**Proposal of the Board of Directors to be submitted to the stockholders of Banco Bradesco S.A., at the Special Stockholders Meeting to be held on 10.5.2006, at 4:00 p.m.**

Considering the amortization, in the current quarter, of the existing Goodwills, which on 6.30.2006 totaled R\$2.055 billion, with the consequent net impact on the Company's result in the amount of R\$1.356 billion, and with the purpose of resetting the Bank's capitalization levels, as a result of the referred amortization, we propose to increase the Capital Stock in the amount of R\$1,200,000,000.00 increasing it from R\$13,000,000,000.00 to R\$14,200,000,000.00, by means of the issuance of 21,818,182 new book-entry registered stocks, with no par value, of which 10,909,152 are common stocks and 10,909,030 are preferred stocks, at the price of R\$55.00 per stock, by means of private subscription by the stockholders in the period from October 19<sup>th</sup>, 2006 to November 20<sup>th</sup>, 2006, in the proportion of 2.226746958% on the stockholding position held by each one on the date of the Meeting (10.5.2006), with payment in cash of 100% of the amount of the subscribed stocks, on December 7<sup>th</sup>, 2006.

The issuance price was determined based on Paragraph One of the Article 170 of Law #6,404/76, with prevalence of the weighted average of the quotations of the stocks in the market, in view of the high index of their tradability. Its determination in levels lower than the market price has as purpose to grant margin to the normal development of the operation, at the same time providing conditions for the formation of the subscription right price.

Regardless of the date of delivery of the Subscription Report, the payment of 100% of the amount of the subscribed stocks will take place on December 7<sup>th</sup>, 2006, the same date proposed for the payment of Complementary Interest on Own Capital and Dividends, and the stockholder must make an option for one of the forms provided for in the Subscription Report, as follows:

- compensation of credit of Complementary Interest on Own Capital and Dividends previously mentioned, pursuant to the Interpretative Declaratory Act of the Secretariat of the Federal Revenue #3, as of 3.14.2003. In this case, the exercise of the subscription right of the stocks will not result in any disbursement of resources on the account of the stockholders enrolled in the Bank's registrations on October 5<sup>th</sup>, 2006;
- debit in the checking account held in Banco Bradesco S.A.;
- check to the order of the referred Banco Bradesco.

In the event of remainders of stocks, after the term for the exercise of the preemptive right has elapsed, they will be sold by means of an auction to be held on the São Paulo Stock Exchange, pursuant to the provision in letter [a] of Paragraph Seven of the Article 171 of Law #6,404/76, at the minimum unit price corresponding to 90% of the weighted average of the quotations verified on the São Paulo Stock Exchange, of the common and preferred stocks, prevailing the lowest quotation between the two types, in the last ten (10) trading floors immediately previous to the date of the official communication of the final remainders by this Bank, in compliance with the minimum subscription price to be approved at the Meeting. The entire amount determined in the operation which exceeds the subscription amount will be fully taken at credit of the [Capital Reserve - Goodwill of Stocks] account, benefiting all stockholders, indistinctly.
