Item 1.01 Entry into a Material Definitive Agreement.

On April 12, 2007 CMS Energy Corporation ("CMS Energy") announced that it and its wholly owned subsidiaries CMS Electric and Gas, LLC ("CMS Electric and Gas") and CMS Energy Brasil S.A. ("CMS Brasil") had entered into a Share Purchase Agreement, dated as of April 12, 2007 (the "Agreement") with CPFL Energia S.A, a Brazilian utility company ("CPFL"). Pursuant to the Agreement CMS Electric and Gas will sell CMS Brasil, which is a holding company for a group of Brazilian electric distribution companies and related electric generating assets for US\$211.1million. CMS Brasil provides electric service to about 172,000 customers, primarily in the state of Sao Paulo. A CMS Energy-issued News Release dated April 12, 2007, which is attached as Exhibit 99.1 and incorporated by reference, contains additional information with respect to the transaction.

The Agreement contains a number of representations and warranties covering matters typically addressed in stock purchase and asset sale agreements. The Agreement includes a post-closing indemnity pursuant to which the parties shall indemnify each other for damages arising from breaches of representations and warranties and in the case of CMS Energy and CMS Electric and Gas, certain other scheduled items. The survival period is generally one year from the date of the Agreement.

Closing is subject to certain conditions, including the approval by Agencia Nacional de Energia Eletrica which is the Brazilian national electric utility regulatory agency. The sale is expected to close by the end of the second quarter. However, CMS Energy cannot predict with certainty whether or when the closing conditions will be satisfied or whether or when this transaction will be consummated.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by the provisions of the Agreement which is attached hereto as Exhibit 10.1 and is incorporated by reference.
