**Item 8.01 Other Events.**

Kansas City Southern ("KCS") is furnishing this information under Item 8.01 of this Current Report on Form 8-K. On March 30, 2009, Kansas City Southern de Mexico, S.A. de C.V. ("KCSM"), a wholly-owned subsidiary of KCS, completed the sale of \$200 million principal amount of its 12½% senior unsecured notes due 2016 (the "Notes") in a private placement in reliance on Section 4(2) of the Securities Act of 1933, as amended. In connection with the sale of the Notes, KCSM has agreed to use its reasonable best efforts to file and have declared effective within 360 days a registration statement with respect to a registered offer to exchange the Notes for registered notes having terms identical in all material respects to the Notes.

KCSM received net proceeds of approximately \$185.0 million from the sale of the Notes and used a portion of the proceeds to repay all amounts outstanding under its Credit Agreement dated as of June 14, 2007. Upon repayment of the outstanding amounts, KCSM terminated the Credit Agreement, effective March 30, 2009. KCSM intends to use the remaining proceeds from the sale of the Notes for general corporate purposes.

This information contained in this Current Report is not an offer to sell the Notes. The Notes have not been registered under the Securities Act, and the foregoing may not be offered or sold in the United States absent registration or the availability of an applicable exemption from registration
