & Strawn LLP.
- 23.1 Consent of KPMG LLP, independent registered public accounting firm.

Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or

decrease in volume of securities offered (if the total dollar value of the securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Santa Clara, State of California on the 12th day of June, 2018.
