2.2. Record Date: the record date of bonus entitlement will be notified to the market after the approval of the respective process by the Central Bank of Brazil.

2.3. Trading: current shares shall continue to be traded entitled to bonus and new shares will be available for trading after the approval of the respective process by the Central Bank of Brazil and their inclusion in the shareholders' position to be notified to the market.

Dear Shareholders,

The Board of Directors of Banco Bradesco S.A. hereby submits to examination and resolution a proposal **to partially amend the Bylaws**, in the Articles 18 and 19, reducing the age limit for the exercise of the position of Executive Officer, from 65 to 62 years old, and of Department Officer, from 62 to 60 years old.

The statutory amendment proposed:

ü does not apply to Executive and Department Officers holding the position on the date of March 8, 2013, to whom the age limit of, respectively, less than 65 (sixty-five) and less than 62 (sixty-two) years old, on the date of election, will continue to be valid;

ü will reduce the age limit to the exercise of the positions of Executive Officer and of Department Officer, reducing, consequently, the time for healthy and desired renovation, within the principle of preserving administrative continuity, strongly recommended to stability, prosperity and security of the Company, thereby also keeping the workforce always motivated with the possibility to reach the highest positions of the Institution.

Upon the approval of this proposal, the Articles 18 and 19 will have the following wording, after the process is approved by the Central Bank of Brazil:

“Article 18) To hold the position of Executive Officer, the candidate must also satisfy, cumulatively, the following requirements on the election date: I. be under 62 (sixty-two) years old; II. belong to the staff of employees or officers of the Company or of its subsidiaries for more than 10 (ten) years, with no interruptions. **Sole Paragraph** - The age limit provided for in item "I" of this Article shall not apply to the Executive Officers of the Company in office on the date of March 8, 2013, to whom it is still prevailing the age limit of less than 65 (sixty-five) years old on the date of the election. ”;

“Article 19) To hold the position of Department Officer, of Officer and of Regional Officer, the candidate must, on the date of the election, satisfy, cumulatively, the following requirements: I. be under 60 (sixty) years old; II. be an employee or officer of the Company or of its subsidiaries. **Sole Paragraph** - The age limit provided for in item "I" of this Article shall not apply to Department Officers of the Company in office on the date of March 8, 2013, to whom it is still prevailing the age limit of less than 62 (sixty-two) years old on the date of the election.”

Detailing the origin and background, with analysis of its legal and economic effects, of the proposals for the partial amendment to the bylaws, which will be submitted to the resolution of Banco Bradesco S.A.'s shareholders at the Special Shareholders' Meeting to be held on March 11, 2013, at 4 p.m., in compliance with Item II of Article 11 of CVM Instructions #481, of 12.17.2009

§ in relation to the amendment of the "caput" of Article 6, the capital stock increase with 10% bonus share *will not produce legal consequences* by preserving the proportional ownership of all shareholders. *With regard to the economic effects, there will be 10% increment in the total amount of interest on shareholders' equity paid monthly*, benefiting proportionally all shareholders;

§ in relation to the inclusion of Paragraph Three into Article 7 and the appropriateness of the wording of Article 21, dealing with the extension of the term of office of the members of the Board of Directors, of the Board of Executive Officers, and of the Audit Committee, the Administration *sees no legal and economic effects*. In practice, such procedure was already adopted, including the Audit Committee, by analogy, due to the provisions of Paragraph 4 of Article 150 of Law #6,404/76, which provides that the period of management by the Board of Directors or by the Board of Executive Officers extends until the investiture of the new elected administrators. Thus, the proposed amendments to the bylaws aims only to comply with the provisions of Article 10 of Regulation Annex II to Resolution #4,122, of the National Monetary Council, of 8.2.2012, which started to require the statutory provision for the extension of the term of office;

§ in relation to the amendment to the Paragraph Two of Article 12, and of Articles 18 and 19, the Administration *sees no legal and economic effects*, considering that it exclusively aims at suiting their wording to the new age limits proposed for the candidates to the positions of Executive Officer and Department Officer, as well as excepting the new limits to current occupants of the positions of Department Officer, Officer and Regional Officer;

§ in relation to the partial amendment to the "caput" of Article 12, the Administration *sees no legal and economic effects*, considering that the amendment proposed aims only at reducing the minimum number of positions in the Board of Executive Officers, suiting it to the organizational structure of the Company;

§ in relation to the deletion of Articles 22, 24 and 25, which deal, respectively, with the organizational components Compliance and Internal Control Committee, Ethical Conduct Committee and Integrated Risk Management and Capital Allocation Committee, with the consequent renumbering of the subsequent articles, which reflects the proposal presented by the Executive Committee of Corporate Governance, already approved by the Board of Directors, now submitted for resolution of the Special Shareholders' Meeting.

The proposal, if implemented, *will not produce legal and economic effects*, since it aims only to maintain in the bylaws the committees whose characterization as statutory ones is required by legal norms, giving greater speed to the process of management of committees subordinated to the Board of Directors. In this way, only the Audit Committee and the Remuneration Committee will remain as statutory ones, which does not mean the weakening of the corporate governance structure, as the Board of Directors shall maintain these committees, whose exclusion from the bylaws is being proposed, under its structure.

Transcription of the bylaws with the amendments to be submitted to the resolution of Banco Bradesco S.A.'s shareholders, at the Special Shareholders' Meeting to be held on March 11, 2013, at 4 p.m., pursuant to Item I of Article 11 of CVM Instruction #481, as of 12.17.2009
