Item 1.01 Entry into a Material Definitive Agreement.

On July 24, 2006, Consumers Energy Company ("Consumers"), a wholly owned subsidiary of CMS Energy Corporation ("CMS Energy") signed a Stock Purchase Agreement (the "SPA") with MCV Power Partners, Inc. ("MCV Power"), an affiliate of GSO Capital Partners LLC and Rockland Capital Energy Investments LLC. Pursuant to the SPA, Consumers has agreed to sell to MCV Power its 100% ownership interest in the stock of CMS Midland, Inc., which has a 49% interest in the Midland Cogeneration Venture Limited Partnership (the "MCV Partnership"). The MCV Partnership leases and operates the Midland Cogeneration Venture facility, an approximately 1500 megawatt natural gas-fueled combined-cycle cogeneration facility located in Midland, Michigan (the "Facility"). Also under the SPA, Consumers has agreed to sell its 100% ownership interest in the stock of CMS Midland Holdings Company, which holds a 35% indirect interest in the Facility. These interests represent all of Consumers' ownership interests in the Facility. The purchase price for these interests is approximately \$60.5 million. In conjunction with the sale, MCV Power has agreed to reimburse Consumers for certain obligations in the event that The Dow Chemical Company elects payment under contracts with the MCV Partnership and Consumers to provide it with steam and power. MCV Power will post a letter of credit of up to \$85 million to support this reimbursement obligation. See the News Release dated July 25, 2006, which is attached as Exhibit 99.1, for additional information.

The SPA contains a number of customary representations, warranties, covenants and closing conditions. The closing conditions include the expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976. The SPA also contains indemnification provisions subject to specified limitations as to time and amount. The closing of the transaction is targeted for no later than year-end and the SPA provides that a party not in default may terminate the SPA if closing does not occur on or before December 31, 2006. Consumers and CMS Energy cannot predict with certainty whether or when the closing conditions will be satisfied or whether or when this transaction will be consummated.

A copy of the SPA will be filed with CMS Energy's and Consumers' future Securities and Exchange Commission ("SEC") filings as required under SEC regulations.

Item 9.01 Financial Statements and Exhibits.
