Section 8 Other Events

Item 8.01 Other Events

On January 9, 2019, the Company issued a press release announcing the commencement of a tender offer (the “Tender Offer”) to purchase for cash any and all of its outstanding \$450,000,000 aggregate principal amount of 5.50% Senior Notes due 2019 (the “Notes”) and that the Company is seeking to borrow up to \$450,000,000 under a term loan facility being arranged by Barclays Bank PLC (“Barclays”) for which Barclays will serve as book runner and syndication agent, as administrative agent on behalf of the lenders and as collateral agent, the proceeds of which the Company will use to

refinance the Notes. In connection with the tender offer, the Company is also seeking consents (the “Consent Solicitation”) to proposed amendments to the Indenture, dated as of June 13, 2014 (as amended, the “Indenture”), which governs the Notes, that would eliminate most of the restrictive covenants and certain events of default applicable to the Notes, reduce the minimum notice period required for redemptions of the Notes from 30 days as currently required by the Indenture to three business days and amend certain other provisions applicable to the Notes. The Tender Offer and Consent Solicitation are conditioned upon the satisfaction of certain conditions, including the Company successfully completing one or more debt financings. The terms and conditions of the Tender Offer and Consent Solicitation are described in the Offer to Purchase and Consent Solicitation Statement, dated January 9, 2019, and its accompanying Consent and Letter of Transmittal. This Current Report on Form 8-K does not constitute an offer to purchase or a solicitation of consents with respect to the Notes or any other securities of the Company. The Company is making the Tender Offer and Consent Solicitation only in jurisdictions in which it is permitted to do so pursuant to applicable law.

A copy of the press release is furnished as Exhibit 99.2 to this Current Report on Form 8-K and is incorporated by reference herein.
