(2) The number of underlying securities is based on the stock fund balance on February 5, 2007. Shares of phantom stock are payable in cash following the reporting person's termination of employment with the company and may be transferred by the reporting person into an alternative investment account at any time.

(4) The phantom stock units were accrued under the Johnson Controls Equalization 401(k) Benefit Plan and are to be settled 100% in cash upon the reporting person's retirement or other termination of service with the company.

(6) Each share of phantom stock is the economic equivalent of one share of Johnson Controls common stock. The restricted stock units were accrued under the Johnson Controls Restricted Stock Plan. The units represent the reinvestment of dividends and are to be settled 100% in cash upon the vesting of the reporting person's Restricted Stock Grant.

(7) Fifty percent of the options become exercisable two years after the grant date; the remaining 50%, three years after grant date.
