Notice to Stockholders

The Management Bodies of Banco Bradesco S.A., in the meetings held today, resolved to:

I. Board of Directors

1. Invite the stockholders of this Company to gather at the Special Stockholders Meeting, to be held on January 4th, 2008, at 5:00 p.m., at the Company's headquarters, Cidade de Deus, Vila Yara, Osasco, São Paulo, 4th floor, Salão Nobre, Prédio Novo, in which the Board of Directors will present the proposals for the resolution of the stockholders, emphasizing:

Increase of the Capital Stock with Subscription of New Stocks

The increase of the Capital Stock in the amount of R\$1,200,000,000.00, raising it from R\$19,000,000,000.00 to R\$20,200,000,000.00, by means of issuance of 27,906,977 non-par, book-entry, registered new stocks, 13,953,489 of which are common stocks and 13,953,488 are preferred stocks, at the price of R\$43.00 per stock, for private subscription by the stockholders in the period from January 22nd, 2008 to February 22nd, 2008, in the proportion of 1.382441029 % on the stockholding position held by each one on the date of the Meeting (1.4.2008), with payment in cash of 100% of the amount of the subscribed stocks on March 17th, 2008.

The increase of the Capital Stock aims at continuing and strengthening the investments in the extension and modernization of our facilities, mainly regarding information technology, maintaining the Bank's structure at levels that are adequate to an efficient service rendering and process optimization, and reinforcing the Bank's capitalization vis-à-vis the growth expectation of the credit operations volume for the next years.

The exercise of the subscription right of the stocks to be issued will not result in any disbursement of new resources by the stockholders enrolled in the Company's registration on 12.28.2007, as the payment can be done by using the credits related to the Complementary Interest on Own Capital and Dividends to be paid on the same date of the payment of the subscribed stocks, in accordance with the provisions in Item II.

2. Proposal to be submitted to the Company's stockholders in the Special Stockholders Meeting related to the approval of the aforementioned capital increase, as follows:

Increase of the Capital Stock with Bonus Stock

To increase the Capital Stock by the amount of R\$2,800,000,000.00, raising it from R\$20,200,000,000.00 to R\$23,000,000,000.00, by means of the capitalization of part of the balance in the Profit Reserve - Statutory Reserve account, attributing to the Company's stockholders, on a free basis, as bonus stock, 1(one) new stock for each 2 (two) stocks of the same type.

Simultaneously to the operation in the Brazilian Market, and in the same proportion, the bonus stock will benefit the DRs - Depositary Receipts holders in the U.S.

./.

(NYSE) and European (Latibex) Markets, as investors will receive 1 (one) new DR for 2 (two) DRs, which will continue to be traded at the ratio of 1 (one) stock for 1 (one) DR, in the respective markets.

The record date of right to bonus, whose Proposal will be discussed in the Special Stockholders Meeting which resolves the approval of the capital stock increase mentioned in Item 1, will be informed to the market by the Company after the approval by the Central Bank of Brazil of the respective process.

The operation aims at adjusting the market quotation value to a more attractive level for trading, providing an improved liquidity to the stocks, not implying an increase in the distribution of monthly dividends and/or interest on own capital.

Thus, the monthly interest on own capital to be declared after including the bonus stock in stockholders positions will have its value adjusted, so that the stockholders will continue receiving an equal amount of Interests.

The unit price to be attributed to the bonus stock, pursuant to the provisions in the Paragraph One of Article 25 of the Normative Ruling of the Brazilian Internal Revenue Service 25, as of 3.6.2001, will be informed on the day of the Meeting, in which the respective event will be resolved.

Bonus and Subscription Stocks Rights Entitled to Monthly, and possibly Complementary, Dividends and/or Interest on Own Capital to be declared as from the date of the approval of the respective processes by the Central Bank of Brazil, as well as, fully, to possible advantages attributed to the other stocks as from the aforementioned date.
